Three-time New York Times bestselling author and six-time WWE champion Chris Jericho shares 20 of his most valuable lessons for achieving your goals and living the life you want. Chris Jericho has known what he wanted out of life since he was a teenager: to be a pro wrestler and to be in a rock 'n' roll band. Most of his high school friends felt that he lacked the tools necessary to get into either, but Chris believed in himself. With the wise words of Master Yoda echoing through his head ("Do or do not. There is no try."), he made it happen. As a result, Chris has spent a lifetime

doing instead of merely trying, managing to achieve his dreams while learning dozens of invaluable lessons along the way. *No Is a Four-Letter Word* distills more than two decades of showbiz wisdom and advice into twenty easy-to-carry chapters. From developing a strong work ethic thanks to WWE chairman Vince McMahon, remembering to always look like a star from Gene Simmons of KISS, learning to let it go when the America's Funniest Home Videos hosting gig goes to his rival, adopting a sense of perpetual reinvention from the late David Bowie, making sure to sell himself like his NHL-legend father Ted Irvine taught him, or going the extra mile to meet Keith Richards (with an assist from Jimmy Fallon), Chris has learned countless lessons during his decades-long career. Now, in the hopes that those same principles might help and inspire his legions of fans, Chris has decided to share them while recounting the fantastic and hilarious stories that led to the birth of these rules. The result is a fun, entertaining, practical, and inspiring book from the man with many scarves but only one drive: to be the best. After reading *No Is a Four-Letter Word*, you'll discover that you might have what it takes to succeed as well—you just need to get out there and do it. That's what Jericho would do.

### **Cancer Is a Four-Letter Word: a Pilgrimage into the Emotional, Sexual, and Spiritual Aspects of Prostate Cancer.**

The word "loss" contains only four letters, but its size belies the amount of fear it produces at even its mere mention. Even more terrifying and enormous is the reality of loss—specifically, the loss of a spouse. For the loved one left behind, the loss of a spouse or partner is frightening, and the ensuing grief can be all-consuming. Regardless of the circumstances, spousal loss devastates on numerous levels and in countless ways. Whether the loss is brand new or decades old, it nonetheless leaves indelible wounds. Worst of all, widowhood has the capacity to keep those affected from moving forward into a new and fulfilling life. The need for relatable and actionable direction and advice remains a very real need for the widowed community. In *Loss is a Four-Letter Word*, award-winning author Carole Brody Fleet, who herself experienced the numbing pain and grief as a young widow and mother, shows readers a way out, a way to move forward—not "get over"—their most profound loss in positive ways. Fleet combines no-nonsense, directed advice with specific, boot camp style "assignments" that are framed with compassion and humor. Appropriate for both the newly bereaved as well as those who may have been grieving for years, *Loss is a Four-Letter Word* is also ideal for those who wish to best support the bereaved through a most

challenging life-journey.

### **Love is a Four Letter Word**

Holy Is a Four-Letter Word responds to the need for an accessible and simple articulation of the holy life, and what it means for the collective church as well as for individual believers. This goal is accomplished by taking the fundamental tenants of holiness doctrine and shaping them around twelve four-letter words: (1) Holy, (2) Self, (3) Full, (4) Pure, (5) Will, (6) Mind, (7) Body, (8) Love, (9) Rest, (10) Life, (11) Sent, and (12) Call. Each chapter deals with holy living according to scripture as it pertains to each four-letter word. Setting the concept of holiness against the backdrop of modern (and often profane) media culture accomplishes two objectives: (1) it reveals the relevance and urgency of holy living amongst a super-charged, secular media culture, and (2) defining holy living, first and foremost, by what it is not thereby accentuating "holy" as being set a part for the purposes of God.

### **Rationing Is Not a Four-Letter Word**

Cowritten by USA Today best-selling author Tara Sivec and award-winning narrator Andi Arndt, a hysterically funny, heartfelt romance about starting over and taking chances. Nothing good ever comes from drinking a box of wine alone. So when I decided to entertain my drunken self by setting up some hand-me-down podcasting equipment and reading the steamy parts from romance novels, I never thought anyone would actually listen. The fact that I admitted my huge crush on my sexy next door neighbor made the whole thing even more mortifying. But sometimes life surprises you, and that's how my podcast, Heidi's

Discount Erotica, was born. Now I, Heidi Larsen, a sweet former kindergarten teacher in Waconia, Minnesota, lead a scandalous double life reading erotic novels to the listening world. And with each episode, I find myself embracing my new alter ego more and more. Now I'm starting to feel more comfortable in my own skin and do things I never would have dreamed of - like kissing my neighbor. Look out, Waconia, because Heidi's on the loose! She's in your ears, in your hearts, and down your pantswait, that didn't sound as good as it did in my head. Well, you get the picture, don'tcha know!

Eight friends. One game. A dozen regrets. And a night that will ruin them all, in this high-stakes gripping story of manipulation and innocence lost, from the author of *Bleed Like Me*. Chloe Sanders is ready for a change. She's tired of watching her best friend Eve turn away from her for the more interesting and popular Holly

Reed, and tired of living with her grandparents while her parents volunteer overseas. Chloe spends her days crushing on a guy named Mateo, being mostly ignored by Eve and Holly, and wishing the cornfields of Iowa didn't feel so incredibly lonely. Then a new girl transfers to her high school—Chloe Donnelly. This Chloe is bold and arty and instantly placed on a pedestal by Eve and Holly. Now suddenly everyone is referring to Chloe Sanders as “Other Chloe” and she figures the only thing to do is go with it. Chloe Donnelly introduces all her friends to a dangerous game: a girls vs. guys challenge that only has one rule—obtain information by any means necessary. Chloe Donnelly's got power over everyone—secrets she's exploiting—and she uses it to keep them all playing. When the game turns nasty, soft-spoken Mateo chooses Other Chloe to help him expose everything Chloe Donnelly has done. But neither realize just how much the truth could cost them in the end.

James Stevens, a professional in the field of advertising, suffers through another steamy Midwest summer and the grueling hours of his job, only to realize he's on the edge of physical and psychological burnout. Confronting the situation, he arranges a short vacation to help reestablish some balance in his life. Involved in a rather questionable relationship at the time, Stevens' significant other gives strong opposition to his taking a solo vacation. Despite her objection, he accepts an offer from an old friend to

meet at an event in the Southwest. He also arranges an overnight trek on horseback into a land that has always captivated his curious mind. Stepping away from the pressures of his job and a hectic urban environment, he responds to the forces of nature and confronts certain issues in his life. Stevens also examines the illusions of the contemporary world he helped to create through his professional endeavors. During a one-on-one tour of a remote canyon, Stevens finds his hired guide doubles as a spiritual mentor helping him to see things in a new light. Plagued by unnatural and supernatural events on their journey, he develops a strong bond with this guide. He then returns home -- life turned upside-down from his vacation experience. Back in his usual environment, Stevens soon realizes he brought home an intangible souvenir determined to change him, so he not only struggles with the unexplainable anomalies he encountered on his trip, but deals with a force that is relentlessly acting on him to alter his ways. Over the course of a few months a battle ensues in Stevens' mind between his comfort zone and the unknowns that go with the challenge of a brave new life. He winds up faced with some very tough choices in order to seek the happiness he's been longing for.

From the first female real estate broker on Million Dollar Listing LA, a no-bullshit guide to analyzing big egos, deflecting power plays, and taking control of any room. Behind Tracy Tutor's entertaining on-screen persona is an uncanny knack for projecting confidence in the most intimidating of circumstances. The breezy, tough-talking, utterly inimitable LA real estate broker has rivaled her male co-stars to land increasingly high-profile deals. Now Tracy is leveraging her years of experience to write the go-to manual for women who struggle to convince people they're in charge. The first step in Tracy's system for confidence is to figure out what people want and how they operate. From there, simply push the right levers of influence. Through candid, hilarious stories of her

rise through the male-dominated world of high-end real estate (text message screen shots from creeps included ), Tracy offers a crash course in the psychology of power dynamics and social signaling. You'll walk away knowing: - What five things you should always find out about someone before you're in a room with them - How to communicate confidence with any outfit, even if you're dressing on a budget - The different types of humor you can use to lighten up and empower yourself in any meeting This book is a must-read for any ambitious woman who wants to learn not only how to be in important rooms but how to run them.

Prostate cancer is the second leading cause of cancer death in American men today, closely following lung cancer. About one man in six will be diagnosed with prostate cancer during his lifetime. But only one in 35 will die from it. More than two million men in the United States who have been diagnosed at some point are still alive today. I am one of them. My book, *Cancer is a Four-Letter Word: A Pilgrimage into the Emotional, Sexual, and Spiritual Aspects of Prostate Cancer*, chronicles my own experience with this terrible disease. From early diagnosis, fear, and panic, to shopping for the best treatment, to surgery and subsequent recovery, I trace not only the physical

journey of getting my stamina and good health back, but also the psychological and sexual implications. My format includes an interweaving of my own story of prostate cancer with other men's stories, along with open-ended questions at the end of each chapter to keep men and their partners talking late into the night. There's also a resource list to provide support for a lifetime. Although concise and easy to read, my book doesn't hold back any personal details. Readers will learn what to expect in regard to diapering oneself post-surgery, working through debilitating depression, and forging the uncharted territory of a different kind of sexual intimacy. More importantly, they'll hear about learning to accept support from loving friends and how to talk to God in a whole new way. Rarely does a reader find an account of experiencing God's overwhelming love and grace in the same chapter as explicit details on how to give oneself penile injections to overcome erectile dysfunction!

Kale has invaded our culture as the go-to food for healthy living, appearing everywhere on restaurant menus, in grocery stores, and in beauty products like soaps and scrubs. For some, the vitamin load and beneficial fiber cannot outweigh the bitterness and texture of this member of the cabbage family. For those people, kale has ignited a passionate response, often reflected in internet memes and T-shirt slogans. This collection of short stories shows kale in a new light. A couple of tales are horror stories about kale's effect on a life; another one describes a speculative history of kale; one is a murder mystery where kale

plays an unusual role; and one is a fantasy about kale's rivalry with cauliflower. This book also features delicious kale recipes.

With her parents splitting up, 16-year-old Sammie Davis may not want to feel a thing, but feelings happen. For starters, she's plenty angry. Her dad's leaving their upstate New York home and moving clear across the country. Her mother—well, she's packing up and relocating to New York City with Sammie, who has no say about any of it. Overnight Sammie is forced to deal with change. And one change spawns another: Roles get reversed, old and new friendships tested, and sexual feelings awakened. It's a scary time. But as Sammie realizes that things can't stay the same forever, that even the people she loves and trusts the most can disappoint her, she begins to accept that change isn't always

bad. It's how you cope, jumbled feelings and all, that counts. And as she copes, Sammie's sense of self emerges proud and strong.

Trade myths, busted and debunked, with the help of six surprising everyday goods—the taco salad, the Honda Odyssey, the banana, the iPhone, the college degree, and the blockbuster HBO series Game of Thrones Trade allows us to sell what we produce at home and purchase what we don't. It lowers prices and gives us greater variety and innovation. Yet understanding our place in the global trade network is rarely so simple, and today's workers are wary of being taken advantage of. Trade has become an easy excuse for struggling economies, a scapegoat for our failures to adapt to a changing world, and—for many Americans on both the right and the left—nothing short of a four-letter word. But as Fred P. Hochberg reminds us, trade is easier to understand than we commonly think. In Trade Is Not a Four-Letter Word, you'll learn how NAFTA became a populist punching bag on both sides of the aisle. You'll learn how

Americans can avoid the grim specter of the \$10 banana. And you'll finally discover the truth about whether or not, as President Trump once famously tweeted, "trade wars are good and easy to win." (Spoiler alert—they aren't.) Hochberg unravels the mysteries of trade by pulling back the curtain on six everyday products, each with a surprising story to tell: the taco salad, the Honda Odyssey, the banana, the iPhone, the college degree, and the smash hit HBO series *Game of Thrones*. Behind these six examples are stories that help explain not only how trade has shaped our lives so far but also how we can use trade to build a better future for our own families, for America, and for the world. There is no going back. *Trade Is Not a Four-Letter Word* is the antidote to today's acronym-laden trade jargon pitched to voters with simple promises that rarely play out so one-dimensionally. It's time to read between the lines. Packed with colorful examples and highly digestible explanations, *Trade Is Not a Four-Letter Word* entertains as it dispels popular misconceptions and arms readers with a thorough grasp of the basics of trade.
