In the second volume of the acclaimed "Gas, Food, Lodging" trilogy, authors John Jakle, Keith Sculle, and Jefferson Rogers take an informative, entertaining, and comprehensive look at the history of the motel. From the introduction of roadside tent camps and motor cabins in the 1910s to the wonderfully kitschy motels of the 1950s that line older roads and today's comfortable but anonymous chains that lure drivers off the interstate, Americans and their cars have found places to stay on their travels. Motels were more than just places to sleep, however. They were the places where many Americans saw their first color television, used their first coffee maker, and walked on their first shag carpet. Illustrated with more than 230

photographs, postcards, maps, and drawings, *The Motel in America* details the development of the motel as a commercial enterprise, its imaginative architectural expressions, and its evolution within the place-product-packaging concept along America's highways. As an integral part of America's landscape and culture, the motel finally receives the in-depth attention it deserves.

Pink sands, blue holes, coral reefs and brilliant marine life -- Ulysses reveals the natural beauty of this string of islands, from wold-class snorkeling and scuba diving to reeling in prize catches, marveling at pink flamingoes, swimming with dolphins, sailing turquoise seas, or simply enjoying a lazy day on a deserted beech. With excursions on land and by sea. Ulysses leads you around colonial Nassau, out to the picturesque Loyalist Cays of the Abacos, along the Columbus Trail on San

Study of Service Industries and Their Relation to Domestic and International Trade

Trade show activity throughout the world continues to grow. More and more exhibitors are finding trade shows to be their most effective marketing tool. No longer seen as a "vacation" away from the office, today's trade show is considered one of the best ways to meet with current customers, reach previously unidentified prospects and offer goods and services to the international market. Trade Shows Worldwide contains the vital information needed by every segment of the trade show industry. With its global perspective and clearly organized format, Trade Shows Worldwide allows industry professionals, city planners, information professionals and business executives quick access to the information vital for
