My friend is moving out of her house and I drop-by to see if she needs some help. She's not home but Mr. Harris is, and it looks like he could do with a hand. The first box I pick up is packed with naughty magazines and I can't help but take a look. I can't believe Mr. Harris is into this kind of thing! I marvel at the collection but he's mortified—even more so when I open one of the magazines and start looking inside. The images are turning me on and the thought of having a guy in there is really getting me excited. Maybe you can be that guy, Mr. Harris? (anal, anal sex, first time, age gap, age difference, rough sex)

The Dialectic of Sex

I hated stepping out into the hall of my apartment building. When your ex-boyfriend lives only a few doors away you kind of run the gauntlet, but if there's one thing worse than seeing your ex it's seeing your ex's parent. Me and Mr. Clarke step into the elevator and the awkwardness is almost too much. When it breaks down the two of us are forced to talk more and soon the notion of 'going down together' takes on a whole new meaning! Read as Mr. Clarke treats me to an amazing first-time experience in that sweltering metal box of sin. (anal, anal sex, anal erotica, anal sex erotica, alpha male, rough, first time)

Taboo

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Military Brats: Legacies of Childhood Inside the Fortress

Tangled

After taking and defending Vuzgal, Erik and Rugrat have a new task to complete: build a city. They have been racing through the realms at this point, but Vuzgal is a prize that they can't simply give up on. Alva is mobilized, as are their allies, to build out the new city. It is time that they solidify their gains, working on their crafts, their fighting ability and cultivation. As they expand their personal power, their gaze turns toward Vermire, to the dungeon. It's time they started to exert the strength they've built up. Alva moves in the shadows, but to what effect? The answer lies in the Fifth Realm.

My Boss Inside Me

She's mine, she just doesn't know it yet. Her name is Tempest Kensington. She's never been touched. She's my student, and I want to know how sweet she tastes when she's claimed for the first time. I'm her headmaster. I'm twenty years older than her. But damn the implications. Screw the consequences. I know I'm blurring the lines, but I. Do. Not. Care. Tempest Kensington is a grade-A brat. And she's about to get a very thick, very firm dose of my discipline - over my knee and on hers. Barely appropriate. Entirely off-limits. My temptation, my addiction, my obsession. My ruin, in a plaid skirt and knee-high socks. It's time for this little tease to learn exactly what happens to bad girls who look for trouble. Sweet, filthy, and oh-so-wrong in the best kind of way. If you're looking for something extra hot and wildly over-the-top, this one's for you! Utterly obsessed alpha hero, sassy, untouched heroine, and enough insta-love, kindle-melting steam, and sugary-sweetness to make you beg for more. HEA with NO CHEATING!

His Seed Inside Me : Fertile Brats 1

"No one can understand how feminism has evolved without reading this radical, inflammatory second-wave landmark."
—Naomi Wolf Originally published in 1970, when Shulamith Firestone was just twenty-five years old, and going on to become a bestseller, *The Dialectic of Sex* was the first book of the women's liberation movement to put forth a feminist theory of politics. Beginning with a look at the radical and grassroots history of the first wave (with its foundation in the abolition movement of the time), Firestone documents its major victory, the granting of the vote to women in 1920, and the fifty years of ridicule that followed. She goes on to deftly synthesize the work of Freud, Marx, de Beauvoir, and Engels to create a cogent argument for feminist revolution. Identifying women as a caste, she declares that they must seize the means of reproduction—for as long as women (and only women) are required to bear and rear children, they will be singled out as inferior. Ultimately she presents feminism as the key radical ideology, the missing link between Marx and Freud, uniting their visions of the political and the personal. In the wake of recent headlines bemoaning women's squandered

fertility and the ongoing debate over the appropriate role of genetics in the future of humanity, *The Dialectic of Sex* is revealed as remarkably relevant to today's society—a testament to Shulamith Firestone's startlingly prescient vision. Firestone died in 2012, but her ideas live on through this extraordinary book.

Hard Long Deep

Space Swapped

Don't let fear sway you. You're not your past. Seraphina Daniels feels like running--the kind of running that doesn't include a set destination. So, when her childhood friend calls in distress, she's more than prepared to leave behind her failed--and famous--relationship, her writer's block, and her impending thirtieth birthday. But upon her return to the Ozarks--a sharp contrast to New York City--she discovers that everything's changed. I think I wanted you before I even knew what it was like to want someone. The homecoming brings Sera to Chace Holloway: the man who's made a home out of the place that was once hers. Romance isn't an option, but friendship comes easily with the twenty-two-year-old songwriter--despite the attraction they both feel. He is music, and I am merely madness and melancholy. What started as an escape becomes more of a trap when the past begins to wrap around the present. As hope blooms, Sera and Chace face their biggest obstacles--what they each fear, and what old lovers desire. *Burning Muses* is Book 1 of the *Muse & Music Series*. It can be read as a standalone.

Captain James T. Mitchell and his co-captain Lana King made one of the bravest sacrifices in human history when they volunteered to have their brains scanned and bodies frozen by the U.S. Human Preservation Service. In the event that mankind was ever in danger of extinction, they would be unfrozen to carry out their sacred mission: Restarting the human race! Now, thousands of years in the future, James is awoken from cryo-sleep by a strange alien species to discover that humankind is long dead, and the aliens are encouraging him and Lana to do exactly what they swore to. There's just one problem: James and Lana have awoken in the wrong bodies! Lana is determined to carry out their mission as planned, but James never expected that he'd be the one to have to do the woman's job. It all seemed easier when Lana was taking care

of that... Can James adjust to his new life as a woman and carry out the mission he swore to accomplish, or is he going to solve the mystery of how this happened and get back into his old body before Lana manages to talk him into staying the way they are? Find out, in Space Swapped!

Taking Her Innocence 25 First Time Virgin Brat And Older Man Books

Amber How do you politely refuse when the only guy to star in any of your dirty fantasies has just offered to put you up for the foreseeable future and your brother's just accepted like you were in fact still thirteen and couldn't make decisions for yourself? You don't. And, you end up with a roommate who wears a very good elegant mask over the rough and tumble, bad boy core I remember far too well. Only, it's ten years later and I'm even nerdier than I used to be. It's ten years later and I couldn't look worse. It's ten years later and I can't keep one guy. It's ten years later and my brother still teases me mercilessly in front of him. It's ten years later and Kit somehow looks even better than the guy I spent my formative years crushing on. So, there's not only the issue that he's my older brother's best friend, but also a sex-god this virgin can barely talk to. But that certainly never stopped me from drooling over him and it wouldn't stop me now. He's so far out of my league, I wouldn't even clean in his league. Except, there might just be a smouldering heat in Kit's eyes that suggests he's not quite as out of my league as I thought. Just maybe, this geek is about to get a whole lot of chaos. Kit When I find out about my best mate's little sister's situation, the offer is out of my mouth before I can stop it; Hawk's like a brother to me even if Amber's never looked twice at me. I could never tell if she was scared of me or hated me. But the deal is done. She's going to bring her bedraggled self upstairs to my penthouse and live with me for as long as she needs. I see the pain she hides away, I see the lack of confidence despite how smart she is, how good. If there's something I've learned, it's that confidence makes all the difference. So, it becomes my mission to help Amber find her confidence. But I find more than confidence in her and suddenly I'm seeing my best mate's little sister completely differently. I've never known what to say to her. She's always been good and studious and sweet. She's always been so far out of my league I wouldn't even carry bags in that league. Her face is a mask that tells me nothing in between the sparse words that come out of her mouth. Except, there might be something in the way she smiles at me that gives me hope I'm not as far out of her league as I thought. It might just be time that this chaos gets a little geek. Please be aware that this story is set in Australia and therefore uses Australian English spelling and syntax.
