Sep 30, 2009. #3. Hi Ango. I am wanting to replace my Fox Triad rear shock from my 2007 Specialized Stumpjumper Pro. The reason for the replacement is that there is a lot of scoring on the brushings due to use.

Cost of new RP2 and then the shortening \$450 - \$500 + ?.

The 2007 Triad is 7.75 x 1.75 which is custom size so can't be bought aftermarket. Fox made them "specialized" for Specialized. The 7.875 x 2.00 is only .125 inches (1/8 of inch) longer and has another 1/4 inch of stroke which gives you another 17mm or .67 inches of travel. (going by calculations found on this board).
