SPANISH - GENERAL KNOWLEDGE WORKOUT #2

A stalwart among Bengali writers, Ashapurna Debi (1909–95) was one of those rare authors able to render the voice of an entire culture, to capture its nuances and most abiding traditions with startling precision and formidable insight. Each of the twenty-one stories in Matchbox, carefully selected from Ashapurna Debi's extensive body of work and brilliantly translated from Bengali to retain the original flavour of the language and Debi's style, highlights the tensions inherent in a society of close-knit and interdependent families. In 'Poddolota's Dream', a young girl returns to the scene of a harrowing childhood, magnanimous and victorious for reasons quite her own; in 'Grieving for Oneself', a midnight scare shows an ailing man precisely how he fits into the world he has worked his life to build; in 'Glass Beads Diamonds', a woman attends a wedding reception at her estranged in-laws', bearing a gift that has cost her far too much. In other stories, a family rues an unexpected disappearance of one of their own, two friends come to terms with a lost friendship, and a couple's relationship is interrupted the sudden appearance of an old flame. Written with singular insight, often shocking and always compelling, the stories in Matchbox reveal in brilliant sparks the universal verities embedded within narrow domestic walls and present a literary genius at work.

Strategies for Teaching English Learners

English in Common is a six-level American English integrated-skills course for adult and young adult learners based on CEFR standards and learner outcomes. Finding direction and purpose English in Common 3 motivates learners through Can Do objectives which give direction and purpose, ensuring students know what they are learning, why they are learning it, and how they will be able to use the language outside of the classroom. Engaging learners' interest English in Common 3 engages learners' interest by offering a new twist to familiar topics –topics that reflect students' needs and interests. This ensures that students will always have something to say about the content of the lesson. Developing active learners English in Common 3 encourages active participation in learning by guiding students to use their own knowledge as they observe structures in context to figure out language use and form independently. English in Common 3 Student Books are divided into either ten or twelve units and have enough material for approximately 60 to 90 hours of instruction. Each Student Book has a bound-in ActiveBook, which contains a digital Student Book with the entire audio program, Extra Listening practice and activities, and a printable Language Portfolio to help students keep a record of their progress. Also available as a blended learning program, with MyEnglishLab, an online learning tool for personalized practice, with automatic gradebook. Level 3 is for Pre-intermediate, and covers competencies in the A2-B1 bands of the CEF.
