Have you ever grown weary of going around the same mountain over and over again? Have you ever wondered why you continuously deal with the same issues generation after generation, with no victory in sight? Then you are probably dealing with something that is hidden much deeper within. It may have been planted generations before, unknown to you. This may have produced evil fruit and kept you and your family in bondage, robbing you of their blessings and ultimate destiny. In the Book Spiritual Cleansing, you will understand the importance of getting to the root causes of the issue, thereby eliminating the evil fruit that is continuously reproduced in your life. It is time for the body of Christ to walk in freedom in every area of our lives. Sometimes as believers, we get stuck in a particular area of our lives in our walk with the Lord. And we often wonder why we can never gain the victory. The enemy tries to convince us that we can't get past it and we continue to reap a harvest of pain and defeat. It is time we stop settling for less than wholeness. Jesus defeated everything in His death, burial and resurrection. Obtain your Spiritual Cleansing and learn how to gain freedom in every area of your life and to share that freedom with others who need to break the chains of bondage in their own lives.

Journalist Walls grew up with parents whose ideals

and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

No matter the industry, employees now routinely travel to other countries or interact with foreign customers, vendors, or fellow employees. Or they conduct business over the phone, via e-mail, or through video links. As a result, they have to understand international customs and etiquette or risk losing customers or botching business relations. And understanding business customs in other cultures isn't merely playing good defense—it often leads to new products or service enhancements that help an enterprise grow. In

Happy Homemade: Sew Chic

Janette Oke has dreamed for years of retelling a story in a biblical time frame from a female protagonist's perspective, and Davis Bunn is elated to be working with her again on this sweeping saga of the dramatic events surrounding the birth of Christianity and the very personal story of Leah, a young Jewess of mixed heritage trapped in a vortex of competing political agendas and private trauma. Caught up in the maelstrom following the death of an obscure rabbi in the Roman backwater of first-century Palestine, Leah finds herself also engulfed in her own turmoil--facing the prospect of an arranged marriage to a Roman soldier, Alban, who seems to care for nothing but his own ambitions. Head of the garrison near Galilee, he has been assigned by Palestine's governor to ferret out the truth behind rumors of a political execution gone awry. Leah's mistress, the governor's wife, secretly commissions Leah also to discover what really has become of this man whose death--and missing body--is causing such furor. This epic drama is threaded with the tale of an unlikely romance and framed with dangers and betrayals from unexpected sources. At its core, *The Centurion's Wife* unfolds the testing of loyalties--between two young people whose inner searchings they cannot express, between their irreconcilable heritages, and ultimately between their humanity and the Divine they yearn to encounter.

must follow. Caught in her own particular darkneses, she embarks on an Ulyssean sift through the stories we tell ourselves, stories of love and loss, of passion and regret, stories of unending journeys that move through places and times, and the bleak finality of the shores of betrayal. A story of mutability, of talking birds and stolen books, of Darwin and Stevenson and of the Jekyll and Hyde in all of us, Lighthousekeeping is a way in to the rooms of our own that we secretly inhabit and the lighthouses we strive towards. Jeanette Winterson is one of the most extraordinary and original writers of her generation and this shows her at her lyrical best. From the Hardcover edition.
