## Composition Book

Inspire your language learning and journaling by this themed notebook. "German Composition Notebook College Ruled: Writer's Notebook for Schools, Teachers, Offices, Students (8"x10") German Flag, Perfect Bound, 110 Pages" is giving you its cool features more than any common notebooks could give: Writers' & Readers' companion: All lines in this book are in dark grey, instead of pure black, so the lines are less distracting when you take notes and when you re-read them later. Also, with the word "German" printed at the front cover, you can have this book be your notes in any German related writings. Inspiring design: Color theme of the language and the composition notebook design style are the perfect combination that would sure to inspire you to write what you have learnt about the language or compose stories you would love to write in German and re-read to improve your language. It could also serve as a great journal of your learning of German, or a diary of your upcoming trip to Germany! Functional size: With dimension of 8" x 10" (20.3 x 25.4 cm), the book size is close to an A4 paper, with a little shorter in height. Containing 110 pages to write on, the book provides enough space for comprehensive or sequential notes, while it is light enough to be carried along comfortably by anyone. Great for either classroom studies or for simply jotting down anything while travelling! Reliable standards: Book industry perfect binding (the same standard binding as the books in your local library). Tough matte paperback. Crisp white paper, with quality that minimizes ink bleed-through. The book is great for either pen or pencil users. All lines in every page are in compliance with Medium ruled (or so-called College ruled) paper standard, which has 9/32 inch (7.1 mm) spacing between horizontal lines, and a vertical margin drawn 1 1/4 inches (32 mm) from the left-hand edge of all pages. "German Composition Notebook College Ruled" is a good quality notebook that would make taking notes easier and keep your valuable works with you longer! Stay organized: The 1st page has been reserved for optional table of contents which, once used with the page numbers already printed at the top corners of every page, you can create a Table of Contents of your own, which will make browsing and finding a needful information in the book become much easier. You can also organize your lectures, plan your writing and write contents in chapters, with your Table of Contents. Plus, this book comes with 2 places (one at the box in the front cover, and the other at the book spine) that you can write your personal book volume numbers, so once this notebook is being used up, you can write its volume number before continuation on the next! The result is a collection of the works that you developed over the years, neatly organized on shelf, and that you can be proud of!
