### **Royal Responsibility in Anglo-norman Historical Writing**

A new, updated edition of Jack Newfield's hard-hitting unauthorized biography of boxing kingpin Don King, source of the Emmy-winning film starring Ving Rhames. With a new epilogue. Working his way out of a life of street crime and numbers running - and jail time for manslaughter - King rose to become a powerhouse in the fight game, outnegotiated corporate giants, fleeced the treasuries of entire countries, and amassed a vast personal fortune while ruining the lives and careers of some of boxing's greatest champions. The dying words of the man King stomped to death on the streets of Cleveland in 1966 - Don, I'll pay you the money! - became the motif for Don King's ascendancy.

great mystic's writings, presents them as clearly as possible, and at the same time gives the reader the doctrinal and historical information that will lead to a deeper understanding and appreciation of the teachings of the Mystical Doctor. Included in The Collected Works are St. John's poetry, The Ascent of Mount Carmel, The Dark Night, The Spiritual Canticle, and The Living Flame of Love, as well as his extant letters and other counsels. More Information: Complementing St. John's writings are a comprehensive General Introduction for the entire work, as well as brief, enlightening introductions for each specific work, explaining theme and structure. These are enhanced by new and expanded footnotes and a glossary of terms. About the Translators Kieran Kavanaugh, O.C.D. Father Kieran, a native of Milwaukee, Wisconsin, made his profession as a Discalced Carmelite in 1947. He has held several important positions within the order, including prior, formation director, and provincial councilor. A founding member of the Institute of Carmelite Studies, he subsequently served as its chair, as well as publisher of ICS Publications. Father Kieran's major contributions in the field of Carmelite studies are his translations from the Spanish of the works of St. Teresa of Jesus and St. John of the Cross, in collaboration with Father Otilio Rodriguez. He also was the English translator of God Speaks in the Night: The Life, Times and Teaching of St. John of the Cross, a pictorial biography of St. John of the Cross commemorating the 400th anniversary of his death, published in several languages. In addition to translations, Father Kieran is also the author of two ICS Publications' study editions of the works of St.

David, King of the Jews, possessed every flaw and failing a mortal is capable of, yet men and women adored him and God showered him with many more blessings than he did Abraham or Moses. His sexual appetite and prowess were matched only by his violence, both on the battlefield and in the bedroom. A charismatic leader, exalted as "a man after God's own heart," he was also capable of deep cunning, deceit, and betrayal. Now, in *King David: The Real Life of the Man Who Ruled Israel*, bestselling author Jonathan Kirsch reveals this commanding individual in all his glory and fallibility. In a taut, dramatic narrative, Kirsch brings new depth and psychological complexity to the familiar events of David's life--his slaying of the giant Goliath and his swift challenge to the weak rule of Saul, the first Jewish king; his tragic relationship with Saul's son Jonathan, David's cherished friend (and possibly lover); his celebrated reign in Jerusalem, where his dynasty would hold sway for generations. Yet for all his greatness, David was also a man in thrall to his passions--a voracious lover who secured the favors of his beautiful mistress Bathsheba by secretly arranging the death of her innocent husband; a merciless warrior who triumphed through cruelty; a troubled father who failed to protect his daughter from rape and whose beloved son Absalom rose against him in armed insurrection. Weaving together biblical texts with centuries of interpretation and commentary, Jonathan Kirsch brings King David to life in these pages with extraordinary freshness, intimacy, and vividness of

detail. At the center of this inspiring narrative stands a hero of flesh and blood--not the cartoon giant-slayer of sermons and Sunday school stories or the immaculate ruler of legend and art but a magnetic, disturbingly familiar man--a man as vibrant and compelling today as he has been for millennia.

The notion of a man-god, or of a human being endowed with divine or supernatural powers, belongs essentially to that earlier period of religious history in which gods and men are still viewed as beings of much the same order, and before they are divided by the impassable gulf which, to later thought, opens out between them. Strange, therefore, as may seem to us the idea of a god incarnate in human form, it has nothing very startling for early man, who sees in a man-god or a god-man only a higher degree of the same supernatural powers which he arrogates in perfect good faith to himself. -from "Chapter VII: Incarnate Human Gods" In 1890, James George Frazer began publishing *The Golden Bough*, his monumental study of myth, ritual, and religion, which would, by 1936, run to 13 volumes and establish him as a pioneer in the study of religion as an aspect of culture. This abridged edition, assembled in 1922, condenses this fundamental work to one readable volume that is still a source for modern anthropology, thanks to its expansive discussions ancient cultish practices and their connections to the rites of modern Christianity. In eloquent prose, Frazer discusses legends of the woods, sympathetic magic, magicians as kings, the worship of trees, the concept of the sacred marriage, the links between priestly and royal power, ritual royal sacrifices, the concept of "eating the god," the myths of Osiris, Adonis, Isis, and other ancient deities, and much more. Lovers of mythology will be enraptured by this book, which draws all of human belief under one unifying umbrella, celebrating myth and ritual as part of the basis of all human culture. Scottish anthropologist SIR JAMES GEORGE FRAZER (1854-1941) also wrote *Man, God,*

Now as to Brigit she was born at sunrise on the first day of the spring, of a bondwoman of Connacht. And it was angels that baptized her and that gave her the name of Brigit, that is a Fiery Arrow. She grew up to be a serving girl the same as her mother. And all the food she used was the milk of a white red-eared cow that was set apart for her by a druid. And everything she put her hand to used to increase, and it was she wove the first piece of cloth in Ireland, and she put the white threads in the loom that have a power of healing in them to this day. She bettered the sheep and she satisfied the birds and she fed the poor.ÊÊ

Dr. Norman L. Geisler has been called the "father of evangelical Christian philosophy." He has written more than one hundred books and taught at universities and top seminaries for some fifty-six years. He was the first president of the Evangelical Philosophical Society and the founder and first president of the International Society of Christian Apologetics. He has spoken or debated in more than two dozen countries and held pastoral/pulpit ministries in four states. Many view him as a cross between Thomas Aquinas and Billy Graham. No one has done more to communicate the modern challenges of the Faith to the "average" Christian, to the church, and to the academy. This volume offers creative and constructive essays from twenty-three contributors, all notable in their own right, who preserve and propagate Dr. Geisler's ideas and express appreciation for his influence. Those who know him best say he is "true, faithful, and blessed by God!"
