25 Nonfiction Passages with Vocabulary- Building Crosswords

Expanded THIRD Edition, with 4 NEW CHAPTERS, and dozens of new and additional images! Grave Distractions Publications is proud to announce the publication of the 3RD EDITION of the cult classic CAVERNS, CAULDRONS, AND CONCEALED CREATURES, is the first book of its kind to examine the striking similarities between folklore, religious, mythic, "new age," fictional, and first-hand eyewitness and historical accounts of anomalous beings, entities, cryptids, hidden civilizations, and related anomalies. Drawing from scientific facts, folklore, comparative mythology and eyewitness/anecdotal sources, it is demonstrable that the structure of our planet, the history of our species, the underlying truths disguised as our myths, legends, folklore and " pop culture " imagery, are not quite what we have been led to believe. The Earth itself is much more complex in structure than we have realized, and our species has perhaps experienced, through the ages, encounters and conflicts with "others"- non-human intelligences or beings of various types who have seldom been our friends. Memories and accounts of these encounters have come down to us in the form of folklore and mythology, often viewed with superstitious terror or awe through the conditioned lenses of religions, religious interpretation or "folk traditions." Such encounters are continuing today. The theories put forth in this book are based on two types of evidence: very strong circumstantial

Where To Download Caverns Cauldrons And Concealed Creatures

evidence based on folklore, mythology, religion, legends, archeology, geology, and related areas, and first-hand or witness accounts, both ancient and modern. Often these two areas of source material or even anecdotal evidence overlap. It is possible that these various phenomena and beings are in fact modern representations of those who have traditionally been considered fairies, gnomes, trolls, nagas, djinn, "aliens" and their "magic" is a technology of such antiquity, advancement and complexity that it is, to our limited understanding, "magical." With UFOlogy, cryptozoology, Fortean phenomena, and all the rest, we are in fact seeing, perhaps even participating in, an ongoing contemporary "update of "folklore," which is in actuality the way our human minds attempt to gather, categorize, assimilate, comprehend and decipher (as well as "cover up" with terror-masking simplifications) the very REAL evidence for the existence of such beings and their ongoing yet seemingly inexplicable activities. From ancient myths to modern experiences from credible witnesses, it is ALL folklore, and ancient folk traditions may contain much more truth than has previously been believed, just as "fortean" and related topics do today. Once we make the leap of understanding that the creation of folklore is part of the process of comprehending these mysteries, and even may be caused by them, the whole picture of our culture, literature, fairytales, Jungian archetypes, and so on takes on an entirely different light. The creation of folklore, based on very real "others" and their parasitical or otherwise peripheral activities, has become an instinctive, mind-protecting function for the collective human mind. Throughout our oral and

Where To Download Caverns Cauldrons And Concealed Creatures

written history as a species, folktales and folk traditions have either hinted at or indicated the reality of this "hidden world" which surrounds us. The furtive and parasitical nature of this "alternate reality" leaves no doubt as to the intrinsic hostility of these "others," or at best, the indifference that some of their "racial types" or subspecies exhibit toward humankind. This book has been previously published in a First Edition, an expanded Second Edition, and now is offered EXCLUSIVELY in a greatly-expanded, magnum opus 3rd Edition presentation by Grave Distractions Publications with introductions by Brad Steiger, Micha Hanks, Brian J Allen, and Dean de Lucia.

New Frontiers of the Mind the Story of the Duke Experiments

This book is the first comprehensive overview and evaluation of the origins, history and current size and condition of all of Iceland's major glaciers (including Vatnajökull, the largest in Europe) at the beginning of the twenty-first century. It is not only illustrated with many beautiful photographs and graphs of recent statistics and scientific data, but is also a collection of historical writings and drawings from annals, sagas, folk tales, diaries, reports, stories and poems, as it presents a unique approach to the study of glaciers on an island in the North Atlantic. Balancing and comparing the world of man with the world of nature, the perceptions of art and culture with the systematic and pragmatic analyses of science, The Glaciers of Iceland present a wide spectrum of readers with a new and stimulating view of the origins, development

Where To Download Caverns Cauldrons And Concealed Creatures

and possible future of these massive natural phenomena, as well as the study and role of glaciology, within specific time lines and geographical locations. Icelandic glaciers the author argues could prove essential for understanding the current unsettling progress of global warming. The glaciers of Iceland, therefore, aims at presenting to a wide readership an original, historical, cultural and scientific overview of these geophysical features in Iceland while also suggesting increasingly important lessons and models for man's future interaction with the world's glaciers as a whole.

Pulsifer

How an interdimensional race has controlled the planet for thousands of years - and still does.

The Glaciers of Iceland

The Ancient Alien Theory: Part Seven and ancientalienpedia.com is both a written and online resource. The written guide serves as an opportunity to log out, shut down, and unplug from the online world. The online guide serves as a gateway to the Ancient Alien Theory, with links to online sources, books, and authors. Just as Bill Birnes created The UFO Magazine Encyclopedia to provide a comprehensive guide to UFOs and extraterrestrial contact, AncientAlienPedia is providing a database to the Ancient Alien Theory. This all-inclusive guidebook saves readers countless of hours of searching for this information which is scattered in hundreds of

Where To Download Caverns Cauldrons And Concealed Creatures

websites and books. The AncientAlienPedia will prove to be an essential reference for the highly controversial Ancient Alien Theory.

II Decameron

This book describes the philosophy and the use of Aleister Crowley's Thoth Tarot, a deck of Tarot cards designed by Crowley and co-designed and painted by Lady Frieda Harris. The Thoth Tarot has become one of the best-selling and most popular Tarot Decks in the world. It is also one of the most original interpretations of the tarot, incorporating astrological, numerological, Egyptian, and Qabalistic symbolism. While there are many other useful guides to this famous tarot deck, there are no others that explain the deck in its designer's own words. The book is divided into four major parts: * Part One: The Theory Of The Tarot. * Part Two: The Atu (Keys or Trumps). * Part Three: The Court Cards. * Part Four: The Small Cards. Part One is further divided into three chapters; Part Two into two chapters and an appendix; Part Three into one chapter; and Part Four into one chapter. The book includes a list of plates depicting the Tarot cards as seen by Crowley and Harris.

Phantoms & Monsters

Humanoid Encounters 1995-1999

Information on Monsters of the Warhammer world that expands on the very basic information contained

Where To Download Caverns Cauldrons And Concealed Creatures

in the Core Rulebook. Warhammer Fantasy Roleplay (WFRP or WHFRP) is a roleplaying system created by Games Workshop. It is set in the Old World, which bears some resemblance to late medieval / renaissance Europe. The world is threatened by the forces of Chaos. The major power in the Old World is the Empire, in which most of the adventures are located. The Empire itself is a country full of intrigue, conspiracies, and dark plots. BL Publishing is the publishing wing of the world famous Games Workshop group of companies. As well as its new Black Industries imprint, the division is also home to the Black Library, which has been producing best-selling and award-winning novels, comics and artbooks set in the worlds of Warhammer since 1997. It also includes the Black Flame fiction imprint for non-Warhammer titles, and Warhammer Historical Wargames. Warhammer Fantasy Battle was originally published in 1986 and subsequently licensed to Hogshead Publishing. This is the second edition of Warhammer Fantasy Roleplay.

The Secret of Shambhala

Pulsifer: A Fable is the first volume of The Pulsifer Saga, by Wm. Michael Mott. Fantasy fiction has a new and outrageous hero or anti-hero. He's not politically correct, overly heroic, or even overly endearing but he is uproariously entertaining. Meet Calim Pulsifer-thief, rogue, womanizer, and confidence man-and, in spite of having earned the enmity of wizards, warriors, and women, always his own worst enemy. Extricating himself from one outrageous misadventure after

Where To Download Caverns Cauldrons And Concealed Creatures

another in his quest for vengeance and survival, the outcast Calim Pulsifer leaves a trail of mayhem and mirth across and beneath a frozen, monster-haunted world. Political correctness goes out the window as the ultimate trickster and adventurer takes the stage. Fantasy-fiction readers and role-playing fans alike will find these novels provide a thrilling, belly-laughing reading experience.

Real Vampires, Night Stalkers and Creatures from the Darkside

Nonfiction passages introduce 300 vocabulary words in context.

Aeneid

The Book of Ser Marco Polo, the Venetian

Warhammer Fantasy Roleplay

By painstakingly following the long international paper trails that connect such apparently unrelated manifestations and occurrences as crop circles, alien abductions, extraterrestrial activity, and many other modern mysteries, Bruce Rux uncovers a conspiracy of misinformation, denial, and silence among government officials. 30 photos. 50 illustrations.

This Tragic Earth

Hollow Earth in the Puranas

Spotlighting news articles, historical accounts, and firstperson interviews, this chronicle of human interactions with monsters will convince even the most hardened skeptic of the existence of the bogeyman, bigfoot, werewolves, and swamp creatures. Offering an array of wild reports—from the police officer who begrudgingly responded to a call about a longhaired woman flying over a suburban neighborhood only to find himself calling for backup when she attacked his patrol car to the motorist whose headlights illuminated a sevenfoot tall, wolflike creature that stood on its hind legs—this historical record highlights scary and unbelievable narratives. From slightly demented humans to spinetingling paranormal encounters, each outlandish occurrence is detailed with thorough research and recounted with a storyteller's crafted voice.

The Book of Thoth (Egyptian Tarot)

WINNER OF THE PULITZER PRIZE From the highly acclaimed, multiple award-winning Anthony Doerr, the beautiful, stunningly ambitious instant New York Times bestseller about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History, where he works as the

Where To Download Caverns Cauldrons And Concealed Creatures

master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great-uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, a National Book Award finalist, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer "whose sentences never fail to thrill" (Los Angeles Times).

A German Officer in Occupied Paris

A collection of unexplained encounters submitted by regular people who felt compelled to contact me

Where To Download Caverns Cauldrons And Concealed Creatures

about their encounter. I truly understand their dilemmathey want answers. But can they comprehend the truth? I have also included transcriptions and vintage news reports that detail unknown beasts and bizarre events. Black-eyed people, humanoids, entities, Bigfoot and hairy hominids, flying monsters and winged anomalies, upright canines, Dogman, Pennsylvania's lycans and more cryptids.

Milton

Children of the Matrix

Architects of the Underworld

Taking a literary journey through hell certainly sounds intriguing enough--and it is! If you can understand it! If you don't understand it, then you are not alone. If you have struggled in the past reading the ancient classic, then BookCaps can help you out. This book is a modern translation with a fresh spin. The original text is also presented in the book, along with a comparable version of the modern text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month. Visit BookCaps.com to find out more.

Myths & Legends of the Celtic Race

The ancient legends and myths of the great religions and folk traditions of the world tell us of marvelous things, tales that, until very recently were considered within the realm of fantasy and not reality by the self-anointed "wise" of our rationalist age--cities which were swallowed by the sea, or an engulfing Earth itself; populated underworlds of varied descriptions, some paradisaical, others more hellish; non-human beings with the ability to fly, to travel to nearby planets.

All the Light We Cannot See

THIS TRAGIC EARTH: The Art and World of Richard Sharpe Shaver, is finally back in print in a new, expanded and improved edition! HIS TRAGIC EARTH gives a unique, long-overdue look into the art and mind of Richard S. Shaver. Featuring a transcription of an actual hand-made book proposal by Shaver, sent to Ray Palmer, this volume also contains 190 images including over 100 lost images taken from one-of-a-kind "rogfogo" or "rock books" by Shaver. These images, taken from photo exposures of slices of solid rock, contain eerie and inexplicable images of people, monsters, creatures, structures, and devices-images which defy all rational explanation. Shaver claimed that these "books" were records left in crystal holography by an ancient race of beings who preceded man on this planet, or were contemporary with our ancestors. Also featured are long-lost articles on how to find and create such images, written and illustrated by Shaver himself, along with unique correspondence, interviews, and other material that give a unique look into the mind and theories of Richard S. Shaver, his one-of-a-kind "outsider artwork," and his infamous "Shaver Mystery." Much of the additional material has not been seen for decades, and when it was available, it was not widely circulated and was only seen by a few people, particularly the explanations and theories which were written by Richard Shaver for science-fiction fanzines of the 1940s. In addition, new transcripts of the complete text of material which only appeared in scanned-text form before are now included here, for

Where To Download Caverns Cauldrons And Concealed Creatures

ease of reading. Shaver's own peculiarities of writing style and syntax are faithfully transcribed. The contents of this book should interest anomalies researchers, Fortean, paranormal enthusiasts and investigators, science-fiction historians and fans, and all those interested in "outsider art." Nothing as utterly dedicated to Shaver's own thoughts and artwork has ever been produced before. Thanks very much for your interest in this book, and happy reading!

Caverns, Cauldrons, and Concealed Creatures

Ernst Jünger was one of twentieth-century Germany's most important—and most controversial—writers. Decorated for bravery in World War I and the author of the acclaimed western front memoir *Storm of Steel*, he frankly depicted war's horrors even as he extolled its glories. As a Wehrmacht captain during World War II, Jünger faithfully kept a journal in occupied Paris and continued to write on the eastern front and in Germany until its defeat—writings that are of major historical and literary significance. Jünger's Paris journals document his Francophile excitement, romantic affairs, and fascination with botany and entomology, alongside mystical and religious ruminations and trenchant observations on the occupation and the politics of collaboration. While working as a mail censor, he led the privileged life of an officer, encountering artists such as Céline, Cocteau, Braque, and Picasso. His notes from the Caucasus depict the chaos after Stalingrad and

Where To Download Caverns Cauldrons And Concealed Creatures

atrocities on the eastern front. Upon returning to Paris, Jünger observed the French resistance and was close to the German military conspirators who plotted to assassinate Hitler in 1944. After fleeing France, he reunited with his family as Germany's capitulation approached. Both participant and commentator, close to the horrors of history but often distancing himself from them, Jünger turned his life and experiences into a work of art. These wartime journals appear here in English for the first time, giving fresh insights into the quandaries of the twentieth century from the keen pen of a paradoxical observer.

Only the Stones Survive

Thomas Edward Lawrence finds himself enmeshed in intrigue and open warfare in Arabia during the First World War. Adapting and embracing the culture of the Arabs, his story becomes one of both personal contemplation and stunning resourcefulness on the battlefield. The author looks back on his time spent as a British officer working with Arab forces in their fight against the German-allied Ottoman Turks. Planning and participating in numerous attacks as well as acts of often ingenious sabotage, Lawrence describes scenes of wartime action with gripping immediacy that clearly relays the savagery and confusion of combat. His engagement with Arab soldiers and championing of their cause endeared him to those he served with and afforded him the opportunity to write sharp character portrayals of several of his most notable comrades. In addition, there are rich asides on military strategy and guerrilla warfare, desert

Where To Download Caverns Cauldrons And Concealed Creatures

geography and history, as well as a consistent probing introspection as the author finds himself transformed by all he has experienced. Seven Pillars of Wisdom is a singular work that is at once a sweeping adventure story, a valuable primary historical source with modern relevance, and the deeply felt memoir of an extraordinary man. With an eye-catching new cover, and professionally typeset manuscript, this edition of Seven Pillars of Wisdom is both modern and readable.

Real Monsters, Gruesome Critters, and Beasts from the Darkside

At the beginning of the eighteenth century, over twenty different American Indian tribal groups inhabited present-day Mississippi. Today, Mississippi is home to only one tribe, the Mississippi Band of Choctaw Indians. In Mississippi's American Indians, author James F. Barnett Jr. explores the historical forces and processes that led to this sweeping change in the diversity of the state's native peoples. The book begins with a chapter on Mississippi's approximately 12,000-year prehistory, from early hunter-gatherer societies through the powerful mound building civilizations encountered by the first European expeditions. With the coming of the Spanish, French, and English to the New World, native societies in the Mississippi region connected with the Atlantic market economy, a source for guns, blankets, and many other trade items. Europeans offered these trade materials in exchange for Indian slaves and deerskins, currencies that radically altered the relationships

Where To Download Caverns Cauldrons And Concealed Creatures

between tribal groups. Smallpox and other diseases followed along the trading paths. Colonial competition between the French and English helped to spark the Natchez rebellion, the Chickasaw-French wars, the Choctaw civil war, and a half-century of client warfare between the Choctaws and Chickasaws. The Treaty of Paris in 1763 forced Mississippi's pro-French tribes to move west of the Mississippi River. The Diaspora included the Tunicas, Houmas, Pascagoulas, Biloxis, and a portion of the Choctaw confederacy. In the early nineteenth century, Mississippi's remaining Choctaws and Chickasaws faced a series of treaties with the United States government that ended in destitution and removal. Despite the intense pressures of European invasion, the Mississippi tribes survived by adapting and contributing to their rapidly evolving world.

Dante's Inferno in Plain and Simple English

The World's most amazing Humanoid encounter cases. The bizarre, real, global reports of; UFO occupants - Ultraterrestrials, Extraterrestrials, Cryptoterrestrials, Robots & more. Mysterious beings - Bigfoot, Flying Humanoids, Werewolves, Chupacabras and even stranger exotic humanoids. Albert S. Rosales is the world's leading expert on humanoid encounter cases.

The Man Who Was Thursday: A Nightmare

Where To Download Caverns Cauldrons And Concealed Creatures

A background book on the skaven telling their secret history as well as how to spot and destroy them. For roleplayers you can learn how to create your own skaven clan, descriptions of the skaven form, society and mentality. There is a short skaven adventure at the end

De Orbe Novo, the Eight Decades of Peter Martyr D'Anghera;

A chilling chronicle of the often ignored history of vampirism as it has surfaced repeatedly in news articles, historical accounts, and first person interviews, this shocking account of occultist rituals and the inhuman forces that influence them shines a light on the horrifying truth. Revealing that real vampires are not immortal, do not have fangs or sleep in coffins, and have no fear of sunlight or crucifixes, the examination dispels many myths but also confirms the truth behind several traits of real vampires, such as the insatiable thirst for blood and the dream of an eternal soul. Complete with 30 spine-tingling tales of the hideous wraiths and creatures that lurk in shadow, this fascinating collection includes the stories of the Mexican prostitute who mesmerized an entire village, convincing them she was an Incan goddess who required human sacrifice for her magic; the three teenagers who left a trail across the South as they conducted blood-drinking rituals with animals; and the mysterious Lady in Black who draws psychic energy from men who dare approach her as she wanders through city streets and parks.

The Ancient Alien Theory: Part Seven

From New York Times bestselling author Sam Kean comes incredible stories of science, history, finance, mythology, the arts, medicine, and more, as told by the Periodic Table. Why did Gandhi hate iodine (I, 53)? How did radium (Ra, 88) nearly ruin Marie Curie's reputation? And why is gallium (Ga, 31) the go-to element for laboratory pranksters?* The Periodic Table is a crowning scientific achievement, but it's also a treasure trove of adventure, betrayal, and obsession. These fascinating tales follow every element on the table as they play out their parts in human history, and in the lives of the (frequently) mad scientists who discovered them. THE DISAPPEARING SPOON masterfully fuses science with the classic lore of invention, investigation, and discovery--from the Big Bang through the end of time. *Though solid at room temperature, gallium is a moldable metal that melts at 84 degrees Fahrenheit. A classic science prank is to mold gallium spoons, serve them with tea, and watch guests recoil as their utensils disappear.

The Kolbrin Bible

"For centuries the Tauatha Dae Danann lived in peace on an island where time flowed more slowly and the seasons were gentle--until that peace was shattered by the arrival of invaders. The Gaels, the Children of Milesios, came looking for easy riches and conquest, following the story of an island to the west where their every desire could be granted After a happy and

Where To Download Caverns Cauldrons And Concealed Creatures

innocent childhood, Joss was on the cusp of becoming a man when the Gaels slaughtered the kings and queens of the Tauatha Dae Danann. Left without a mother and father, he must find a way to unite what is left of his people and lead them into hiding. But even broken and scattered, Joss and his people are not without strange powers"--

The Disappearing Spoon

The Kolbrin Bible dates back 3,600 years and offers unique and enlightened insights from the past to both challenge and affirm our present day beliefs. This 2-part, 11-book secular anthology is nearly as large as the King James Bible. The first six books are called the "Egyptian texts" and were penned by Egyptian academicians following the Hebrew Exodus. The last five books are called the "Celtic texts" and were penned by Celtic priests following the death of Jesus. Several accounts describe an object in orbit around our sun called the "Destroyer," which the Celtic

Where To Download Caverns Cauldrons And Concealed Creatures

authors call the "Frightener." According to recently translated Sumerian texts, this object (also known as Nibiru or Planet X) is in a 3600-year orbit around our sun, and The Kolbrin Bible warns us of its imminent return and of yet another Biblical tribulation. [DOI: 10.1572/kolbrin] 2nd Edition Book Features: Published for scholars. The 596-page print edition features ample margins for notes and typesetting that is easy on old eyes. All editions feature the Kolbrin Citation System by Marshall Masters. Designed to speed multi-format collaborative studies between researchers and authors. Over 1,600 typographical corrections based on the Chicago Manual of Style. Its verbiage remains faithful to the original work. First-ever index with over 2,700 entries. (Print and Adobe eBook editions only.) PART 1: The Egyptian Texts (Books 1-6) DESCRIPTION: Following Pharaoh's defeat at the hand of Moses, the Egyptians searched the Middle East for clues to the one true G-d of Abraham. What now survives of that noble effort comprises the first six books of The Kolbrin Bible. OTHER EDITIONS: An abridged edition, the Egyptian Texts of the Bronzebook is also available in print and electronic editions from Your Own World Books. [DOI: 10.1572/kolbrin.bronzebook] PART 2: The Celtic Texts (Books 7-11) DESCRIPTION: A historical treasure trove of ancient Celtic and Druid folklore, philosophy and mysticism. Penned by Celtic priests in the first millennium CE, it includes a never-before published biographical sketch of Jesus Christ with several first-person quotes by Jesus, himself. OTHER EDITIONS: An abridged edition, the Celtic Texts of the Coelbook is also available in print and electronic editions from Your Own World Books. [DOI: 10.1572/kolbrin.coelbook]

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Mississippi's American Indians

"The Nameless City" is a horror story written by H. P. Lovecraft. The story's title is an ancient ruin located somewhere in the deserts of the Arabian Peninsula and is older than any human civilization.

History of Phoenicia

Hollow Planets

Continuing the exciting adventures of The Celestine Prophecy and The Tenth Insight, this new book takes you to the snow-covered Himalayas, in search of the legendary Tibetan utopia of Shambhala. As you follow

a child's instructions, are pursued by hostile Chinese agents, and look for a lost friend, you will experience a new awareness of synchronicity and discover, hidden among the world's highest mountains, the secrets that affect all humanity. For Shambhala not only actually exists, but is destined to be found in our time-and will reveal powerful truths that can transform the world.

The Subterranean World

Shocking true stories of those who walk among us . . . Just who has visited us in the past? Who might be coming next? And who walks among us today? Real Aliens, Space Beings, and Creatures from Other Worlds investigates the theories, the mysteries, and the facts surrounding alien involvement in the lives of Earthlings. Packed with thought-provoking stories and shocking revelations of more than 300 otherworldly incidents, including aliens living among us, spacecraft landings, interstellar cooperation, alien encounters, government conspiracies, hybrid children, mutilations, missing time experiences, secret alien facilities, and the influence of extraterrestrials on human events throughout history. Each astonishing report is detailed with thorough research of the historical record, news articles, and disquieting testimonials.
