wedding decorations, providing an alternative to traditional ballroom weddings and suggesting such non-traditional locations as country farms and backyard venues.

### **Surviving Your Academic Job Hunt**

The daughter of a celebrated White House decorator draws on early memories of watching her father and studying art to counsel readers on how to understand design by observing four basic principles, sharing lavish photographs of 18 homes that represent a variety of styles.

### **Make Up**

A new farm home blending modern lines and materials with French antiques. When Brooke and Steve Giannetti decided to leave their suburban Santa Monica home to build a new life on a farm, they looked into themselves, and traveled to Belgium and France, for inspiration. Brooke's inviting prose combines with 200 photographs and Steve's architectural drawings to show their inspirations, their materials selections, and the enviable result of their team effort and creativity: an idyllic farm in California's Ojai Valley. We see every corner of the family home, guesthouse, lush gardens, and delightful animal quarters. Steve Giannetti is a renowned architect, and Brooke is an interior decorator and writer of the design blog Velvet and Linen. They also own Giannetti Home, a store that sells furniture and products for the home in their signature Patina style.

in!

## Elements of Style

Design darlings Cortney and Robert Novogratz tackle a long list of design dilemmas and offer scores of smart tips on how to solve them. Well known to their fans through their several reality TV shows (HGTV and Bravo), various home decor lines (with Amazon, WayFair, and now Home Goods), and their impressive social media following, designers Robert and Cortney Novogratz are beloved for their laid-back, chic, and family-friendly approach to home design. The couple has done it all: with over fifteen years of experience building and decorating houses for themselves and their exacting clients, they have faced every possible design challenge. In this volume, they offer up in-depth advice and tips for a multitude of design and decorating situations using over a dozen projects as examples: how to restore an old home and bring it back to life; how to turn a generic rental into a personality-filled space; how to use bold color to transform your home; how to decorate for small spaces; how to create spaces for kids, from bedrooms to playrooms; how to incorporate art in your home; and how to turn your house into an attractive Airbnb rental, among many other design-dilemma topics.

## New York Club Kids

A New York Times and USA Today Bestseller For the first time, Nicole Curtis, the star of the megahit HGTV and DIY Network show Rehab Addict, reveals her

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

private struggles, her personal victories, and the inspiring lessons we can all learn from them. Nicole Curtis is the tough, soulful, charismatic dynamo who for the past twenty years has worked tirelessly to restore historical houses, often revitalizing neighborhoods in the process. And also, in the process, drawing millions of fans to her television show, *Rehab Addict*, where they follow each step of the hard work and singular vision that transform the seemingly lost cause of a run-down building into a beautifully restored home. But there is so much more to this self-taught expert and working mom. With her signature irresistible honesty and energy, Curtis writes about a project that every reader will find compelling: how she rehabbed herself. *Better Than New* reveals what's not seen on TV—Curtis's personal battles and her personal triumphs, her complicated relationships, her life as a single mother, the story of how she got started remodeling houses, and the consuming ins and outs of producing a megahit television show while keeping up with two kids, two rescue dogs, and countless tasks on her home renovation punch lists. Followers of the show will get an inside look at some of her most famous restorations, including the Dollar house, the Minnehaha house, the Campbell Street project, and the Ransom Gillis mansion. Part inspirational memoir and part self-help guide, *Better Than New* is a journey in eight chapters—each pinned to the story of a house that Curtis has remodeled, each delivering a hard-fought lesson about life—that takes readers to the place we all want to be: home.

## **Novogratz Design Fix**

A novel of New York by the critically acclaimed author of *White Fur Lee* is at a tender and dangerous breaking point: she's not a kid anymore but still acting like one. She wants to be an artist, but her rent-paying SoHo restaurant job has taken over, and the late nights at strip clubs and afterhours joints have gone from joyful and crazy to just plain crazy. She's not alone among the chaotic souls of late-90s Williamsburg, Brooklyn—we root for her to grow up but she avoids reality, burying her fears in vintage Dior dresses, bad cocaine, cheeseburgers, and whiskey. Things slide downhill when she accepts money from her older boyfriend Yves, something she swore she'd never do, until she was being evicted. Meanwhile, Kelly—a new bartender with homemade tattoos and a murky past—shows up on the scene. Lee can be both narcissistic and earnest as she leads us through dark, glittering underworlds of New York City. Libaire's voice, like her heroine, is tough, elegant, and full of dreams. Here *Kitty Kitty* is an unforgettably vivid portrait of a woman finding her way at the turn of the twenty-first century.

## **Hold On to Your Dreams**

Published to coincide with the 20th anniversary of the interior-design magazine, a resource with 250 photos provides an intimate room-by-room guide to stunning interiors from around the world, in a book that draws on advice from A-list designers and architects and offers Style Guide fact boxes and a list of home-

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

furnishing shops and Web sites.

### **Here Kitty Kitty**

The most complete life list yet to the world's best places to see wildlife-both on and off the beaten path-from bird watching in an Ecuadorian cloud forest and floating among the corals in the Maldives to volunteering at wild animal rescue groups or caring for injured endangered rhinos in Africa. For anyone who is passionate about wildlife, this bucket list offers around-the-world listings of ways to experience animals and birds in their natural habitats. Fun, life-affirming activities are the focus from action-packed adventures (riding with wild horses in France, snorkeling with sharks in Belize) to more relaxing experiences (walking through a wildflower reserve in South Africa or floating among corals in the Maldives). Each activity is location-specific and geographically unique - kayaking with whales in Canada, watching snow monkeys take a sauna in Japan, going on a desert safari in Dubai. The book also addresses the issues facing vulnerable and endangered species, and suggests ways that travelers can help. Conservation-themed adventures include working as a Giant Panda keeper in China, volunteering at an endangered orangutan rescue in Indonesia, and guarding baby turtles in Costa Rica as they make their way from beach to ocean. Everyone has lifelong dreams of experiences they yearn to have, and this bucket list provides all the inspiration and practical advice necessary for the seasoned globetrotter or armchair traveller alike.

## **Downtown Chic**

Palm Beach interiors have long reflected the travels, penchants, and whimsies of the towns worldly inhabitants. But as real estate on this tiny barrier island becomes increasingly valuable, residents are calling upon world-class designers to help fine-tune their visions, giving rise to a fresh tropical design vernacular. Fashion designer Josie Natori, for instance, asked architect Calvin Tsao to transform a standard two-bedroom apartment into an airy retreat with rattan furniture and ethnic accessories that are perfectly suited to Palm Beachs subtropical setting and pay tribute to her Asian heritage. These homes arent slavish copies of interior design magazines or decorators dictates but testaments to what can be achieved when inspired by the natural beauty of a unique locale and when imagination is ones only limitation. *Tropical Chic: Palm Beach at Home* captures the enduring charm of newly restored seaside fantasies by Mizner, Fatio and Volk, celebrated for their Cuban coquina courtyards and soaring miradors overlooking tiled pools and arching fountains. Jennifer Ash Rudick, a long-time Palm Beach resident, leads an insiders tour of twenty-five houses, cottages, Moorish casbahs, artists compounds, and Mad Men era vintage condos. Jessica Klewicki, a Palm Beachbased photographer, captures extraordinary gardens, verandas, lakeside pavilions, a rustic ranch, and simple pastel Bermudan houses sheltered by dense thickets of Norfolk pines and age-old banyans. It is this eclectic mix of old and new, of Spanish and Caribbean, of contemporary design and

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

sun-faded WASP thrift, that makes Palm Beach chic.

### **Home Swell Home**

Once known for slum-like conditions in its immigrant and working-class neighborhoods, New York City's downtown now features luxury housing, chic boutiques and hotels, and, most notably, a vibrant nightlife culture. While a burgeoning bar scene can be viewed as a positive sign of urban transformation, tensions lurk beneath, reflecting the social conflicts within postindustrial cities. *Upscaling Downtown* examines the perspectives and actions of disparate social groups who have been affected by or played a role in the nightlife of the Lower East Side, East Village, and Bowery. Using the social world of bars as windows into understanding urban development, Richard Ocejo argues that the gentrifying neighborhoods of postindustrial cities are increasingly influenced by upscale commercial projects, causing significant conflicts for the people involved. Ocejo explores what community institutions, such as neighborhood bars, gain or lose amid gentrification. He considers why residents continue unsuccessfully to protest the arrival of new bars, how new bar owners produce a nightlife culture that attracts visitors rather than locals, and how government actors, including elected officials and the police, regulate and encourage nightlife culture. By focusing on commercial newcomers and the residents who protest local changes, Ocejo illustrates the contested and dynamic process of neighborhood growth. Delving into the social ecosystem of one emblematic section

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

of Manhattan, Upscaling Downtown sheds fresh light on the tensions and consequences of urban progress.

### **Better Than New**

The rugged beauty of the Pacific Coast has spawned a style that is informal yet modern, organic yet refined. *Northwest Style*, now in paperback, brings to light the spirit and diversity of this region's architecture and decor, as demonstrated in dozens of distinctive homes in Oregon, Washington, and British Columbia. Northwest style is notable for its extraordinary blend

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

of influences, including modernism and Japanese architecture. While the styles vary, a sensitivity to the environment and a desire to accentuate the natural beauty of the region lie at the heart of almost every design. Color photographs celebrate each structure's unique features, highlight architectural and decorative details, and show the surrounding landscape. Full of inspiring ideas, "Northwest Style belongs in the must-have category" (Seattle Post-Intelligencer).

### **GM's Motorama**

A narrative like no other: a cultural history that explores how cars have both propelled and reflected the American experience— from the Model T to the Prius. From the assembly lines of Henry Ford to the open roads of Route 66, from the lore of Jack Kerouac to the sex appeal of the Hot Rod, America's history is a vehicular history—an idea brought brilliantly to life in this major work by Pulitzer Prize-winning journalist Paul Ingrassia. Ingrassia offers a wondrous epic in fifteen automobiles, including the Corvette, the Beetle, and the Chevy Corvair, as well as the personalities and tales behind them: Robert McNamara's unlikely role in Lee Iacocca's Mustang, John Z. DeLorean's Pontiac GTO , Henry Ford's Model T, as well as Honda's Accord, the BMW 3 Series, and the Jeep, among others. Through these cars and these characters, Ingrassia shows how the car has expressed the particularly American tension between the lure of freedom and the obligations of utility. He also takes us through the rise of American

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

manufacturing, the suburbanization of the country, the birth of the hippie and the yuppie, the emancipation of women, and many more fateful episodes and eras, including the car's unintended consequences: trial lawyers, energy crises, and urban sprawl. Narrative history of the highest caliber, Engines of Change is an entirely edifying new way to look at the American story.

### **Restoring a House in the City**

A primer on Lower East Side culture draws on the authors' work as vegetarian restaurant and tea shop proprietors and shares anecdotes about their lives and patrons, in a volume complemented by health and beauty tips.

### **His Vision of Her**

Fully revised and updated, this book offers a comprehensive look at the do's and don'ts of the application and interview process and provides indispensable tips and a variety of practical tools.

### **The Address Book**

NAMED ONE OF THE TOP 10 ROCK MEMOIRS OF ALL TIME BY ROLLING STONE From Chic to Daft Punk, Nile Rodgers is the creative force behind some of the biggest hits ever recorded. Here is the story of how

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

global pop's greatest genius transformed his own dramatic life into the brilliantly joyful playlist of a generation. You will hear a Nile Rodgers song today. It will make you happy. In the 1970s and 1980s, Nile Rodgers wrote and produced the songs that defined the era and everything that came after: "Le Freak," "Good Times," "We Are Family," "Like a Virgin," "Let's Dance," "I'm Coming Out," "Rapper's Delight"—and worked with every influential pop star to create a string of enduring hits, from Diana Ross and Madonna to Duran Duran and David Bowie. Even today, he is still musically relevant: writing and performing record-breaking hits like "Get Lucky" with Daft Punk and Pharrell. But before he reinvented pop music, Nile Rodgers invented himself. From jamming with Jimi Hendrix in a Greenwich Village haze to the decadence of the disco era to witnessing the birth of Madonna on the Danceteria dance floor, *Le Freak* traces one of the greatest musical journeys of our time. Praise for *Le Freak* "[An] amazing memoir . . . steeped in the incestuous energy of the times: Punk, funk and art rock mixed it up in the downtown clubs, where musicians partied together and shared ideas. . . . *Le Freak* has plenty of sex and drugs. But it's the music that makes it essential. . . . Rodgers gave those dreams a beat—and helped invent pop as we know it today."—Rob Sheffield, *Rolling Stone* "This book is an absolute knockout: exhilarating, warm, and courageous, deeply moving and deeply funny. *Le Freak* is as much about the greatness of life as it is about Nile Rodgers's extraordinary musical journey. As Rodgers well knows, the best music is the stuff we feel, the stuff that speaks to us and won't let go. *Le Freak* does all that and much more. This is truly one

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

of the best books ever written about art, music, life, and the way we grow to be exactly who we are. Actually, one of the best books period.”—Cameron Crowe “A coming-of-age tale every bit as impressive as the musical insights and star-time chronicles that follow.”—The New York Times Book Review “Consistently entertaining . . . His legacy as a funk-rock visionary is assured, and his autobiography serves as further proof that disco does not suck.”—San Francisco Chronicle “An unforgettable, gripping book.”—The Sunday Times (UK) “Name a star and you can bet they’re in this book, playing or partying with Rodgers. But far from being a succession of name-dropping anecdotes, this autobiography is a wonderfully funny, moving and wise reflection upon the important things in life: the people you love and the things you create.”—The Sunday Telegraph (UK) “Rodgers’s page-turning memoir is packed with emotionally charged vignettes of a tumultuous childhood and equally dramatic adulthood that found him awash in cash, cars, and celebrities. . . . His storytelling skills propel the reader through the book, making the ending all the more jarring. Remarkable for its candor, this rags-to-riches story is on the year’s shortlist of celebrity memoirs.”—Publishers Weekly (starred review) From the Hardcover edition.

### **Beachside Bohemian**

New York: Club Kids is a high impact visual diary of New York City in the 1990s, seen through the eyes of Waltpaper, a central figure within the Club Kids. The

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

Club Kids comprised an artistic and fashion-conscious youth movement that crossed over into the public consciousness through appearances on daytime talk shows, magazine editorials, fashion campaigns, and music videos, planting the seeds for popular cultural trends such as reality television, self-branding, influencers, and the gender revolution. Known for their outrageous looks, legendary parties, and sometimes-illicit antics, The Club Kids were the hallmarks of Generation X and would prove to be the last definitive subculture group of the analog world. The '90s, whose 30th anniversary is quickly approaching, has come to be known as the last discernible and cohesive decade, cherished by those who experienced it and romanticized by those who missed it. The first comprehensive visual document of '90s nightlife and street culture, *New York Club Kids* grants special access to a dormant world, curated and narrated by someone who participated in the experience. Featuring rare photographs and ephemera, the book culls from the personal archives of various photographers and artists whose recognition is long overdue.

### **Just Kids**

An extraordinary debut in the tradition of classic works from authors such as Mark Kurlansky, Mary Roach, and Rose George. An exuberant and insightful work of popular history of how streets got their names, houses their numbers, and what it reveals about class, race, power, and identity. When most people think about street addresses, if they think of

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find your way; they were created to find you. In many parts of the world, your address can reveal your race and class. In this wide-ranging and remarkable book, Deirdre Mask looks at the fate of streets named after Martin Luther King Jr., the wayfinding means of ancient Romans, and how Nazis haunt the streets of modern Germany. The flipside of having an address is not having one, and we also see what that means for millions of people today, including those who live in the slums of Kolkata and on the streets of London. Filled with fascinating people and histories, *The Address Book* illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't—and why.

### **The Bucket List: Wild**

In 1974, Rick Telander intended to spend a few days doing a magazine piece on the court wizards of Brooklyn's Bedford-Stuyvesant. He ended up staying the entire summer, becoming part of the players' lives and eventually the coach of a loose aggregation known as the Subway Stars. Telander tells of everything he saw: the on-court flash, the off-court jargon, the late-night graffiti raids, the tireless efforts of one promoter-hustler-benefactor to get these kids a chance at a college education. He lets the kids speak for themselves, revealing their grand dreams and ambitions. But he never flinches from showing us how

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

far their dreams are from reality. The roots of today's inner-city basketball can be traced to the world Telander presents in "Heaven is a Playground," the first book of its kind. Rick Telander is a senior writer for "Sports Illustrated" and the winner of the 1987 Notre Dame Club Award for Excellence in Sports Journalism.

### **Teany Book**

Hold On to Your Dreams is the first biography of the musician and composer Arthur Russell, one of the most important but least known contributors to New York's downtown music scene during the 1970s and 1980s. With the exception of a few dance recordings, including "Is It All Over My Face?" and "Go Bang! #5," Russell's pioneering music was largely forgotten until 2004, when the posthumous release of two albums brought new attention to the artist. This revival of interest gained momentum with the issue of additional albums and the documentary film Wild Combination. Based on interviews with more than seventy of his collaborators, family members, and friends, Hold On to Your Dreams provides vital new information about this singular, eccentric musician and his role in the boundary-breaking downtown music scene. Tim Lawrence traces Russell's odyssey from his hometown of Oskaloosa, Iowa, to countercultural San Francisco, and eventually to New York, where he lived from 1973 until his death from AIDS-related complications in 1992. Resisting definition while dreaming of commercial success, Russell wrote and performed new wave and disco as

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

well as quirky rock, twisted folk, voice-cello dub, and hip-hop-inflected pop. “He was way ahead of other people in understanding that the walls between concert music and popular music and avant-garde music were illusory,” comments the composer Philip Glass. “He lived in a world in which those walls weren’t there.” Lawrence follows Russell across musical genres and through such vital downtown music spaces as the Kitchen, the Loft, the Gallery, the Paradise Garage, and the Experimental Intermedia Foundation. Along the way, he captures Russell’s openness to sound, his commitment to collaboration, and his uncompromising idealism.

### **Bazaar Style**

Rosie Goes To Fargo is a children's picture book following two-year-old Rosie and her bunny on an adventure-filled day as they visit charming locations in Fargo, North Dakota. Illustrated with whimsical photographs taken by photographer Ria Lee, this book is suited for the very young child to early reader.

### **Engines of Change**

From the rising-star designer and author of the hit blog, *Elements of Style*, a full-color, fully illustrated book packed with honest advice, inspiration, ideas, and lessons learned about designing a home that reflects your personality and style. *Elements of Style* is a uniquely personal and practical decorating guide that shows how designing a home can be an outlet of personal expression and an exercise in self-discovery.

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

Drawing on her ten years of experience in the interior design industry, Erin combines honest design advice and gorgeous professional photographs and illustrations with personal essays about the lessons she has learned while designing her own home and her own life—the first being: none of our homes or lives is perfect. Like a funny best friend, she reveals the disasters she confronted in her own kitchen renovation, her struggles with anorexia, her epic fight with her husband over a Lucite table, and her secrets for starting a successful blog. Organized by rooms in the house, *Elements of Style* invites readers into Erin's own home as well as homes she has designed for clients. Fresh, modern, and colorful, it is brimming with glamour and style as well as advice on practical matters from choosing kitchen counter materials to dressing a bed with pillows, picking a sofa, and decorating a nursery without cartoon characters. You'll also find a charming foreword by Erin's husband, Andrew, and an extensive Resource and Shopping Guide that provides an indispensable roadmap for anyone embarking on their first serious home decorating adventure. With Erin's help, you can finally make your house your home.

### **Northwest Style**

A comprehensive guide to getting the best results while building or renovating a home operates on the belief that homeowners can't know what goes into a plan unless someone tells them, which is based on the premise if homeowners knew even 10% of what the professionals know, they could avoid 90% of the

## Download Ebook Downtown Chic Designing Your Dream Home From Wreck To Ravishing

problems. Original.

### **Upscaling Downtown**

If you love rummaging through markets for unusual fabrics, and can't pass an antique or second-hand shop without popping in, *Bazaar Style* is for you. Stylist Selina Lake and experienced interiors writer Joanna Simmons show you real homes furnished with intriguing pieces from different eras and cultures, which mix and match colors, patterns, and design. You'll discover an inspiring mix of vintage and retro influences, flea-market finds, and pieces inspired by a French brocante or Moroccan bazaar. You can also use these pieces to customize chainstore basic buys such as a plain sofa or new bed. Selina and Joanna explain elements such as Furniture, Textiles, Lighting, Accessories, Display, and Color, then they show you how a particular style works in Kitchens, Living Rooms, Bedrooms, Bathrooms, and Home Offices.\* Inspiring photographs by Debi Treloar.\* The perfect gift for those who like to mix vintage and retro styles.

creative sanctuaries of top designers, artists, editors, architects, and more are captured and presented in detail.

### **Patina Farm**

The story of the eight GM Motoramas staged between 1949 and 1961, featuring the cars introduced at these extravaganzas--including the Corvette prototype.

### **Rosie Goes to Fargo**

In Dream Design Live, decorator Paloma Contreras goes beyond interior design to show readers how to inhabit their homes in fulfilling and beautiful ways. Divided into three sections, this hardworking book proves that the most appealing interiors are also the most personal ones. Contreras takes readers through the design process and encourages them to seek inspiration from the approach that works best for them. From thinking creatively to improve both your home and your life, to showing you how to turn your dreams into realities, the author reveals how you can take the welcoming space you've just created and spend meaningful time there pursuing the activities you love. With stunning photography and accessible-yet-elegant tips, Dream Design Live fuses interior decorating advice with lifestyle recommendations and demonstrates how living a happy and satisfying life starts at home.

One of Essence's "10 Books We're Dying To Toss Into Our Summer Totes" From sneakers to leather jackets, a bold, witty, and deeply personal dive into Black America's closet In this highly engaging book, fashionista and pop culture expert Tanisha C. Ford investigates Afros and dashikis, go-go boots and hotpants of the sixties, hip hop's baggy jeans and bamboo earrings, and the #BlackLivesMatter-inspired hoodies of today. The history of these garments is deeply intertwined with Ford's story as a black girl coming of age in a Midwestern rust belt city. She experimented with the Jheri curl; discovered how wearing the wrong color tennis shoes at the roller rink during the drug and gang wars of the 1980s could get you beaten; and rocked oversized, brightly colored jeans and Timberlands at an elite boarding school where the white upper crust wore conservative wool shift dresses. *Dressed in Dreams* is a story of desire, access, conformity, and black innovation that explains things like the importance of knockoff culture; the role of "ghetto fabulous" full-length furs and colorful leather in the 1990s; how black girls make magic out of a dollar store t-shirt, rhinestones, and airbrushed paint; and black parents' emphasis on dressing nice. Ford talks about the pain of seeing black style appropriated by the mainstream fashion industry and fashion's power, especially in middle America. In this richly evocative narrative, she shares her lifelong fashion revolution—from figuring out her own personal style to discovering what makes Midwestern fashion a real thing too.

A vibrant addition to the 'seaside living' book tradition, Beachside Bohemian injects life into this perennial category through its celebrated authors, design duo Robert and Cortney Novogratz. Known for combining bohemian chic style and family living, the couple serve up fun and practical design and lifestyle tips through their vacation house on the Brazilian coast. Ten years ago, the Novogratzes bought a modest house in disrepair in Trancoso, Brazil, long before the rest of the world had discovered the peaceful beach outpost. This gorgeous book chronicles the transformation of the unremarkable cottage into a beloved family retreat in the glorious tropical environment of coastal Brazil that perfectly fits their lifestyle, where outside living is as important as interior.

### **Magical Rooms**

Get the "Novogratz" look In this book, design duo Robert and Cortney Novogratz (stars of HGTV's Home by Novogratz) give us an inside look at twenty of their favorite projects to show us how to achieve their signature "vintage modern" style. See how they effortlessly mix contemporary furniture with thrift-store finds, and learn all sorts of tricks for creating a stylish home no matter what the obstacles: seven children, small spaces, or a tiny budget. From toddler-friendly bedroom for triplets to a beach retreat for two twenty-somethings, from a New Jersey basement to a Palm Beach cabana, Home by Novogratz proves that good design is just a book away.

### **Alexa Hampton**

In a novel about being an outsider in America and what it means to be an American, Vladimir, a young Russian-American immigrant, pursues his dreams of success, wealth, and a girlfriend, as his quest takes him deep into uncharted territory.

### **Make Up (Enhanced Edition)**

Known for her witty and whimsical interiors with a bohemian flair, Brooklyn-based designer Fawn Galli shows us how to create magical rooms ourselves without breaking the bank. Guided by her philosophy "A room should awaken the senses," Galli's goal is to cast a spell with her interior designs. Galli's interiors are celebrated for expressing the deepest desires of her clients through storytelling layers of textiles, colors, and furnishings. In *Magical Rooms*, Galli shares her collaborative approach to show us how we can transform our inspirations into good design.

Showcasing twelve very different interiors--from a Brooklyn townhouse to a Tribeca loft to a Greenwich Village apartment to an Upper West Side penthouse--Galli illustrates how she has achieved the finished look for each and breaks down her design principles into instructive teachings on scale, structure, balance, and color that readers can apply to their own interiors. Through the lens of her favorite rooms, Galli shares her own inspirations and tried-and-true tips, revealing how she distills her influences into five elements that she uses, in every project: Nature (bring the outside in); Clashing (a no-rules attitude);
