The Time Warrior was the first serial of season 11 of Doctor Who. The story finally revealed the name of the Doctor's home planet as Gallifrey. It also featured the first appearance of the Sontarans, as well as companion Sarah Jane Smith.. Script editor Terrance Dicks gave Robert Holmes the task of writing a story set in a medieval castle. Holmes was less than enthusiastic about this direction

It takes discipline to do the right thing when something goes wrong. As John Maxwell often points out, experience itself isn't the best teacher; evaluating, understanding, and growing from your experience is. By examining how that process works, you can learn how to take risks and tackle challenges with a successful person's outlook. Derived from material previous published in
