Whores in History

This brief edition offers the unsurpassed social history of A History of Western Society in an accessible, lively format. Short enough to use with supplements and more affordable than its parent text, A Brief History retains the sustained attention to daily life, the rich art and map program, and all of the special features of the full-length edition. Extensive study aids help students comprehend the material and prepare for exams. Now you can have it all in a briefer book.

A History of Western Society, Complete Edition (Volume I & II)

A History of Western Society continues to capture the attention of AP European history students because it recreates the lives of ordinary people and makes history memorable. Brought to you by the highly regarded editors at Bedford/St. Martins, every element of the text has been rethought, reconsidered, and revised to bring the original vision to a new generation of students. The tenth edition continues to tie social history to the broad sweep of politics and culture,

heightening its attention to daily life, and strengthening the treatment of European exploration. With a dynamic new design, new special features on visual evidence, and a robust companion reader, A History of Western Society helps AP students master the concepts and content of European history.

Loose-leaf Version for A History of Western Society

Praised by instructors and students alike for its readability and attention to everyday life, A History of Western Society, Value Edition offers the full narrative of the parent text in a two-color, trade-sized text with select images and maps at an affordable price. This edition includes many tools to engage today's students and save instructors time, five chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout.

A History of Western Society, Value Edition, Combined

This book focuses on the forces of social change and what they have meant in the lives of the people caught in the middle of them from medieval times through our current era of globalization.

History of Western Philosophy

Long praised by instructors and students alike for its readability and attention to everyday life, the eleventh edition of A History of Western Society includes even more built-in tools to engage today's students and save instructors time. This edition features a brand-new, comprehensive primary source program in-text and online, expanded chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Enhanced with a wealth of digital content—including carefully developed online document assignments for each chapter with auto-graded exercises—the eleventh edition provides easily assignable options for instructors and novel ways for students to master the content. Now integrated with LearningCurve, an adaptive online resource that helps students retain the material and come to class prepared.

Children and Childhood in Western Society Since 1500

The first Western civilization text to make social history its focus, A History of Western Society, Ninth Edition, remains unsurpassed in its integration of everyday life in the broad sweep of Western history. The enduring appeal of social history is strengthened in the new edition with fresh scholarship on gender and cultural history contributed by new authors Merry

E. Wiesner-Hanks and Clare Haru Crowston. Compelling writing, fascinating details about daily life, and engaging special features help students identify with peoples of the past, while the authors' sustained attention to cultural, economic, political, and diplomatic history ensures a balanced, integrated narrative.

A History of Western Society, Volume B

Studying Contemporary Western Society

A thorough, lively and accessible overview of Western feminist movements from the Middle Ages through to the latter twentieth century.

A History of Western Society, Value Edition

Publisher Description

Church and State in Western Society

Hailed as “lucid and magisterial” by The Observer, this book is universally acclaimed as the outstanding one-volume work on the subject of Western philosophy. Considered to be one of the most important philosophical works of all time, the History of Western Philosophy is a dazzlingly unique exploration of the ideologies of significant philosophers throughout the ages—from Plato and Aristotle through to Spinoza, Kant and the twentieth century. Written by a man who changed the history of philosophy himself, this is an account that has never been rivaled since its first publication over sixty years ago. Since its first publication in 1945, Lord Russell’s A History of Western Philosophy is still unparalleled in its comprehensiveness, its clarity, its erudition, its grace, and its wit. In seventy-six chapters he traces philosophy from the rise

of Greek civilization to the emergence of logical analysis in the twentieth century. Among the philosophers considered are: Pythagoras, Heraclitus, Parmenides, Empedocles, Anaxagoras, the Atomists, Protagoras, Socrates, Plato, Aristotle, the Cynics, the Sceptics, the Epicureans, the Stoics, Plotinus, Ambrose, Jerome, Augustine, Benedict, Gregory the Great, John the Scot, Aquinas, Duns Scotus, William of Occam, Machiavelli, Erasmus, More, Bacon, Hobbes, Descartes, Spinoza, Leibniz, Locke, Berkeley, Hume, Rousseau, Kant, Hegel, Schopenhauer, Nietzsche, the Utilitarians, Marx, Bergson, James, Dewey, and lastly the philosophers with whom Lord Russell himself is most closely associated—Cantor, Frege, and Whitehead, coauthor with Russell of the monumental Principia Mathematica.

Fabricating Women

Putting Asunder

Praised by instructors and students alike for its readability and attention to social history, the Value Edition of A History of Western Society is a brief, affordable text that brings the past to life. The two-color Value Edition includes the full narrative of the comprehensive edition and select maps and images. Understanding Western Society: A History, Combined Volume

Few anthropologists today realize the pioneering role Margaret Mead played in the investigation of contemporary cultures. This volume collects and presents a variety of her essays on research methodology relating to contemporary culture. Many of these essays were printed originally in limited circulation journals, research reports and books edited by others. They reflect Mead's continuing commitment to searching out methods for studying and extending the anthropologist's tools of investigation for use in complex societies. Essays on American and European societies, intergenerational relations, architecture and social space, industrialization, and interracial relations are included in this varied and exciting collection.

Western Society

This is an exceptional book. In it, Hugh Cunningham surveys changing concepts of childhood, and the changing experience of being a child, in Europe and North America across five centuries. In so doing he also reviews - and at many points challenges - the recent historiography of the subject.

A History of Western Society

Best-selling author Jackson Spielvogel has helped over one million students learn about the present by exploring the past. Spielvogel's engaging narrative weaves the political, economic, social, religious, intellectual, cultural, and military aspects of history into a gripping story that is as memorable as it is instructive. WESTERN CIVILIZATION includes 155 maps and excerpts of more than 250 primary sources that enliven the past while introducing students to the source material of historical scholarship. Additionally, the text is illustrated with 430 photographs that add visual context. A variety of pedagogical tools, including features on relevant films and end-of-chapter study aids, make this edition accessible to any learning style. The new AP 9th edition includes new content relating to the redesigned course and exam—chapter openers, new document questions, the end of chapter practice questions, and slightly adapted DBQs. This updated AP Edition also includes additional resources correlating to the redesigned European History AP framework. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A History of Western Society, Volume 1

Ranging from ancient times to the present, a survey of the evolution of the prison explores its relationship to the history of

Western criminal law and offers a look at the social world of prisoners over the centuries

A History of Western Society, Value Edition, Combined

The role of religion as a contentious and motivating force in society is examined here through the lens of the church-state dynamic in countries with three very different approaches to this crucial relationship. Focusing on the United Kingdom, where there is official recognition of one religion by the state, the United States, where law imposes a separatism between religion and the state and Germany, where there is cooperation between the church and state, this book compares these three models. It describes the components of each model, illustrates their operation and uses case law to examine what each model might learn from the other. Controversial and timely issues such as the refusal of medical treatment on religious grounds, the wearing of Islamic headscarves and ritual animal slaughter are discussed with new insight, providing a comprehensive review of varied approaches to law, government and religious freedom.

Western Civilization: Since 1300, Updated AP Edition

The first book of its kind, *Forensic Medicine in Western Society: A History* draws on the most recent developments in the historiography, to provide an overview of the history of forensic medicine in the West from the medieval period to the present day. Taking an international, comparative perspective on the changing nature of the relationship between medicine, law and society, it examines the growth of medico-legal ideas, institutions and practices in Britain, Europe (principally France, Italy and Germany) and the United States. Following a thematic structure within a broad chronological framework, the book focuses on practitioners, the development of notions of 'expertise' and the rise of the expert, the main areas of the criminal law to which forensic medicine contributed, medical attitudes towards the victims and perpetrators of crime, and the wider influences such attitudes had. It thus develops an understanding of how medicine has played an active part in shaping legal, political and social change. Including case studies which provide a narrative context to tie forensic medicine to the societies in which it was practiced, and a further reading section at the end of each chapter, Katherine D. Watson creates a vivid portrait of a topic of relevance to social historians and students of the history of medicine, law and crime.

The Oxford History of the Prison

Examines the development of religious and social attitudes towards divorce, discusses previous alternatives to divorce, and argues that the family has become less stable

LaunchPad for A History of Western Society (Six Month Access)

This book investigates the relationship between ideas about childhood and the actual experience of being a child, and assesses how it has changed over the span of five hundred years. Hugh Cunningham tells an engaging story of the development of ideas about childhood from the Renaissance to the present, taking in Locke, Rosseau, Wordsworth and Freud, revealing considerable differences in the way western societies have understood and valued childhood over time. His survey of parent/child relationships uncovers evidence of parental love, care and, in the frequent cases of child death, grief throughout the period, concluding that there was as much continuity as change in the actual relations of children and adults across these five centuries. For undergraduate courses in History of the Family, European Social History, History of Children and Gender History.

Strive for a 5 for History of Western Society Since 1300 for Advanced Placement

A History of Western Society + Achieve, Read & Practice for a History of Western Society, Value Edition, 13th Ed., Twelve Months Access

Now from Bedford/St. Martin's, A History of Western Society is one of the most successful textbooks available because it captures students' interest in the everyday life of the past and ties social history to the broad sweep of politics and culture. The tenth edition has been thoroughly revised to strengthen the text's readability, heighten its attention to daily life, and incorporate the insights of new scholarship, including an enhanced treatment of European exploration and a thoroughly revised post-1945 section. With a dynamic new design, new special features, and a completely revised and robust companion reader, this major revision makes the past memorable and accessible for a new generation of students and instructors.

History of Western Society Since 1300 for Advanced Placement

We are arguably living in a 'postideological' era. However, when we tune into the TV news we can hear political leaders talk about 'advanced' societies, geopolitical experts suggest 'humanitarian' interventions, and sober events presenters qualify a murder as 'barbaric'. What does this mean? In this comprehensive book, Rolf Petri reveals how our everyday political language is full of ideological representations of the world, and places them in an accessible historical narration. From the secularization of Europe and the Enlightenment project of 'civilization' to the contemporary preoccupation with ecological catastrophes or the end of history, A Short History of Western Ideology carves out the central elements of western ideology.

It focuses on a wide variety of issues including religion, colonialism, race and gender, which are essential for how we conceive of the modern world. By creating an awareness of the ideological character of the western worldview, its limits and its flaws, this book warns us of the dangers that derive from a self-righteous mindset. It is stimulating and important reading for history and politics students seeking to understand the ideology of the western world.

In Their Time

Praised by instructors and students alike for its readability and attention to everyday life, the new Concise Edition of A History of Western Society provides the full narrative of the comprehensive edition, as well as a selection of features and tools to engage today's students and save instructors time. For instructors who want the easiest and most affordable way to ensure students come to class prepared, Achieve Read & Practice pairs LearningCurve adaptive quizzing and our mobile, accessible Value Edition e-book, in one easy-to-use product.

A History of Western Society: From antiquity to the Reformation

Forensic Medicine in Western Society

The history of the Western church in the Middle Ages is the history of the most elaborate and thoroughly integrated system of religious thought and practice the world has ever known. It is also the history of European society during eight hundred years of sometimes rapid change. This authoritative history shows how the concept of an organized human society, both religious and secular, as an expression of a divinely ordered universe, was central to medieval thought. Professor R. W. Southern's book covers the period from the eighth to the sixteenth century, highlighting the main features of each medieval age and studying the Papacy, the relations between Rome and her rival Constantinople, the bishops and archbishops and the various religious orders in detail, providing a superb study of the period.

History of Western Society

Praised by instructors and students alike for its readability and attention to social history, the Value Edition of A History of Western Society is a brief, affordable text that brings the past to life. The two-color Value Edition includes the full narrative of the comprehensive edition and select maps and images. Networks of Power

Based on the highly acclaimed A History of Western Society, this Brief Edition offers a welcome new approach for today's classrooms. A full-color design, extensive learning aids, rich illustration program, and affordable price combine with lively, descriptive writing and compelling first-hand accounts to provide the most vivid account available in a concise edition of what life was like for peoples of the past.

Children and Childhood in Western Society Since 1500

A History of Western Society, Volume 2

Awarded the Dexter Prize by the Society for the History of Technology, this book offers a comparative history of the evolution of modern electric power systems. It described large-scale technological change and demonstrates that technology cannot be understood unless placed in a cultural context.

A History of Western Society, Combined Volume

The Modernization of the Western World

Roberts' vivid, challenging, and impressively researched defense of the unrepentant whore, whom she regards as the most maligned woman in history, tells the story of the prostitute with hundreds of anecdotes of bawdy-house and brothel life. Her arguments will engage male "experts" and feminist "sisters" alike. Illustrations.

Social Welfare in Western Society

Now from Bedford/St. Martin's, A History of Western Society is one of the most successful textbooks available because it captures students' interest in the everyday life of the past and ties social history to the broad sweep of politics and culture. The tenth edition has been thoroughly revised to strengthen the text's readability, heighten its attention to daily life, and incorporate the insights of new scholarship, including an enhanced treatment of European exploration and a thoroughly revised post-1945 section. With a dynamic new design, new special features, and a completely revised and robust companion reader, this major revision makes the past memorable and accessible for a new generation of students and instructors.

Western Society and the Church in the Middle Ages

The lively and accessible narrative and the hallmark focus on social and cultural history that has made A History of Western Society one of the most successful textbooks for the Western civilization course is now available at a greatly reduced cost. The new Value Edition of A History of Western Society includes the full narrative, the popular "Individuals in Society" feature, and select primary sources, images, and maps. Available with all of the integrated media and supplements of the full text—including access to LearningCurve, Bedford's new online adaptive learning resource, and new online document assignments—the Value Edition offers a wealth of resources for students and more flexibility for instructors, all at an extremely affordable price. To see an example of the new Online Document Assignment from Chapter 14, [click here](#).

A Short History of Western Ideology

Now from Bedford/St. Martin's, A History of Western Society is one of the most successful textbooks available because it captures students' interest in the everyday life of the past and ties social history to the broad sweep of politics and culture. The tenth edition has been thoroughly revised to strengthen the text's readability, heighten its attention to daily life, and incorporate the insights of new scholarship, including an enhanced treatment of European exploration and a thoroughly revised post-1945 section. With a dynamic new design, new special features, and a completely revised and robust companion reader, this major revision makes the past memorable and accessible for a new generation of students and instructors.

The Eastern Origins of Western Civilisation

Understanding Western Society, Second Edition, features a brief, question-drive narrative that models for students the inquiry-based methods used by historians and helps students understand what's really important to know about Western civilization.
