Investigative team Blake and Avery find themselves entangled in a case involving political conflicts, personal vendettas, and England's first celebrity chef. London, 1842. Captain William Avery is persuaded to investigate a mysterious and horrible death at the Reform, London's newest and grandest gentleman's club—a death the club is desperate to hush up. What he soon discovers is a web of rivalries and hatreds, both personal and political, simmering behind the club's handsome façade. At the center is its resident genius, Alexis Soyer, "the Napoleon of food," a chef whose culinary brilliance is matched only by his talent for self-publicity. But Avery is distracted, for where is his mentor and partner in crime Jeremiah Blake? And what if this first death is only a dress rehearsal for something far more sinister? From the Hardcover edition.

## Adventure Time

The first in a sexy contemporary romance series featuring the Lawless siblings--from New York Times bestselling author Lexi Blake. The Lawless siblings are bound by vengeance. Riley, Drew, Brandon, and Mia believe the CEO of StratCast orchestrated their parents' murder twenty years ago to steal their father's software program. And there's only one way Riley can find some solid evidence Heir to the StratCast legacy, Ellie Stratton hires a new attorney to handle a delicate business matter--and she's shocked by her attraction to him. Over the course of a few weeks, Riley becomes her lover, her friend, her everything. But when her life is threatened, Ellie discovers that Riley is more obsessed with settling an old score than in the love she thought they were building. And Riley must choose between a revenge he's prepared for all his life and the woman he's sure he can't live without

Experience World War 2 through the eyes of two very different women in this captivating New York Times bestseller by the author of *The Guest Book*. “A beautifully written, thought-provoking novel.”—Kathryn Stockett, #1 New York Times bestselling author of *The Help* In 1940, Iris James is the postmistress in coastal Franklin, Massachusetts. Iris knows more about the townspeople than she will ever say, and believes her job is to deliver secrets. Yet one day she does the unthinkable: slips a letter into her pocket, reads it, and doesn't deliver it. Meanwhile, Frankie Bard broadcasts from overseas with Edward R. Murrow. Her dispatches beg listeners to pay heed as the Nazis bomb London nightly. Most of the townspeople of Franklin think the war can't touch them. But both Iris and Frankie know better *The Postmistress* is a tale of two worlds—one shattered by violence, the other willfully naïve—and of two women whose job is to deliver the news, yet who find themselves unable to do so. Through their eyes, and the eyes of everyday people caught in history's tide, it examines how stories are told, and how the fact of war is borne even through everyday life.

Television past, as LP Hartley might have once said, is another country. And, in the early 1980s it certainly was a different beast. There were still only three channels to watch; the evening's programmes finished with the playing of the national anthem; and the biggest prize on TV was not Chris Tarrant's million pounds but a speedboat on Bullseye . . . But as Tom Bromley suggests in this funny and warming memoir, all that was about to change: The 1980s saw the end of the original golden era of television, and the beginnings of TV as we know it today. In 1982, Channel 4 became the first new terrestrial channel for almost twenty years and by the end of the decade, Rupert Murdoch's Sky Television was vying to become Britain's first multi-channel provider. The result of all this was that slowly but surely, British viewers had more choice than ever before and the cost of this choice was the erosion of television as a shared national event. And no-one felt this change more deeply than Tom Bromley. Television played a large part in Tom's childhood. His first word was 'two', as in BBC Two, and his earliest childhood memory is seeing Johnny Ball at a church fete. With great humour and affection, Tom Bromley tells the story of a childhood spent with his three siblings and that other all-important family member; the television set.

## **The Athenaeum**

The Dynasty Years documents and analyses in detail 'the Dynasty phenomenon', the hotly debated success of the Hollywood-made 'Rolls Royce of a primetime soap' which heralded a profound transformation of European television. From the operatic camp of Krystle and Alexis' fight in the lilypond or the Moldavian wedding massacre to the unprecedented gay sub-plot, Dynasty represented, in the words of co-producer Esther Shapiro, "the ultimate dollhouse fantasy for middle-aged women". Using evidence from audience survey results, newspaper and magazine clippings and letters to broadcasters and drawing on semiotics, psychoanalysis, feminism and critical social theories, Jostein Gripsrud examines every aspect of Dynasty's production, reception and context. The result is a groundbreaking critical study. Jostein Gripsrud offers a theoretical but empirically grounded critique of many central positions in media studies, including notions of 'audience resistance' and the 'sovereign' audience and its freedom in meaning-making, arguing against what he perceives as the uncritical celebrations of the soap-opera genre in much contemporary media criticism.

Americans began the twentieth century standing in Europe's sartorial shadow, yet ended by outfitting the world in blue jeans, T-shirts and sneakers. How did this come about? What changes in American culture were reflected in fashion? What role did popular culture play? This important overview of American fashion in the twentieth century considers how Americans went from imitating British and French fashion to developing their own sense of style. It examines such influences on dress as class, jazz and hip hop, war, the space race, movies, television and sports. Further, the book shows how gender, psychology, advertising, public policy, shifting family values, the American design movement and expertise in mass production profoundly influenced an American style that has been exported across the globe. From New York City's Bohemians to Hollywood's stars, Twentieth-Century American Fashion reveals the continuing importance of clothing to American identity and individual experience.

Music brought them together. Chrissie, Roxanne, Carly and Anita are best friends. They are also an eighties pop sensation outselling and out-classing their competition. Until it all comes to an abrupt end and three of their careers are over, and so is their friendship. Betrayal tore them apart. In their three decades apart, life was far from the dream they were living as members of The Thunder Girls. Breakdowns, bankruptcy, addiction and divorce have been a constant part of their lives. They've been to hell and back, and some are still there Now their old record label wants the band back together for a huge money-making concert. But the wounds are deep and some need this gig more than others. Thirty years later, can lightning strike twice?

Book 2 in The Crystal Series Alexis Crystal is finally close to getting 24/7 sizzling satisfaction. With a ring on her finger from James Wilcox and the woman she loves firmly between her sheets, no one can match Alexis when it comes to scheming. And her duplicity just makes her better at helping her siblings get revenge on the lovers who are doing them wrong . . . Devereaux Crystal is the producer of TV's hottest new show, engaged to sexy entrepreneur Phoenix, and will do anything for their adorable two-year-old, Nya. But lately Devereaux is starting to question whether Phoenix will ever make his own success, much less set a wedding date. Soon, his seductive excuses lead her to an unthinkable truth: Ebony, the fiery star of Devereaux's series, is keeping Phoenix at her beck and call. With the help of her sisters, Devereaux sets out to blow up Phoenix's house of lies. But the explosion ignites its own chain of devastating consequences. Because no one should mess with the Crystal women without expecting some fierce payback . . . "Blake and her daughters are sexy, loyal, and quick to have each other's back." —Library Journal on Baby, You're the Best

### **Just Can't Let Go**

Book 1 in The Crystal Series Blake Crystal is at the top of her game, professionally, financially, and personally. At fifty, she has four wonderful, grown daughters—not to mention a new younger lover who takes her in breathtaking directions—in and out of the bedroom On the surface, Alexis Crystal is an ideal daughter. Confident and beautiful, she can have any man or woman she wants, so she has both. But she's left unsatisfied by one thing: her father is listed as unknown on her birth certificate. Their mother has kept him a secret for twenty-six years, and the same is true for Alexis's three sisters. But Alexis is determined to discover the truth. And as all the Crystal women celebrate Blake's big birthday, they realize that to get what they want, they'll have to lie, seduce—and if necessary, betray each other . . . "Blake and her daughters are sexy, loyal, and quick to have each other's back . . . most of the time." —Library Journal

## **The New York Dramatic Mirror**

Mary Shelley's *Frankenstein*, a story she wrote at the age of 19, is still a popular tale to this day, remarkable not only for its striking plot but also its Romantic elements. Part of the Bloom's Classic Critical Views series, this book includes selections of some of the best historical criticism about Mary Shelley and her works.

## **Obsidian Butterfly**

#1 New York Times bestselling author Laurell K. Hamilton offers a sexy, suspenseful novel of human—and inhuman—passions, as vampire hunter Anita Blake must repay a favor to a man almost as dangerous as the ancient evil she's about to face. Edward is a hit man, specializing in monsters, vampires, shapeshifters, anything and everything. There are people like Anita who do it legal, but Edward doesn't sweat the legalities, or, hell, the ethics. He's an equal opportunity killer. Anita may be one of the few friends that Edward has, but it's like being friends with a tame leopard. It may curl up on the foot of your bed and let you pet its head, but it can still eat your throat out.
