Faithful, Abundant, True - Bible Study Book: Three Lives Going Deeper Still

The *Knowing the Bible* series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week study lead participants through

books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) “Gospel Glimpses” highlight the gospel of grace throughout the book; (3) “Whole-Bible Connections” show how any given passage connects to the Bible’s overarching story of redemption, culminating in Christ; and (4) “Theological Soundings” identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. The book of Daniel has all the makings of a great story: memorable characters, cliff-hanging moments, and incredible visions. Yet we miss the point if we pay more attention to Daniel’s story than we pay to Daniel’s God. In this helpful study, readers will see how this fascinating biblical book ultimately points to the sovereign Lord of history, who rules over all earthly kingdoms and whose plans cannot be thwarted.

as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When *Godly People Do Ungodly Things* will be a guide to authentic repentance and restoration.

In fact, when you understand the prophecies Daniel reveals, every other prophecy in the Bible will fit somewhere in the plan. Anointed, Transformed, Redeemed

Thirty years in the making, Audacious is a deep dive into the message that has compelled Beth Moore to serve women around the globe. Glancing over the years of ministry behind her and strengthening her resolve to the call before her, she came to the realization that her vision for women was incomplete. It lacked something they were aching for. Something Jesus was longing for. Beth identifies that missing link by digging through Scripture, unearthing life experiences, and spotlighting a turning point with the capacity to infuse any life with holy passion and purpose. What was missing? Well, let's just say, it's audacious and it's for all of us. And it's the path to the life you were born to live.

Looking Up When Life is Looking Down

“Is it working? Your belief system, that is. Is it really working? God’s intention all

along has been for the believer's life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I'm convinced it's real. My concern is whether or not we have the fruit to suggest it works."—Beth Moore; *Believing God*

prophetic visions and dreams apply to our lives today.
