Laughter, contemporary theory suggests, is often aggressive in some manner and may be prompted by a sudden

perception of incongruity combined with memories of past emotional experience. Given this importance of the past to our recognition of the comic, it follows that some "traditions" dispose us to ludic responses. The studies in *Of Corpse: Death and Humor in Folklore and Popular Culture* examine specific interactions of text (jokes, poetry, epitaphs, iconography, film drama) and social context (wakes, festivals, disasters) that shape and generate laughter. Uniquely, however, the essays here peruse a remarkable paradox---the convergence of death and humor.

### **Chinese Lessons from Other Peoples' Wars**

Taking the Enlightenment and the feminist tradition to which it gave rise as its historical and philosophical coordinates, *Feminism and the Politics of Travel After the Enlightenment* explores the coincidence of feminist vindications and travel in the late eighteenth and nineteenth centuries, the way travel's utopian dimension and feminism's utopian ideals have intermittently fed off each other in productive ways. Travel's gender politics is analyzed in the works of J.-J. Rousseau, Mary Wollstonecraft, Stéphanie-Félicité de Genlis, Germaine de Staël, Frances Burney, Flora Tristan, Suzanne Voilquin, Gustave Flaubert, George Sand, Robyn Davidson, and Sara Wheeler.

The importance of China stems not only from its current international role and its influence on the Asia-Pacific region in particular, but also because China's impact on global developments will likely continue to grow. One of our enduring imperatives is to accurately survey China's experiences as a means to grasp its existing perceptions, motivations, and ambitions. More than ever, solid, evidence-based evaluation of what the PLA has learned from the use of force and conflict elsewhere in the world is needed to shed light on the prospects for its cooperation, or rivalry, with the international community. This volume provides unique, valuable insights on how the PLA has applied the lessons learned from others' military actions to its own strategic planning.

Poverty has dire consequences on the ability to fulfil one's aspirations for life. Poverty has strong implications for social

cohesion and societies' abilities to function in harmonious ways. This book presents the readers with the core concepts, latest development and knowledge about policies that work to eliminate absolute poverty. This volume shows what the consequences are for the quality of life of those living in poverty. It describes life for people in poverty in general, but also deals more specifically with children, in-work poverty and the elderly, thus providing a life, generational and global perspective on poverty, including the impact on people's happiness levels. The book also discusses policies aimed at poverty reduction, such as changes to the labour market - including the risk of working poor - and shows that there is a variety of possible instruments available to reduce poverty. These range from direct provision of social security to ensuring education and a better functioning labour market. Written in an engaging and accessible style, the book provides a succinct insight into the concept of poverty, how to measure it, the situation of poverty around the globe as well as different types of possible interventions to cope with poverty. Supporting theory with examples and case studies from a variety of contexts, suggestions for further reading, and a detailed glossary, this text is an essential read for anyone approaching the study of poverty for the first time.

Smart, touching, and utterly engaging, *Born Under a Lucky Moon* is a polished gem of contemporary women's fiction—and it boldly announces the arrival of author Dana Precious, who immediately takes her place at the winner's table beside Rebecca York, Jennifer Weiner, and Rebecca Wells. Not unlike *Divine Secrets of the Ya Ya Sisterhood* and other beloved works of southern women's fiction—except set in the American Midwest—*Born Under a Lucky Moon* is a story of family, love, murder, sex scandals, and new beginnings that is, at once, intelligent, endearing, and delightfully quirky.

Striking a unique balance between skills and theory, *Intercultural Competence* provides readers with the background and confidence to succeed in today's multi-cultural environment. Blending both the practical and the theoretical, the concrete and the abstract, this book is both enjoyable to read and thoroughly researched. By clearly explaining different theories and the significance of cultural patterns and having readers practice what they learn via examples in the book, *Intercultural Competence* better prepares readers to interact in intercultural relationships. The book also provides a discussion of important ethical and social issues relating to intercultural communication. The authors cover American multiculturalism as well as global cultural issues.

## **Mickey Thompson**

On March 16, 1988, motorsport legend Mickey Thompson and his second wife, Trudy, were gunned down by hooded assassins in the driveway of their Bradbury, California, home. This shocking and brutal double-murder brought an abrupt end to one of the most extraordinary careers in the history of motorsports, a career that has never been completely profiled—until now. Author Erik Arneson delves into the life and career of one of racing's greatest innovators and most successful businessmen, while also chronicling the story of his tragic murder and his family's relentless quest to bring his killer to justice. This is a fascinating account of an amazing life that ended too soon.
