What is the relationship between performance and recording? How are modern audiences affected by the trends set in motion by the recording era? What is the impact of recordings on the lives of musicians? In this wide-ranging book, Robert Philip extends the scope of his earlier pioneering book, "Early Recordings and Musical Style: Changing Tastes in Instrumental Performance 1900-1950." Philip here considers the interaction between music-making and recording throughout the entire twentieth century. The author compares the lives of musicians and audiences in the years before recordings with those of today. He examines such diverse and sometimes contentious topics as changing attitudes toward freedom of expression, the authority of recordings made by or approved by composers, the globalization of performing styles, and the rise of the period instrument movement. Philip concludes with a thought-provoking discussion of the future of classical music performance.

Songs for the Spirits examines the Vietnamese practice of communing with spirits through music and performance. During rituals dedicated to a pantheon of indigenous spirits, musicians perform an elaborate sequence of songs--a "songscape"--for possessed mediums who carry out ritual actions, distribute blessed gifts to disciples, and dance to the music's infectious rhythms. Condemned by French authorities in the colonial period and prohibited by the Vietnamese Communist Party in the late 1950s,

mediumship practices have undergone a strong resurgence since the early 1990s, and they are now being drawn upon to promote national identity and cultural heritage through folklorized performances of rituals on the national and international stage. By tracing the historical trajectory of traditional music and religion since the early twentieth century, this groundbreaking study offers an intriguing account of the political transformation and modernization of cultural practices over a period of dramatic and often turbulent transition. An accompanying DVD contains numerous video and music extracts that illustrate the fascinating ways in which music evokes the embodied presence of spirits and their gender and ethnic identities.

## **Tranquility**

The harp is the quintessential wedding instrument. Its romantic image and sound make it ideal for the special day which represents a landmark in the life of the bride and groom and their families. The music they choose will stay with them in memory and meaning for a lifetime. This book contains a variety of classic, traditional, and ethnic music, some pieces you will recognize as standards, and some you may never have heard before. Selections in this book may be played on any style or type of harp. These tunes and pieces have been chosen because they are in the public domain, and also because they could make the difference between an ordinary wedding and a very special one. Divided into four sections: Preludes, Processionals, Meditations, and Recessionals, this music offers more than enough choices to get you through an entire wedding ceremony and reception. These arrangements are interesting to the player as well as the listener and take full advantage of the harmonic capabilities of the lever harp. Includes important and useful tips and suggestions regarding music selections, fees for services, contracts, proper attire, etiquette, and more.

This comprehensive method for the beginner to advanced is especially designed for use in private lessons. It introduces each new concept with fingering exercises, scale exercises, and etudes. Advanced techniques and concepts such as harmonics, vibrato, trills, interpretation, and phrasing are outlined succinctly through descriptive text and musical examples. A segment called Representative Literature contains exemplary flute music and photographs of flutes from the Renaissance, Baroque, Classical, Romantic, and Contemporary periods giving students a broad historical perspective of both flute literature and the development and use of various types of flutes.

REVENGE IS A DISH BEST SERVED COLD.THE SPIRITS DO NOT FORGET. VENGEANCE HAS BEEN LONG DUE.When Krish returns to his homeland of Kerala, all he wants is a break, some time away from his wife, and a chance to do some research for his book. But instead, he is drawn into the magical world of Theyyam, whose performers, dressed in ornate headgears and colourful make-up, take centre-stage

in the sleepy district of Kannur. As the performers leap in the air and perform an aggressive dance, they enter a state of trance and turn into 'gods'. Maria couldn't have asked for a more fantastic experience to complete her thesis on the ritual form of worship. She forges a close bond with Krish, who acts as her local guide and together, they explore the mystic world of spirits, serpent-gods and forbidden secrets. But unknown to them, a grand plan is being executed in which they are nothing but mere pawns. Krish finds himself inescapably involved with not only two women but also the history of his land, the fate of his friend, and a spiritual journey that surpasses everything he has ever felt before. One that changes him irreversibly and for which, Maria must pay the price.

A fascinating exploration of an ancient system of beliefs and its links to the evolution of dance. From southern Greece to northern Russia, people have long believed in female spirits, bringers of fertility, who spend their nights and days dancing in the fields and

forests. So appealing were these spirit-maidens that they also took up residence in nineteenth-century Romantic literature. Archaeologist and linguist by profession, folk dancer by avocation, Elizabeth Wayland Barber has sleuthed through ethnographic lore and archaeological reports of east and southeast Europe, translating enchanting folktales about these “dancing goddesses” as well as eyewitness accounts of traditional rituals—texts that offer new perspectives on dance in agrarian society. She then traces these goddesses and their dances back through the Romans and Greeks to the first farmers of Europe. Along the way, she locates the origins of many customs, including coloring Easter eggs and throwing rice at the bride. The result is a detective story like no other and a joyful reminder of the human need to dance.

Kenneth A. Christensen’s *THE TOSCANINI MYSTIQUE*, is the first full length biography about the legendary Italian conductor’s life and career in almost thirty-five years. Maestro Toscanini had a frigid and extremely unhappy childhood, along with a severe musical education at the Parma Conservatory. This unglamorized account of a gifted teenager’s professional conducting debut at Rio de Janeiro’s Teatro Imperial, is told as it really happened. Toscanini was married to a ballerina, Carla De Martini, who bore him four children, but also had an

illegitimate son with a gifted soprano, who was born retarded. Toscanini's vulgar mistreatment of nearly all the singers and musicians who performed under his direction was legendary, and is examined with unusual insight about his uncanny memory and talent for musical recreation. The recollection of many famous artists including Caruso, Debussy, Kreisler, Puccini, Stravinsky, Verdi, and Wagner's descendants are quoted alongside his confrontations with Hitler, Mussolini and the Sicilian mafia. But the Maestro also was the most generous of all musicians, donating both his time and talents to many worthwhile charities, for which he received no financial compensation. The life of this great conductor is presented as the struggles of a musical and theatrical reformer, who was a major historical figure that just happened to be one of the greatest musicians who ever lived. Mr. Christensen has painstakingly wrote his narrative, using all the previous biographies and magazine articles on his life, the scripts of two video documentaries and the liner notes for the most widely available re-releases of his recordings. He rewrote and clarified the awkward original Italian translations for non-specialist readers and has supplied new English translations for the numerous operatic titles and other musical works as well as all the foreign language newspapers, magazines and theatres mentioned in the text. In addition, he has provided professional critiques on the most widely available Toscanini recordings from RCA Victor's 'Arturo Toscanini Collection', and historic reissues of Toscanini's NBC radio broadcast concerts. Here was a man, who had the nerve to stand up to world dictators and fought hard to prevent the Western

world's supreme musical masterpieces from being abused and mistreated, but without taking any credit for laboriously recreating all these composers' inspiration. He enjoyed to play practical jokes on his family and friends, but this humorous side is known only through letters, because Toscanini never published any autobiography or memoirs about his art. Toscanini gave the world premieres of 14 operas, including Leoncavallo's *Pagliacci*, and three by Puccini, including *La Boheme*, *La Fanciulla del West* and *Turandot*. Toscanini served as musical director: the Teatro Regio in Turino (1895-98), La Scala in Milano (1898-1908), New York's Metropolitan Opera (1908-1915), barely missed dying upon the *Lusitania*, becoming musical director of La Scala again (1920-1929), the New York Philharmonic (1926-1936), and the NBC Symphony Orchestra (1937-1954). In between, he also guest conducted at the Bayreuth, Salzburg and Lucerne Festivals and conducted the inaugural concerts of the Palestine Symphony. Toscanini then recorded his most important repertory with the BBC Symphony and the Philadelphia Orchestra, the New York Philharmonic and NBC Symphony Orchestras, alongside the Robert Shaw Chorale and such esteemed soloists as Jascha Heifetz, Rudolf Serkin, plus, his own son-in-law Vladimir Horowitz. His seven operatic recordings featured Jan Peerce, Helen Traubel, Richard Tucker, Giuseppe di Stefano, Rose Bampton, Cesare Siepi, Herva Nelli, Licia Albanese, Robert Merrill, Jussi Bjoerling, Lauritz Melchior, and many other gifted singers and musicians of the past, whose names alone are too much to mention.

An amazing life. As a New Yorker brought up in the world of Broadway theater, the author, Burt Boyar, became a child radio actor earning \$1000 a week in the late 1930's, early 40's, playing Archie on Archie Andrews, Billy Batson on Captain Marvel, Dexter Franklin on Corliss Archer, etc. etc. Then he became a caviar taster, a polo player, a widely syndicated Broadway columnist, close friend and biographer to Sammy Davis, Jr. with the worldwide Best Selling book, Yes I Can. Then, an intimate of the world's greatest tennis players, Rod Laver, Ken Rosewall, Lew Hoad, etc. which brought him and beloved wife, Jane, to Spain where they lived for 28 glorious years in a beach house in Marbella as close friends of Chief of State General Francisco Franco's family, among other European dazzlers, until Jane's untimely death brought their idyllic 44 year marriage to an end. Burt returned to the U.S., to Los Angeles, where he is living yet another extraordinary life.

## **Orpheus Ed Euridice**

David Hallberg, the first American to join the famed Bolshoi Ballet as a principal dancer and the dazzling artist The New Yorker described as “the most exciting male dancer in the western world,” presents a look at his artistic life—up to the moment he returns to the

stage after a devastating injury that almost cost him his career. Beginning with his real-life Billy Elliot childhood—an all-American story marred by intense bullying—and culminating in his hard-won comeback, Hallberg’s “moving and intelligent” (Daniel Mendelsohn) memoir dives deep into life as an artist as he wrestles with ego, pushes the limits of his body, and searches for ecstatic perfection and fulfillment as one of the world’s most acclaimed ballet dancers. Rich in detail ballet fans will adore, Hallberg presents an “unsparing...inside look” (The New York Times) and also reflects on universal and relatable themes like inspiration, self-doubt, and perfectionism as he takes you into daily classes, rigorous rehearsals, and triumphant performances, searching for new interpretations of ballet’s greatest roles. He reveals the loneliness he felt as a teenager leaving America to join the Paris Opera Ballet School, the ambition he had to tame as a new member of American Ballet Theatre, and the reasons behind his headline-grabbing decision to be the first American to join the top rank of Bolshoi Ballet, tendered by the Artistic Director who would later be the victim of a vicious acid attack. Then, as Hallberg performed throughout the world at the peak of his abilities, he suffered a crippling ankle injury and botched surgery leading to an agonizing retreat from ballet and an honest reexamination of his entire life. Combining his powers of observation and memory with emotional honesty and artistic insight, Hallberg has written a great ballet memoir and an intimate portrait of an artist in all his vulnerability, passion, and wisdom. “Candid and engrossing” (The Washington Post), *A Body of Work* is a memoir “for everyone with a heart” (DC Metro

The purpose of this book is to showcase K-12 unique and educational significant activities that we may all learn from. The essays in the book, under girded by sound research, highlight remarkable activities that are already taking place around the world. The essays offer a detailed description of a classroom or a school; provide an interpretation of what is taking place in this setting and why; and inform readers about what can be learned from the setting. Some readers will appreciate the vivid descriptions, which will encourage them to push their own thinking. Others may learn from the author's discussion of essential ideas from the essay, which can be reflected upon and transferred into other situations. All readers are likely to appreciate hearing about the varied and creative activities. The stories of these noteworthy teachers fall into four categories: risk-taking, creativity, care and community, and interconnectedness. Within these themes are ideas that teachers can use to create their own remarkable classrooms. Each theme is discussed and then several examples of how the theme plays out in the educational setting are described.
