A classic text about the social study of food, this is the first English language edition of Jean-Pierre Poulain's seminal work. Tracing the history of food scholarship, *The Sociology of Food* provides an overview of sociological theory and its relevance to the field of food. Divided into two parts, Poulain begins by exploring the continuities and changes in the modern diet. From the effect of globalization on food production and supply, to evolving cultural responses to food – including cooking and eating practices, the management of consumer anxieties, and concerns over obesity and the medicalization of food – the first part examines how changing food practices have shaped and are shaped by wider social trends. The second part provides an overview of the emergence of food as an academic focus for sociologists and anthropologists. Revealing the obstacles that lay in the way of this new field of study, Poulain shows how the discipline was first established and explains its development over the last forty years. Destined to become a key text for students and scholars, *The Sociology of Food* makes a major contribution to food studies and sociology. This edition features a brand new chapter focusing on the development of food studies in the English-speaking world and a preface, specifically written for the edition.

Santa Fe Police Chief Kevin Kerney is back in the tenth and most entertaining novel in Michael McGarrity's acclaimed mystery series. After years away on the pro rodeo circuit, Johnny Jordan struts into Santa Fe to ask his boyhood friend, Santa Fe Police Chief Kevin Kerney, to serve as a technical advisor on a contemporary Western movie to be filmed along the Mexican border. Kerney agrees and plans a working vacation on location, in a remote area of the state known as the Bootheel, with his wife, Lt. Colonel Sara Brannon, and their three-year-old son, Patrick. But, a dead man on the road near an isolated border crossing, a federal undercover investigation into immigrant smuggling, the search for a fugitive from military justice hiding somewhere in Europe, and Johnny Jordan's troublesome behavior all ensure that nothing goes as planned. As separate investigations embroil them in circumstances that will forever change their lives, Kerney must care for Patrick while Sara plays a dangerous game of Pentagon politics. Packed with family secrets, international intrigue, and memorable characters, this is McGarrity's most ambitious and involving novel to date-- traveling an accelerating arc from Santa Fe to the desert grasslands and mountains of the Bootheel, to the most secret levels

of the Pentagon, to a resort town on the coast of Ireland, and back to an adrenaline-charged climax on a desolate landing strip a few miles north of the Mexican border.

Eve, along with her sister Zoey, has an uncanny knack for helping people who frequent the Pike bakery at Pike Place Market in Seattle to find love. Her meddling is a thing of legends when it comes to matchmaking. But for Eve, it is a spectator sport as she has never really pursued a romantic relationship of her own. Love was for other people, and she basked in the results of watching people find their happily ever afters. Imagine her surprise when serendipity came knocking and she found herself falling head over heels. Her family has been dying of curiosity for months to find out who has Eve sneaking off to talk to in the middle of movies, or has her turning down events because she "has a date." Her secret has them all frantically trying to discover who has stolen the red headed dynamo's heart. Eve promises everyone that her certain someone will be attending their annual family Thanksgiving celebration but first, she has to pick up a family friend from London at the airport. (The Pike series is set in the same world as Music of the Soul and London Harmony, and can be read as a standalone book.)

The outrageously funny, heartbreaking, and surprising story of Tracy Morgan's rise from ghetto wiseass to superstar comedian. Who is Tracy Morgan? The wildly unpredictable funnyman who rocketed to fame on Saturday Night Live? The Emmy-nominated actor behind the sly and ingenious character Tracy Jordan on the award-winning hit sitcom 30 Rock, whose turbulent personal life often mirrors that of his fictional alter ego? Is he Chico Divine, the life of the party—any party, anytime, anywhere—getting ladies pregnant everywhere he goes? Or is he a soulful, tender family man who emerged from a hardscrabble ghetto upbringing and, against all odds, achieved superstardom, raised a solid family, prevailed over a collection of lethal bad habits, and is still ascending new heights and coming into his own? The answer is: Tracy Morgan is all that. And a bag of potato chips with a 50¢ soda. When he was just a boy living in the Tompkins Projects in Bed-Stuy, Brooklyn, being funny was about survival. With the right snap, Tracy could shut down the playground bullies who picked on him and his physically disabled older brother. And with a wild enough prank, he could exact revenge on whoever stole his Pumas at the community pool. Later, being funny was about escape—from the untouchable sadness of his father's death, from the desperation of the drug dealer's trade, from the life-and-death battles waged on the streets of the South Bronx in the age of crack. But these days being funny is about living his dream—a dream born in the

comedy clubs of Harlem and realized on shows like Martin and Saturday Night Live, where he was a cast member for seven years, and in movies like The Longest Yard and Half-Baked. With brutal honesty and his trademark take-no-prisoners humor, Tracy tells the story of his rise to fame, with all its highs and its many lows—from the very public battles with alcohol and diabetes that threatened both his career and his life to the private and poignant end of his twenty-year marriage. In his singularly warped and brilliant way he muses on family, love, sex, race, politics, ambition, and what it takes to bring the funny. Hilarious, inspiring, searing, and touching, *I Am the New Black* is a fascinating peek inside the minds of one of the most compelling and defining comedians of our time.

## **Daily Reading Comprehension, Grade 8**
