### **The Magic of Thinking Big**

This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.

A collection of masterful short stories in Julio Cortazar's sophisticated, powerful and gripping style. 'Julio Cortázar is truly a sorcerer and the best of him is here, in these hilariously fraught and almost eerily affecting stories' Kevin Barry A grieving family home becomes the site of a terrifying invasion. A frustrated love triangle, brought together by a plundered Aztec idol, spills over into brutality. A lodger's inability to stop vomiting bunny rabbits inspires a personal confession. As dream melds into reality, and reality melts into nightmare, one constant remains throughout these thirty-five stories: the singular brilliance of Julio Cortazar's imagination. WITH A NEW INTRODUCTION BY KEVIN BARRY 'Anyone who doesn't read Cortázar is doomed' Pablo Neruda

Les Misérables is a French historical novel by Victor Hugo that is considered one of the greatest novels of the 19th century. Beginning in 1815 and culminating in the 1832 June Rebellion in Paris, the novel follows the lives and interactions of several characters, focusing on the struggles of ex-convict Jean Valjean and his experience of redemption. Examining the nature of law and grace, the novel elaborates upon the history of France, the architecture and urban design of Paris, politics, moral philosophy, antimonarchism, justice, religion, and the types and nature of romantic and familial love. More than a quarter of the novel is devoted to essays that argue a moral point or display Hugo's encyclopedic knowledge. The topics Hugo addresses include cloistered religious orders, the construction of the Paris sewers, argot, and the street urchins of Paris. Even when not turning to other subjects outside his narrative, Hugo sometimes interrupts the straightforward recitation of events, his voice and control of the story line unconstrained by time and sequence. The story begins in 1815 in Digne, as the peasant Jean Valjean, just released from 19 years' imprisonment in the galleys—five for stealing bread

for his starving sister and her family and fourteen more for numerous escape attempts—is turned away by innkeepers because his yellow passport marks him as a former convict. He sleeps on the street, angry and bitter. Digne's benevolent Bishop Myriel gives him shelter. At night, Valjean runs off with Myriel's silverware. When the police capture Valjean, Myriel pretends that he has given the silverware to Valjean and presses him to take two silver candlesticks as well, as if he had forgotten to take them. The police accept his explanation and leave. Myriel tells Valjean that his life has been spared for God, and that he should use money from the silver candlesticks to make an honest man of himself. Six years pass and Valjean, using the alias Monsieur Madeleine, has become a wealthy factory owner and is appointed mayor.

William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth

century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of *Lord of the Flies*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

## **All Men Are Brothers**

Being emotionally independent does not mean that you have to stop being loving, It is about being the master of your own feelings, faithful to your own principles and never handing over your personal dignity to someone else in exchange for something, not even in the name of love. Do I love or do I depend? If this is a question you ask yourself, then this guide, based on the bestseller, *To Love or to Depend?* is for you. In it, Walter Riso teaches us, in a practical manner and without too much theory involved, the steps we need to take in order to be

able to love without being emotionally dependent. He provides ideas and processes that will help you develop the right skills to deal with emotional dependency, prevent it and/or create a lifestyle aimed at emotional independence and affective detachment.

## **Les Miserables**

Updated with a new foreword and revised text, a twentieth anniversary release of a top-selling reference counsels women on how to end destructive cycles of co-dependence and misogyny, in a guide that shares case histories of women who have ended or improved relationships with emotionally unavailable, addicted, or unfaithful partners. Reprint. 50,000 first printing.

## **LSD, My Problem Child**

25th Anniversary Edition "A magnificent treasure for all cultures and all time." --St. Petersburg Times It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas--the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression.

**Lord of the Flies**

"A beautifully comprehensive look at what it might mean to be a sane and emotionally intelligent parent . . . hugely warm, wise, hopeful and encouraging."--Alain de Botton, author of How Proust Can Change Your Life Instant #1 Sunday Times Bestseller Every parent wants their child to be happy and every parent wants to avoid screwing them up (the way their parents did!). But how do you do that? In this absorbing, clever, and warm book, renowned psychotherapist Philippa Perry tells us what really matters and what behavior it is important to avoid--the vital dos and don'ts of parenting. Her approach begins with parents themselves and their own psychological make-up and history--and how that in turn influences one's parenting. Instead of mapping out the "perfect" plan, Perry offers a big-picture look at the elements that lead to good parent-child relationships. This refreshing judgement-free book will help you to:

- Understand how your own upbringing may affect your parenting
- Accept that you will make mistakes and learn what you can do about them
- Break negative cycles and patterns
- Handle your own and child's feelings
- Understand what different behaviors communicate

Full of sage and sane advice, *The Book You Wish Your Parents Had Read* is one every parent will want to read and every child will wish their parents had.

"The book every LGBT person would have killed for as a teenager, told in the voice of a wise best friend. Frank, warm, funny, USEFUL." —Patrick Ness, bestselling author *Lesbian. Bisexual. Queer. Transgender. Straight. Curious.* This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU. There's a long-running joke that, after "coming out," a lesbian, gay guy, bisexual, or trans person should receive a membership card and instruction manual. THIS IS THAT INSTRUCTION MANUAL. You're welcome. Inside you'll find the answers to all the questions you ever wanted to ask: from sex to politics, hooking up to stereotypes, coming out and more. This candid, funny, and uncensored exploration of sexuality and what it's like to grow up LGBT also includes real stories from people across the gender and sexual spectrums, not to mention hilarious illustrations. You will be entertained. You will be informed. But most importantly, you will know that however you identify (or don't) and whomever you love, you are exceptional. You matter. And so does this book. One of *The Guardian's Best Books of the Year* "This egregious gap has now been filled to a fare-thee-well by Dawson's book" - Booklist (Starred)
