Fasting for Spiritual Breakthrough

Studies in the books of Ezra-Nehemiah have tended to become bogged down with such questions as, "Who came first, Ezra or Nehemiah, and were they contemporaries? When did Ezra make his journey to Jerusalem, how many trips did he make, and which route did he take?" In this commentary, the author undertakes a theological reading which emphasizes its character as narrative and story. He avoids rearranging the text and, with the exception of chapter five of Nehemiah, he seeks to understand the narrative as it was received. In general, Mark Throntveit avoids an overly historical approach to the text and presents a clear picture of Ezra and Nehemiah.

Bound by Law?

A New York Times Bestseller Brace yourself for GEMINA—the highly anticipated sequel to the book critics called “out-of-this-world awesome”—featuring journal illustrations by bestselling author Marie Lu! Moving to a space station at the edge of the galaxy

was always going to be the death of Hanna's social life. Nobody said it might actually get her killed. The sci-fi saga that began with the breakout bestseller *Illuminae* continues on board the Jump Station Heimdall, where two new characters will confront the next wave of the BeiTech assault. Hanna is the station captain's pampered daughter; Nik the reluctant member of a notorious crime family. But while the pair are struggling with the realities of life aboard the galaxy's most boring space station, little do they know that Kady Grant and the *Hypatia* are headed right toward Heimdall, carrying news of the Kerenza invasion. When an elite BeiTech strike team invades the station, Hanna and Nik are thrown together to defend their home. But alien predators are picking off the station residents one by one, and a malfunction in the station's wormhole means the space-time continuum might be ripped in two before dinner. Soon Hanna and Nik aren't just fighting for their own survival; the fate of everyone on the *Hypatia*—and possibly the known universe—is in their hands. But relax. They've totally got this. They hope. Once again told through a compelling dossier of emails, IMs, classified files, transcripts, and schematics, Gemina raises the stakes of the *Illuminae* Files, hurling readers into an enthralling new story that will leave them breathless. In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever

gave us.

It's the collision of documentary filmmaking and intellectual property law, and it's the inspiration for this new comic book. Follow its heroine Akiko as she films her documentary,

and navigates the twists and turns of intellectual property. Why do we have copyrights? What is "fair use"? Bound By Law reaches beyond documentary film to provide a commentary on the most pressing issues facing law, art, property and an increasingly digital world of remixed culture.

An Introduction to the Books of Ezra, Nehemiah, and Esther

Written by Gad, seer of King David, about 1000 BC, this book of prophecy is recommended reading by the Bible, but was never included in the Canon. It was thought to have been lost over three millennia ago. The books of Gad, Nathan, Ahijah, Shemaiah and Iddo are referred to as "The Lost Five." This long-lost book includes two revealing sermons given by King David. We have a prophecy that outlines the end times beginning with the Rapture, the seven-year tribulation and the establishment of Christ's millennial reign. More intriguing than that, it actually reveals who Mystery Babylon is and how it tries to destroy the Jews though a union with Islam, both groups having different replacement theology religions. There are

also two discussions on how the Law of Moses views Gentiles. Do they keep the whole Law or not? This book is a real eye-opener for those who are interested in Bible prophecy and Messianic Judaism. Brought to you by Bible Facts Ministries, biblefacts.org

Elias Raven's poetry has been gaining critical acclaim since he came onto the poetry scene a few years ago. His book "The Painted Shadows" has been recognized by many as a work that is both refreshing and challenging at the same time. His poetry is familiar, yet the style is fully his own. The authors meditations on love & loss, life & death, religion & spirituality, his own personal identity, humanity, history & sexuality all form a compelling narrative for the reader as he pushes the absolute limits of his creativity. This poet delves deeply into his past and present taking us all on a very real and personal journey of the spirit as he seeks to articulate his visions with the rest of us. "The poetry of his writing embodies a range of feelings and images that are always unpredictable, yet beautiful and haunting at the same time His words resonate with the reader and open doorways to the limitless possibilities [whether he] is proposing his own re-interpretation or vision to historical images and text. His words are painful to read at times, the images that come forth bleed from his heart echoing in the interior of his soul, screaming his pain Still other passages are deeply erotic and mesmerizing, leaving the reader to wonder how much is from this poets

own personal reality. He can look into the night and transcend meaning, his words leave an indelible impression, causing the reader to dive back in again and again looking for hidden meanings and gems among the passages Elias truly gives space to poetic meaning and initiates further dialogue leaving the reader wanting more and more." KB The assembled guest poets that are in the back of this book of poetry both old and new form a wonderful compliment to this gifted writers verse. Familiar names from the indie writing community like Ethan Radcliff, Alan Walker & Alexandria Sure along with a slew of new and upcoming poets all form a wonderful framework and introduction to this writers poetic vision.

The Dinosaur Potty Training Book

The Dinosaur Potty Training Book Ezra Monson has written an engaging story, The Dinosaur Potty Training Book, to read to your toddler when he or she is ready to be toilet-trained, usually between the age of sixteen and eighteen months. Several potty-training books for toddlers have been written before, but this one is unique. It features a cute little dinosaur called Dino who is going through the familiar process every child must go through. Dino often makes mistakes while he learning, and all small children will be able to identify with his anxieties. When Dino's parents first bring home a potty for him and ask him to sit on it, Dino obliges but has no idea what he is supposed to do next. Like most toddlers, he takes a while to understand exactly how to use this new device. He needs constant and calm reminders from

his parents before he does what they want him to do. Dino is at first upset when he makes mistakes. He cries after finding himself sitting in a puddle, but after loving reassurance from both of his parents, he finally gets it right. Every parent of a toddler needs The Dinosaur Potty Training Book. Written in basic English and beautifully illustrated, the dinosaur potty book is a gentle way to explain to youngsters what to do when nature calls. The Dinosaur Potty Training Book reminds parents of the need to be quietly patient throughout the whole training process, as accidents will invariably occur and scolding a child can be counter-productive. Parents are urged to stay calm when their children make mistakes, and to softly remind them of what is expected. Interspersed throughout the book are useful tips for the grown-ups, for example, "Keep the potty close by." When success comes, as it inevitably does, The Dinosaur Potty Training Book presents this as a highly positive experience. With the feeling of clean and dry pants at last, no wonder Dino is happy!

How John Wrote the Book of Revelation: From Concept to Publication

This romance will appeal to fans of E. L. James, Sylvia Day, Erica Wilde, and CD Reiss. Editorial reviews: 'Sizzling with suspense' 'A sexy game of cat and mouse with tense twists and steamy turns' 'A thrill-ride with a romantic plot' 'Truly satisfying. Filled with suspense' This novel contains the full three-part trilogy (The Man I Need, The Man I Desire, and The Man I Love) PART ONE (The Man I Need): Ezra:

Knowing Tyler will soon be released from prison for kidnapping her seven years earlier, has decided to live a quiet life in the city where anonymity is possible, but then she meets Blake. After a break-in at her apartment she reluctantly accepts refuge from the handsome mysterious stranger, but it comes with a price. Blake is not the kind of man she wants in her life. Blake: Over-protective and used to getting what he wants, finds Ezra's independent, sassy, strong-willed attitude more than he bargained for. But taming her is less of a challenge compared to keeping her alive. When danger comes knocking at his door Blake's only priority is keeping Ezra safe, even if his methods might be deemed a little unconventional. Ezra is used to running from her problems but the consequences, this time, could be fatal. Before her actions destroy them both, Ezra must decide if giving into Blake's desires is a safer option. Should she continue to fantasise over the kind of man she wants or surrender to the man she needs? PART TWO (The Man I Desire): Ezra: Having decided to sell her London flat to live with Blake, a series of unfortunate events force her to question whether she's done the right thing. Blake is intent on earning her trust, but she's not ready for commitment. When he declares his love for her she is about ready to do as she always does when challenged and run. Blake: Realising Ezra is missing a chance discovery leads Blake to question whether she really is the woman he thought she was. Assuming she's fled he doesn't suspect that Ezra's disappearance may have been caused by something more sinister, but Tyler is still out there, somewhere . . . Will Ezra's lies catch up with her before she has the chance to acknowledge her true desire? PART THREE

(The Man I Love): Ezra didn't plan on falling in love with Blake, but now she can't imagine being without him so when after just two weeks of marriage he grows distant, she assumes that having a ring on her finger meant so much more to her than it ever did to him. Blake has a secret. A secret that could tear them apart, or bring them closer. Will their marriage succeed or will Blake have to find a way to make it work, for better or worse?

The Complete Book of Who's Who in the Bible

The original adult coloring book! A New York Times

bestseller when it was originally published in 1961, *The Executive Coloring Book* is crashing the adult coloring book party with its subversive humor. "This is me. I am an executive. Executives are important. They go to important offices and do important things. Color my underwear important." So begins the dangerously funny classic, *The Executive Coloring Book*. Originally published more than fifty years ago, this brief and brilliant coloring book skewers the early sixties executive set. If *Mad Men* made them look glamorous, *The Executive Coloring Book* casts them in a different hue and invites everyone in on the joke.

Monstrous Beauty

A celebration of the extraordinary life of Ezra Jack Keats, creator of *The Snowy Day*. The story of *The Snowy Day* begins more than one hundred years ago, when Ezra Jack Keats was born in Brooklyn, N.Y. The family were struggling Polish immigrants, and despite Keats's obvious talent, his father worried that Ezra's dream of being an artist was an unrealistic one. But Ezra was determined. By high school he was winning prizes and scholarships. Later, jobs followed with the WPA and Marvel comics. But it was many years before Keats's greatest dream was realized and he had the opportunity to write and illustrate his own book. For more than two decades, Ezra had kept pinned to his wall a series of photographs of an adorable African American child. In Keats's hands, the boy morphed into Peter, a boy in a red snowsuit, out enjoying the pristine snow; the book became *The Snowy Day*, winner of the Caldecott Medal, the first mainstream

book to feature an African American child. It was also the first of many books featuring Peter and the children of his — and Keats’s — neighborhood. Andrea Davis Pinkney’s lyrical narrative tells the inspiring story of a boy who pursued a dream, and who, in turn, inspired generations of other dreamers.

Once a thriving working class neighborhood on Chicago’s south side, the “Bottomyards” is now the definition of urban blight. When an aspiring fashion designer named Darla and her image-obsessed friend, Cynthia, descend upon the neighborhood in search of cheap rent, they soon discover something far more seductive and sinister lurking behind the walls of their new home. Like a cross between Jordan Peele’s *Get Out* and John Carpenter’s *The Thing*, Daniels and Passmore’s *BTTM FDRS* (pronounced “bottomfeeders”) offers a vision of horror that is gross and gory in all the right ways. At turns funny, scary, and thought provoking, it unflinchingly confronts the monsters—both metaphoric and real—that are displacing cultures in urban neighborhoods today.

BTTM FDRS

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction

to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

Ancient Book of Gad the Seer

The historical Ezra was sent to Jerusalem as an emissary of the Persian monarch. What was his task? According to the Bible, the Persian king sent Ezra to

bring the Torah, the five books of the Laws of Moses, to the Jews. Modern scholars have claimed not only that Ezra brought the Torah to Jerusalem, but that he actually wrote it, and in so doing Ezra created Judaism. Without Ezra, they say, Judaism would not exist. In *Ezra and the Law in History and Tradition*, Lisbeth S. Fried separates historical fact from biblical legend. Drawing on inscriptions from the Achaemenid Empire, she presents the historical Ezra in the context of authentic Persian administrative practices and concludes that Ezra, the Persian official, neither wrote nor edited the Torah, nor would he even have known it. The origin of Judaism, so often associated with Ezra by modern scholars, must be sought elsewhere. After discussing the historical Ezra, Fried examines ancient, medieval, and modern views of him, explaining how each originated, and why. She relates the stories told about Ezra by medieval Christians to explain why their Greek Old Testament differs from the Hebrew Bible, as well as the explanations offered by medieval Samaritans concerning how their Samaritan Bible varies from the one the Jews use. Church Fathers as well as medieval Samaritan writers explained the differences by claiming that Ezra falsified the Bible when he rewrote it, so that in effect, it is not the book that Moses wrote but something else. Moslem scholars also maintain that Ezra falsified the Old Testament, since Mohammed, the last judgment, and Heaven and Hell are revealed in it. In contrast Jewish Talmudic writers viewed Ezra both as a second Moses and as the prophet Malachi. In the process of describing ancient, medieval, and modern views of Ezra, Fried brings out various understandings of God, God's law, and God's plan for our salvation.
