Enjoying his work as a high-school science teacher, his marriage to Mary Jane, and a period of low crime, Peter Parker learns that the Rhino has resumed his nefarious activities in Times Square, a situation that is further complicated by the emergence of Spider-Man's former ally and love interest, the Black Cat. Mean Streets

Since time immemorial, the Spires have sheltered humanity, towering for miles over the mist-shrouded surface of the world. Within their halls, aristocratic houses have ruled for generations, developing scientific marvels, fostering trade alliances, and building fleets of airships to keep the peace. Captain Grimm commands the merchant ship, Predator. Fiercely loyal to Spire Albion, he has taken their side in the cold war with Spire Aurora, disrupting the enemy's shipping lines by attacking their cargo vessels. But when the Predator is severely damaged in combat, leaving captain and crew grounded, Grimm is offered a proposition from the Spirearch of Albion -- to join a team of agents on a vital mission in exchange for fully restoring Predator to its fighting glory. And even as Grimm undertakes this dangerous task, he will learn that the conflict between the Spires is merely a premonition of things to come. Humanity's ancient enemy, silent for more than ten thousand years, has begun to stir once more. And death will follow in its wake.

Welcome to the Jungle

I can't believe I have to go home to Nebraska for my sister's wedding. I'm gonna need a wingman and a whole lot of vodka for this level of family interaction. At least my bestie agreed he'd man up and help. Too bad he had to catch a different flight than me. Then his plane got delayed. And finally—because bad things always happen in threes—instead of my best friend, his evil twin strolls out of the airport. If you looked up doesn't-deserve-to-be-that-confident, way-too-hot-for-his-own-good billionaire in the dictionary, you'd find a picture of Will Holt. He's awful. Horrible. The worst—even if his butt looks phenomenal in those jeans. Ten times worse? My buffer was supposed to be there to keep me away from the million and one family events. But Satan's spawn just grins and signs us up for every. Single. Thing. Fine. "Cutthroat" Scrabble? I'm in. I can't wait to take this guy down a notch. But somewhere between Pictionary and the teasing glint in his eyes, our bickering starts to feel like more than just a game

Still, Violet seems like a great person to help him navigate his upcoming "man of honor" duties in his best friend's wedding. Pretty soon, not only is Violet giving him lessons on all things weddings, she's helping him train his latest rescue-dog recruit puppies and weaving her way seamlessly into his lone-wolf lifestyle. But forever is the last thing on Ford's mind, and if there's one thing a perpetual bridesmaid knows, it's the importance of a happily ever after. Each book in the Getting Hitched series is
