ShadowLight

An equal parts haunting and hilarious deep-dive review of history's most notorious and cold-blooded serial killers, from the creators of the award-winning Last Podcast on the Left Since its first show in 2010, The Last Podcast on the Left has barreled headlong into all things horror, as hosts Henry Zebrowski, Ben Kissel, and Marcus Parks cover subjects spanning Jeffrey Dahmer, werewolves, Jonestown, and supernatural phenomena. Deeply researched but with a morbidly humorous bent, the podcast has earned a dedicated and aptly cultlike following for its unique take on all things macabre. In their first book, the guys take a deep dive into history's most infamous serial killers, from Ted Bundy to John Wayne Gacy, exploring their origin stories, haunting habits, and perverse predilections. Featuring newly developed content alongside updated fan favorites, each profile is an exhaustive examination of the darker side of human existence. With appropriately creepy four-color illustrations throughout and a gift-worthy paper over board format, The Last Book on the Left will satisfy the bloodlust of readers everywhere.

Jeff Palmer 2018

Calendar of the Patent Rolls Preserved in the Public Record Office

An instant New York Times bestseller From the bestselling author of The Cost of These Dreams The story of how Julian Van Winkle III, the caretaker of the most coveted cult Kentucky Bourbon whiskey in the world, fought to protect his family's heritage and preserve the taste of his forebears, in a world where authenticity, like his product, is in very short supply. As a journalist said of Pappy Van Winkle, "You could call it bourbon, or you could call it a \$5,000 bottle of liquified, barrel-aged

unobtainium." Julian Van Winkle, the third-generation head of his family's business, is now thought of as something like the Buddha of Bourbon - Booze Yoda, as Wright Thompson calls him. He is swarmed wherever he goes, and people stand in long lines to get him to sign their bottles of Pappy Van Winkle Family Reserve, the whiskey he created to honor his grandfather, the founder of the family concern. A bottle of the 23-year-old Pappy starts at \$3000 on the internet. As Julian is the first to say, things have gone completely nuts. Forty years ago, Julian would have laughed in astonishment if you'd told him what lay ahead. He'd just stepped in to try to save the business after his father had died, partly of heartbreak, having been forced to sell the old distillery in a brutal downturn in the market for whiskey. Julian's grandfather had presided over a magical kingdom of craft and connoisseurship, a genteel outfit whose family ethos generated good will throughout Kentucky and far beyond. There's always a certain amount of romance to the marketing of spirits, but Pappy's mission statement captured something real: "We make fine bourbon - at a profit if we can, at a loss if we must, but always fine bourbon." But now the business had hit the wilderness years, and Julian could only hang on for dear life, stubbornly committed to preserving his namesake's legacy or going down with the ship. Then something like a miracle happened: it turned out that hundreds of very special barrels of whiskey from the Van Winkle family distillery had been saved by the multinational conglomerate that bought it. With no idea what they had, they offered to sell it to Julian, who scrambled to beg and borrow the funds. Now he could bottle a whiskey whose taste captured his family's legacy. The result would immediately be hailed as the greatest whiskey in the world - and would soon be the hardest to find. But now, those old barrels were used up, and Julian Van Winkle faced the challenge of his lifetime: how to preserve the taste of Pappy, the taste of his family's heritage, in a new age? The amazing Wright Thompson was invited to be his wingman as he set about to try. The result is an extraordinary testimony to the challenge of living up to your legacy and the rewards that come from knowing and honoring your people and your craft. Wright learned those lessons from Julian as they applied to the honest work of making a great bourbon whiskey in Kentucky, but he couldn't help applying them to his own craft, writing, and his upbringing in Mississippi, as he and his wife contemplated the birth of their first child. May we all be lucky enough to find some of ourselves, as Wright Thompson did, in Julian Van Winkle, and in Pappyland.

Gunfighters

Ready or not...love will find a way Single dad Hogan Guthrie is getting his life back on track, and working as the "barbecue master" at a local diner is just a temporary detour. He and restaurant owner Violet Shaw constantly butt heads...until one night they end up mingling other parts instead. Hogan thought he had the recipe for happiness all figured out. But loyal, carefree Violet is daring him to trust his impulses...and see just how sweet small-town living—and loving—can be. Nathan Hawley traded his SWAT team credentials for a sheriff's badge, but a gorgeous new neighbor is shaking up his orderly life. Nathan has a hunch there's more to Brooklin Sweet than meets the eye—but given her caution about getting involved, he has his work cut out for him. Still, there's something about the elusive beauty Nathan can't walk away from—and helping

her come to terms with her past might pave the way to the future they both secretly long for.

Cabin Porn

The Lady of Pain. She rules the city of Sigil from behind a veil of perfect silence. Feared by mortal and gods alike, she flays her worshipers alive and casts her foes into inescapable labyrinths of despair. Only fools dare ask her to speak. And the Amnesian Hero has come with a question. When the god Poseidon tells a man with no memory how to recover his past, the unwitting warrior seeks out the Lady of Pain and finds himself banished to the Mazes. With the help of a beautiful - but dead - tiefling sorceress, a horned fiend with a dark disposition, and a deranged wind-priest who claims to be the center of the multiverse, he must discover the secret of the Lady's past - or confront a memory so horrifying it could tear him apart! The Silence is Broken.

The Great Book of Seattle Sports Lists

Faced with the sale of the century-old family summer house on Cape Cod where he had spent forty-two summers, George Howe Colt recounts returning for one last stay with his wife and children in this stunning memoir that was a National Book Award Finalist and a New York Times Notable Book of the Year. This poignant tribute to the eleven-bedroom jumble of gables, bays, and dormers that watched over weddings, divorces, deaths, anniversaries, birthdays, breakdowns, and love affairs for five generations interweaves Colt's final visit with memories of a lifetime of summers. Run-down yet romantic, The Big House stands not only as a cherished reminder of summer's ephemeral pleasures but also as a powerful symbol of a vanishing way of life.

Finders Keepers

Chameleonic, hypnotising and utterly irreplaceable, David Bowie was more than just a pop star. More underdog than diamond dog, he was an inspiration to millions: a hot tramp from the streets of London, who proved that anything's possible when you follow your dreams. Whether posing as an electrifying alien rock god or a thin white duke, Bowie's career is a veritable kaleidoscope of ever-changing colors, styles and sounds. From Aladdin Sane to Ziggy Stardust, from Goblin King to China boy, from sharp-suited aristocrat to androgynous bohemian Queen, Starman collects black-and-white sketches of his most iconic looks, stardusted visions and stylistic moments. Filled with quotes, facts and memories of Bowie from those who knew him best, David Bowie: Starman offers a uniquely creative way to remember the Starman and his incredible life on Earth - essential reading for fans of every generation.

All-American Kidd

Twelve horny hunks for 2018! Naked Sword shows the sexiest and manliest men for the new year. A Must-have for all Naked Sword fans!

Calm the F*ck Down

Decades after World War III, nuclear war is decimating the planet. Amidst the turmoil and destruction lies one last drop of hope: the most ambitious space mission ever planned, to be executed by the largest earthly spacecraft. The goal? For the crew aboard IWSA-24 to be the first to colonize Alpha-64, located 100 Earth years away. The clock is ticking, with the launch only a few weeks out. But when the war takes a calamitous turn only minutes before the shuttle's first flight simulation, suddenly the crew on board realize they are the planet's only survivors. With minimal provisions, equipment, and astronauts, a new set of questions arise for Captain Kriss and her all-female crew: will IWSA-24 have enough fuel to make it to Alpha-64? Will they devise a plan to secure male DNA in time to save humanity? What mysteries and unknowns lurk on this faraway planet? What starts as an unlikely community of lovers, enemies, scientists, and spies evolves rapidly as the crew approaches Alpha-64

Worth the Wait

From the Author Offered for the first time ever comes the Jess Williams Western Trilogy that started it all. This trilogy will only be offered for a limited time in e-format. It includes the full copies of the first three books in the long-running series of Jess Williams adventures. Note: If you have already purchased the first three books in the series, don't buy this unless you just want to add it to your collection. If you haven't read a Jess Williams western yet, this is the perfect time to get the first three books in their entirety. Hopefully, you will enjoy them and continue on with the rest of the series. Robert J. Thomas Description of the books in this Trilogy THE RECKONING starts out this western series with the adventures of Jess Williams. He is an ordinary young boy with a loving family growing up in Black Creek, Kansas. That all changes when he comes home and finds his family brutally murdered. Forced to become a man overnight, he vows to avenge his family's savage deaths. He begins to practice with his pa's Colt .45 and then a stroke of destiny arrives when he discovers a new pistol and holster that mysteriously appears. Jess practices with it relentlessly until he becomes so quick that he is truly unbeatable on the draw. He leaves home transformed from a boy to a highly skilled shootist with no reason to live except to hunt down and kill each of the men responsible for the murders. As he begins his journey, he does so with a pistol and holster that no one has ever seen before-and won't again for almost one-hundred years. In BROTHER'S KEEPER, Jess Williams returns home to Black Creek, Kansas, after hunting down and killing the three men who brutally murdered his family. When he arrives, he finds

himself in the midst of a bloody war with Dick Carter and his hired guns. Carter wants revenge for the death of his only son, Red, and Jess is the one who did the killing. Jess's first job is to eliminate Carter and his hired guns and then finish his search for the brother he never knew he had. SINS OF THE FATHER has Jess hunting down his real father, Eddie Sloan. After two years, he finally has him in his sight when a desperate call for help comes in from U.S. Marshal Frank Reedy. Jess answers the call for help and heads for Timber, Texas, and straight into a bloody range war between two cattle barons. Rance Madden and his hired guns have no idea of the trouble heading their way. Jess arrives and men start dying one by one. Madden begins to feel the grip of death at his throat-and Jess is slowly tightening the noose.

Hairy Chested Men

Misfire

A contemporary classic that has sold more than two million copies and was a selection of Oprah's original Book Club, *Midwives* is a compulsively readable novel that explores questions of human responsibility that are as fundamental to our society now as they were when the book was first published twenty years ago. On an icy winter night in an isolated house in rural Vermont, a seasoned midwife named Sibyl Danforth takes desperate measures to save a baby's life. She performs an emergency cesarean section on a mother she believes has died of stroke. But what if—as Sibyl's assistant later charges—the patient wasn't already dead? The ensuing trial bears the earmarks of a witch hunt, forcing Sibyl to face the antagonism of the law, the hostility of traditional doctors, and the accusations of her own conscience. Exploring the complex and emotional decisions surrounding childbirth, *Midwives* engages, moves, and transfixes us as only the very best novels ever do.

Masc

Images of bodies and bodily practices abound in early America: from spirit possession, Fasting Days, and infanticide to running the gauntlet, going "naked as a sign," flogging, bundling, and scalping. All have implications for the study of gender, sexuality, masculinity, illness, the "body politic," spirituality, race, and slavery. The first book devoted solely to the history and theory of the body in early American cultural studies brings together authors representing diverse academic disciplines. Drawing on a wide range of archival sources—including itinerant ministers' journals, Revolutionary tracts and broadsides, advice manuals, and household inventories—they approach the theoretical analysis of the body in exciting new ways. *A Centre of Wonders* covers such varied topics as dance and movement among Native Americans; invading witch bodies in architecture and household spaces; rituals of baptism, conversion, and church discipline; eighteenth-century

women's journaling; and the body as a rhetorical device in the language of diplomacy.

Jim French Diaries

The “unexpectedly moving” story of dumb luck and the American Dream set in South Philly from the # 1 New York Times–bestselling author (Entertainment Weekly). What would you do if you found a million dollars? When Joey Coyle did, he was a twenty-eight-year-old drug-dependent, unemployed longshoreman living with his ailing mother in a tight-knit Philadelphia neighborhood. While cruising the streets just blocks from his home, fate took a turn worthy of a Hollywood caper when he found \$1.2 million in unmarked bills—casino money that had fallen off an armored truck. It was virtually untraceable. Coyle? Not so much. Over the next seven days, fueled by euphoria, methamphetamine, and paranoia, Coyle shared his windfall with everyone from his eight-year-old niece to total strangers to a local mob boss who offered to “clean” it. All the while, Det. Pat Laurenzi and members of the FBI were working around the clock to find it. No one was prepared for how Coyle’s dream-come-true would come tumbling down, or what would happen when it did. From “a master of narrative journalism” comes the incredible true-life thriller of an ordinary man with an extraordinary dilemma, and the complicity, concern, and betrayal of friends, family, and neighbors that would prove his undoing (The New York Times Book Review). “A miniature serio-comedy about life in the city.” —The Washington Post “Masterfully reported and artfully paced.” —Entertainment Weekly “A taut, fast-paced tale.” —The Baltimore Sun

Agents & Spies Short Stories

When President Charles Bentley Kidd is impeached and removed from office over a sex scandal with the White House pastry chef, he has no idea what the future holds for him. Then a chance meeting with a college drop-out in his new Connecticut neighborhood offers him an opportunity at redemption, through a road trip to Los Angeles to see the daughter who is now avoiding him. Along the journey west, Kidd teaches his travel companion -- a boy named Kenny Kernick who was removed from Harvard over a scandal of his own -- the art of being confident with the opposite sex, secure in himself and bold in the world. But when they arrive in Los Angeles, will Kenny thank Kidd for the lesson and go on his way, or will he try to unleash all he has learned, on Kidd's own daughter? Irreverent and heart-warming, funny yet poignant, All-American Kidd follows two fallen individuals -- one a former leader of the free world, the other a laughingstock of Harvard Yard -- as they rebuild their lives, characters and reputations in the face of public disgrace. As American as stealing your father's car for a road trip, All-American Kidd will leave you breathless in its scope, and laughing every mile of the way.

Users will find everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "One of the most impressive reference volumes in the world."--Publishers Weekly.

Legends

A New York Times Notable Book for 2011 A Washington Post Notable Fiction Book for 2011 A USA Today 10 Books We Loved Reading in 2011 Title One of NPR's 10 Best Novels of 2011 What if—whoosh, right now, with no explanation—a number of us simply vanished? Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's *The Leftovers* is a startling, thought-provoking novel about love, connection and loss.

Lap Of Luxury 2017

2020 Is Going to Be a Good Year

The name says it all. California-based Falcon Studios, the source of living porn legends like Ken Ryker, Mike Branson and

Jeremy Penn, is the largest producer of gay pornography and erotica. This book presents 136 high-gloss images of Falcon's hottest American heroes. Size does not matter!

Sporting Magazine

For more than four decades COLT men have been synonymous with the world's most masculine men. And if there is one characteristic that brings us all back to our very first fantasies of a hot, ber-masculine man it is a nice hairy chest. Full color, full nudity. Free wall poster included with every calendar.

David Bowie, Starman

Legend Men

Love comes along when it's least wanted Jason Guthrie has no time for entanglements—between helping out his widowed brother and teenage nephew and getting his hometown back on its feet, his days are spoken for. But his nights are another story... And when his lovely new neighbor, Honor Brown, reluctantly accepts his help in remodeling her house, Jason finds himself wishing his handyman skills could knock down the defenses she keeps building around herself. Martial arts teacher Sullivan Dean knows real danger when he sees it—even when it takes the form of the gorgeous blonde helping her friend move in across the street. After putting his wayward past behind him to focus on teaching control to troubled kids, Sullivan has learned to avoid party girls like Lexie Perkins. But Sullivan can't seem to keep his hands off the real woman behind that flirty charm—or keep his heart from landing at her feet...

Chase's Calendar of Events 2017

One thing is certain: The world of gay porn would not be what it is today without Jim French, the founder of the legendary COLT Studio. The multi-faced styles of his movies and photo works influenced many directors and photographers. Jim French Diaries illuminates the many faces of COLT Studio not only with a wide range of photos but also with a lot of informative interviews revealing the exciting history behind the label.

The Art of the Male Nude

The M16 rifle is one of the world's most famous firearms, iconic as the American weapon of the Vietnam War—and, indeed,

as the U.S. military's standard service rifle until only a few years ago. But the story of the M16 in Vietnam is anything but a success story. In the early years of the war, the U.S. military had a problem: its primary infantry rifle, the M14, couldn't stand up to the enemy's AK-47s. The search was on for a replacement that was lighter weight, more durable, and more lethal than the M14. After tests (some of which the new rifle had failed) and debates (more than a few rooted in the army brass's resistance to change), Secretary of Defense Robert McNamara ordered the adoption of the M16, which was rushed through production and rushed to Vietnam, reaching troops' hands in early 1965. Problems appeared immediately. Soldiers were often not adequately trained to maintain the new rifle (in fact some were told the new rifle was "self-cleaning"), nor were they always given cleaning supplies or instructions. The harsh jungle climate corroded the rifle's chamber, exacerbated by the manufacturer's decision against chrome-plating the chamber. The ammunition that accompanied the rifles sent to Vietnam was incompatible with the M16 and was the principal cause of the failure to extract malfunctions. The result was the M16 often jammed, making the rifle "about as effective as a muzzleloader," in the words of one officer. Men were killed in combat because they couldn't return fire until the malfunction was cleared. Congress investigated and the rifle and its ammunition were incrementally modified, greatly improving its reliability over the next few years. Troop training was also improved. But the damage to the M16's reputation could not be undone, and many soldiers remained deeply skeptical of their rifle through the war's end. Misfire combines insider knowledge of U.S. Army weapons development with firsthand combat experience in Vietnam to tell the story of the M16 in Vietnam. Even as it details the behind-the-scenes development, tests, and debates that brought this rifle into service, the book also describes men and M16s in action on the battlefield, never losing sight of the soldiers who carried M16s in the jungles of Vietnam and all too often suffered the consequences of decisions they had nothing to do with.

Chase's Calendar of Events 2018

Provides the facts on how AIDS can and can't be transmitted, and how to prevent the spread of this disease, in the form of a letter from a mother to her son

The Leftovers

COLT is iconic - and one of the most prestigious studios with a long tradition. Hairy Chested Men collects the hottest (and hairiest) models of the world famous all-male erotica brand. Previously unreleased behind the scenes footage and exclusive iconic Colt photos make the book an absolute essential for fans and lovers of hairy chests.

Naked Sword 2018

The Big House

With loyal fans supporting their major sports teams in the Seahawks (NFL), Mariners (MLB) - plus a rabid fan base for University of Washington jocks - Seattle is a great place for a sports debate. Local sports-radio talker Mike Gastineau teams up with longtime sportswriters Steve Rudman and Art Thiel to bring Seattle sports history to life with this provocative and enjoyable - not to mention debatable - book of lists. They also enlist list contributions by famous players, coaches, and Seattle celebrities including Mike Holmgren, Matt Hasselbeck, Ichiro Suzuki, George Karl, Pearl Jam, Kevin Calabro, Sir Mix-a-Lot, and more.

The Last Book on the Left

No year without Jeff Palmer! As every year, the LA-based classical black and white photographer surprises us with his newest calendar. Jeff Palmer is legendary, and so are his pictures.

Farmer's Advocate and Home Journal

Rural escapes for those yearning for a simpler existence, by the creators of the wildly popular Instagram account Cabin Porn. Created by a group of friends who preserve 55 acres of hidden forest in Upstate New York, Cabin Porn began as a scrapbook to collect inspiration for their building projects. As the collection grew, the site attracted a following, which is now a huge and obsessive audience. The site features photos of the most remarkable handmade homes in the backcountry of America and all over the world. It has had over 10 million unique visitors, with 450,000 followers on Instagram. Now Zach Klein, the creator of the site (and a co-founder of Vimeo) goes further into the most alluring images from the site and new getaways, including more interior photography and how-to advice for setting up a quiet place somewhere. With their idyllic settings, unique architecture, and cozy interiors, the Cabin Porn photographs are an invitation to slow down, take a deep breath, and feel the beauty and serenity that nature and simple construction can create.

Colt 40

New authors and collections. Daring tales of kidnap and rescue, assassination and revenge, the politics of death and espionage, these are the themes of this latest volatile concoction of classic and new writing. The days of empire and traditional war have been replaced by cyber warfare but the subtle, lethal methods of agents and spies remain the same, and so has the power of great writing, with stories here to chill and intrigue every reader. Classic authors include Arnold Bennett, Ernest Bramah, John Buchan, G.K. Chesterton, Joseph Conrad, Arthur Conan Doyle, R. Austin Freeman, Rudyard

Kipling, Maurice Leblanc, Arthur B. Reeve, Sapper, Ellen Wood.

AIDS

The no-f*cks-given guide to taming anxiety and taking back control of your life, from the bestselling author of The Life-Changing Magic of Not Giving a F*ck and Get Your Sh*t Together. Do you spend more time worrying about problems than solving them? Do you let unexpected difficulties ruin your day and do "what ifs" keep you up at night? Sounds like you need to Calm the F*ck Down.
