Taryn Joyner never thought much about sex and never in her wildest dreams imagined that she'd wind up working in an 'adult' store for a living. But that's exactly where she is at 25 years old, starting a night job at Dreamz, Tampa, Florida's premiere porno shop. Surrounded by dildos, handcuffs, and latex clothes, Taryn isn't sure what to make of her new surroundings, not to mention the wacky store owner who parades around in lingerie, but then a familiar face walks into the store and her world begins to change... Now you can guide Taryn through her "sexploration" as she discovers the amazing things that Dreamz, and its customers, have to offer. Will she have a steamy one-night stand with a lesbian toy seller? Will she learn the finer points of vibrator masturbation? Will she teach a tantric sex class? And most importantly, will she learn to open herself to the full realm of possible sexuality? The choice is yours!

Girlvert

The pendulum has shifted in Catherine's life once again. Four years after peeling back the curtain on The Janus Chamber, we find her now ironically working as a political journalist, settled into a mundane routine and dating life because she chose to tell the truth about Inana Luna instead of embracing a life of decadence with The Juliette Society. Meeting a man who reignites her passion for cinema and guilt-free sex makes her realize what she's been missing, but an unwanted scandal douses the flame. Forced to lay low, she finds an opportunity to take back her career with a human interest story in Honduras, but there are people who see Catherine's article as a threat and will do everything they can to stop her from writing. The world she finds is unlike anything she's ever seen. Catherine is The Mismade Girl, and as her life is turned upside down, she must choose to either perish . . . or be remade anew.

Insatiable

A few years have passed since Catherine's time in the The Juliette Society, but things haven't been going the way she planned. Her life with her fiancé Jack has become predictable and boring, especially in the bedroom. Now working as a journalist, she struggles to find inspiration in her work or at home - until she starts writing about the death of a publicly beloved model, Inana Luna, whose experiences reflect Catherine's own blossoming sexuality and independence. What started as a routine story quickly becomes Catherine's obsession as she follows the tale of a woman whose tracks take her down a road with too many familiar facets: a fascination with kink, lustful men, and some very sexy intrigue. Like the Roman god Janus, Catherine is simultaneously looking to the past and the future. Can her experiences with The Juliette Society, along with Inana's diary, help her figure out what she really wants in life, love, and sex? Or will the story drag her back down into a tantalizing world from which she might not be able to escape a second time?

Unclean Jobs for Women and Girls

When British troops first deployed to Northern Ireland in 1969, to halt the threat of a new rising force - the Provisional Irish Republican Army - they could not have known that the longest campaign in the British Army's history was beginning. While patrols, vehicle bombs and incendiary speeches are the defining memories of the Troubles, the real war was fought out of sight and out of mind. For thirty years, Britain's Special Forces waged a ferocious, secretive struggle against a ruthless and implacable enemy. Harry McCallion offers a unique insight into nearly every major military action and operation in the Province, having served seven tours with the Parachute Regiment, passed selection for 14 Intelligence Company, completed six years with the SAS anti-terrorism team, and joined the Royal Ulster Constabulary, receiving two commendations for bravery during his service. This book is his blistering account of the history of Britain's war against the IRA between 1970 and 1988 - the most murderous years of the conflict - drawn from his own operational experience and backed by first-hand accounts and unpublished documents. From new insights into high-profile killings and riveting accounts of enemy contact, to revelations about clandestine missions and strategies in combating a merciless enemy, Undercover War is the definitive inside story of the battle against the IRA, one of the most dangerous and effective terrorist organisations in recent history.
