The Asian Development Bank (ADB) is committed to achieving a prosperous, inclusive, resilient, and sustainable Asia and the Pacific, while sustaining its efforts to eradicate extreme poverty. It assists its members and partners by providing loans, technical assistance, grants, and equity investments to promote social and economic development.

## **Financial markets under the global pandemic of COVID-19**

Unlike the global financial crisis in 2008, and the Asian financial crisis in 1997, Malaysia's COVID-19 crisis is a public health crisis first, and an economic crisis second. Following this, economists generally agree that economic policy should focus mainly on bolstering public health efforts in handling the pandemic whilst ensuring the welfare of the rakyat and businesses.

Deep trade agreements are important institutional infrastructure for regional integration. They reduce trade costs and define many rules in which economies operate. If efficiently designed, they can improve policy cooperation across countries, thereby increasing international trade and investment, economic growth and social welfare. World Bank Group research finds that: Deep agreements boost
