LOVE RISES is pure, well, not so pure, fiction based on fact. A young Confederate lieutenant and a daring, older woman break all the taboos of the South in their efforts to survive a war-shattered world. When the Civil War ends, dashing Confederate Lieutenant Charlie Irving helps Julia's husband, General Robert Toombs, flee to France to avoid Union charges for treason. For years, Charlie has lusted after Julia even though she is a married woman twenty years his senior, and the South's most celebrated beauty. Under Charlie's smoldering looks, Julia goes weak in the knees and dreams of falling with Charlie on the thick, Persian carpet in her mansion's parlor. The aftermath of war offers a world based on survival and a chance to explore their passion if the two can survive the North's continuing effort to crush the South. But Julia still loves her husband, and code-of-honor-bound Charlie has sworn to take care of Julia in the General's absence. Is General Toombs' desperate plea to Charlie to do whatever is necessary to keep his wife safe and happy, curse or blessing on what the future holds?

## The World Needs More Purple People

A restless London wife escapes to the Arizona desert to find passion and danger in an “impassioned blockbuster” of a love story (The Independent). Jumping at the chance to spend a year away from her claustrophobic marriage to a workaholic British developer, Alice Coleman takes her two small children to the American desert lands between Arizona and the Mexican border. But the unpredictable southwest has room for the dreams of more than one fugitive. There’s Benjamin, the kindly Mexican caretaker of an abandoned mining town; the desperate immigrants who risk their lives to cross the border; and the laconic cowboy Henry Duval, whose rugged charms are as irresistible to Alice, as his secrets are dark. But when Alice’s husband arrives, the sun-scorched sanctuary turns dangerous. Now Alice must decide how much she is willing to sacrifice in order to preserve not only her freedom, but Benjamin and Duvall’s as well. Both a perilous love story and a compelling exploration of the tension between unrealized ambitions and the pull of family, *Midnight Cactus* is an “absorbing . . . lively meditation on how far people will go to escape the past” (Entertainment Weekly).

## Midnight Sun

"A haunting, evocative tale that left me both richly satisfied and deeply unsettled – yet another Tanabe triumph. Captivating, suspenseful, and full of surprises." —Fiona Davis, national bestselling author of *The Masterpiece* A faraway land. A family’s dynasty. A trail of secrets that could shatter their glamorous lifestyle. On a humid afternoon in 1933, American Jessie Lesage steps off a boat from Paris and onto the shores of Vietnam. Accompanying her French husband Victor, an heir to the Michelin rubber fortune, she’s certain that their new life is full of promise, for while the rest of the world is sinking into economic depression, Indochine is gold for the Michelins. Jessie knows that the vast plantations near Saigon are the key to the family’s prosperity, and though they have recently been marred in scandal, she needs them to succeed for her husband’s sake—and to ensure that the life she left behind in America stays buried in the past. Jessie dives into the glamorous colonial world, where money is king and morals are brushed aside, and meets Marcelle de Fabry, a spellbinding expat with a wealthy Indochinese lover, the silk tycoon Khoi Nguyen. Descending on Jessie’s world like a hurricane, Marcelle proves to be an exuberant guide to colonial life. But hidden beneath her vivacious exterior is a fierce desire to put the colony back in the hands of its people—starting with the Michelin plantations. It doesn’t take long for the sun-drenched days and champagne-soaked nights to catch up with Jessie. With an increasingly fractured mind, her affection for Indochine falters. And as a fiery political struggle builds around her, Jessie begins to wonder what’s real in a friendship that she suspects may be nothing but a house of cards. Motivated by love, driven by ambition, and seeking self-preservation at all costs, Jessie and Marcelle each toe the line between friend and foe, ethics and excess. Cast against the stylish backdrop of 1920s Paris and 1930s Indochine, in a time and place defined by contrasts and convictions, Karin Tanabe's *A Hundred Suns* is historical fiction at its lush, suspenseful best.

#1 New York Times Bestseller • #1 Wall Street Journal Bestseller From Daniel Silva, the internationally acclaimed #1 New York Times bestselling author, comes a riveting new thriller featuring art restorer and legendary spy Gabriel Allon. It was nearly one a.m. by the time he crawled into bed. Chiara was reading a novel, oblivious to the television, which was muted. On the screen was a live shot of St. Peter's Basilica. Gabriel raised the volume and learned that an old friend had died ... Gabriel Allon has slipped quietly into Venice for a much-needed holiday with his wife and two young children. But when Pope Paul VII dies suddenly, Gabriel is summoned to Rome by the Holy Father's loyal private secretary, Archbishop Luigi Donati. A billion Catholic faithful have been told that the pope died of a heart attack. Donati, however, has two good reasons to suspect his master was murdered. The Swiss Guard who was standing watch outside the papal apartments the night of the pope's death is missing. So, too, is the letter the Holy Father was writing during the final hours of his life. A letter that was addressed to Gabriel. While researching in the Vatican Secret Archives, I came upon a most remarkable book ... The book is a long-suppressed gospel that calls into question the accuracy of the New Testament's depiction of one of the most portentous events in human history. For that reason alone, the Order of St. Helena will stop at nothing to keep it out of Gabriel's hands. A shadowy Catholic society with ties to the European far right, the Order is plotting to seize control of the papacy. And it is only the beginning. As the cardinals gather in Rome for the start of the conclave, Gabriel sets out on a desperate search for proof of the Order's conspiracy, and for a long-lost gospel with the power to put an end to two thousand years of murderous hatred. His quest will take him from the Ponte Vecchio in Florence, to a monastery in Assisi, to the hidden depths of the Secret Archives, and finally to the Sistine Chapel, where he will witness an event no outsider has ever before seen—the sacred passing of the Keys of St. Peter to a newly elected pope. Swiftly paced and elegantly

## Read Book Bella At Midnight

“Filled with the kind of sublime, galvanizing stories that strike like a lightning bolt, searing your nerves . . . It’s easy enough to see why Kim . . . is acclaimed as the best writer of his generation; pick up this book and find out for yourself.” — Nylon

It’s been twenty-five years since I last murdered someone, or has it been twenty-six? *Diary of a Murderer* captivates and provokes in equal measure, exploring what it means to be on the edge—between life and death, good and evil. In the titular novella, a former serial killer suffering from memory loss sets his sights on one final target: his daughter’s boyfriend, who he suspects is also a serial killer. In other stories we witness an affair between two childhood friends that questions the limits of loyalty and love; a family’s disintegration after a baby son is kidnapped and recovered years later; and a wild, erotic ride about pursuing creativity at the expense of everything else. From “one of South Korea’s best and most worldly writers” (NPR), *Diary of a Murderer* is chilling and high-powered all the way through. “Kim is expert at finding the humanity inside the other, the comedy inside the tragedy, and the twisted within the seemingly normal.” — CrimeReads
