Absolution

The novelization of the highly anticipated God of War game. His vengeance against the Gods of Olympus years behind him, Kratos now lives as a man in the realm of Norse gods and monsters. It is in this harsh, unforgiving world that he must fight to survive and teach his son to do the same. This startling reimagining of God of War deconstructs the core elements that defined the series-- satisfying combat; breathtaking scale; and a powerful narrative--and fuses them anew.

Far Cry Absolution

From the bestselling author of Lily and the Octopus comes a novel about a struggling writer who gets his big break, with a little help from the most famous woman in America. After years of trying to make it as a writer in 1990s New York City, James Smale finally sells his novel to an editor at a major publishing house: none other than Jacqueline Kennedy Onassis. Jackie--or Mrs. Onassis, as she's known in the office--has fallen in love with James's candidly autobiographical novel, one that exposes his own dysfunctional family. But when the book's forthcoming publication threatens to unravel already fragile relationships, both within his family and with his partner, James finds that he can't bring himself to finish the manuscript. Jackie and James develop an unexpected friendship, and she pushes him to write an authentic ending, encouraging him to head home to confront the truth about his relationship with his mother. Then a long-held family secret is revealed, and he realizes his editor may have had a larger plan that goes beyond the page From the bestselling author of Lily and the Octopus comes a funny, poignant, and highly original novel about an author whose relationship with his very famous book editor will change him forever--both as a writer and as a son.

The Editor

The Carrion Birds from Urban Waite, author of the highly acclaimed *The Terror of Living*, is a remarkable work of literary noir. Hired gun Ray Lamar is ready to put his past behind him. The Guest Book

“An engaging, beautifully synthesized page-turner” (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton's most personal memoir yet, about the 2016 presidential election. In this “candid and blackly funny” (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. “At her most emotionally raw” (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing guide to our political arena” (The Washington Post), *What Happened* lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign

adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. What Happened is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

Watch Dogs: Dark Clouds

The clone assassin has been played long enough- now it's more than a game. Bred to kill, Agent 47 is The Agency's most valuable assassin. So when a competing murder-for-hire organization decides to destroy The Agency, the first person they target for elimination is Agent 47. Tasking someone to off the best hitman in the business is one thing; getting the job done is another. When the attempt falls short, Agent 47 is ordered to track down and kill the culprit who is feeding vital information about The Agency to its enemies. Agent 47 must follow a bloody trail halfway around the world, fight his way through the streets of Fez, Morocco, and battle slavers deep inside Chad. Then he will discover a shattering truth: If he fails at his mission, the price he'll pay will be far greater than his own life. . . . From the Paperback edition.

Angela's Ashes

Instant New York Times Bestseller "The Guest Book is monumental in a way that few novels dare attempt." —The Washington Post The thought-provoking new novel by New York Times bestselling author Sarah Blake A lifetime of secrets. A history untold. No. It is a simple word, uttered on a summer porch in 1936. And it will haunt Kitty Milton for the rest of her life. Kitty and her husband, Ogden, are both from families considered the backbone of the country. But this refusal will come to be Kitty's defining moment, and its consequences will ripple through the Milton family for generations. For while they summer on their island in Maine, anchored as they are to the way things have always been, the winds of change are beginning to stir. In 1959 New York City, two strangers enter the Miltons' circle. One captures the attention of Kitty's daughter, while the other makes each of them question what the family stands for. This new generation insists the times are changing. And in one night, everything does. So much so that in the present day, the third generation of Miltons doesn't have enough money to keep the island in Maine. Evie Milton's mother has just died, and as Evie digs into her mother's and

grandparents' history, what she finds is a story as unsettling as it is inescapable, the story that threatens the foundation of the Milton family myth. Moving through three generations and back and forth in time, *The Guest Book* asks how we remember and what we choose to forget. It shows the untold secrets we inherit and pass on, unknowingly echoing our parents and grandparents. Sarah Blake's triumphant novel tells the story of a family and a country that buries its past in quiet, until the present calls forth a reckoning.

What Happened

"Highly literate and entirely engrossing. One of the year's best literary thrillers." —The Washington Post It's twenty years since police detective Alan McAlpine has set foot in Patrickhill Station—and more than twenty years since he fell forever in love with the mute, faceless woman he called Anna as she lay dying in Glasgow's Western Infirmary. Daily he'd watched over her, and they had begun to communicate with each other, she by moving her wounded fingers. Her fingers could not tell the sad, unseasoned police cadet her name, however, or name for him the father of her newborn baby girl or identify the assailants who had flung the acid in her once incomparably beautiful face. Or tell him how she'd smuggled a cache of uncut diamonds into Scotland. Now McAlpine is back in Patrickhill, where he's been summoned to head up the investigation of a disturbing murder case. Two women—their arms outstretched, their legs together and feet crossed at the ankle—have already died at the hands of a man the press has tagged the Crucifixion Killer. With crimes in the present continually detouring both McAlpine and the elusive killer he pursues into an unredeemed past, the mystery in this steely, piercing psychological thriller is as gripping as its twists are surprising. And absolution proves to be extreme. Praise for CARO RAMSAY "While fellow-Scot Ian Rankin's narrative is unruly, Ramsay's is stately. It works because the story she tells is highly literate and entirely engrossing. McAlpine's passion leads the novel to a conclusion as powerful as it is unexpected. Absolution is among the year's best literary thrillers."—Patrick Anderson, The Washington Post "Let me recommend a first novel by Caro Ramsay, a Scottish author who is able to write scenes of heartbreaking tenderness nestled amid evocations of such grotesque violence that it is difficult to imagine that they can coexist as such sublime interlocking pieces of the whole. A noir police novel, like those by fellow Scottish author Ian Rankin, but with deeper psychological exploration, Absolution marks the beginning of what certainly will be a major career."—Otto Penzler, New York Sun

God of War - The Official Novelization

Set in the Pacific Northwest, a spellbinding story of family, violence, and unintended consequences that showcases the searing prose, soulful characters, and vivid sense of place of an acclaimed writer in the tradition of Cormac McCarthy, Dennis Lehane, and Elmore Leonard. Sheriff Patrick Drake tried to lead an upstanding life and maintain some financial

stability until his wife passed away. He did okay for a while, singlehandedly raising his family in a small mountain town. Then he was hit with money troubles, fell in with some unsavory men, and ended up convicted of one of the biggest crimes in local history. Twelve years later Patrick is on parole under the watchful eye of his son Bobby, who just happens to be a deputy sheriff in his father's old department. Bobby hasn't had it easy, either. He's carried the weight of his father's guilt, forsaking his own dreams, and put off the knowledge that his own marriage could be stronger and more hopeful. Yet no matter how much distance he's tried to put between himself, his father, his grandfather, and the past, small town minds can have very long memories. But trouble isn't done with the Drakes—and a terrifying threat boils up from Patrick's old life. And this time, no one will be spared. . . .

Far Cry Absolution

"I was living every comic's dream...with a nightmare attached." Anthony Griffith, a stand-up comic from Chicago's South Side, has lived on the borderline of comedy and tragedy. At the very time his career as a stand-up comedian was taking off, and he had finally achieved his dream of appearing on The Tonight Show, he was also enduring an unimaginable personal nightmare: his two-year-old daughter, Brittany Nicole, was dying from cancer. While Anthony performed under bright lights, he struggled not to succumb to the darkness of losing a child. Behind the Laughter asks, When your world is falling apart, how do you keep going? It's the story of how Anthony and his wife, Brigitte, learned to endure the most painful of times and emerge on the other side of the "zombie years." This memoir is deeply moving yet also humorous—packed with laughs as Anthony takes us from his gun-toting grandma's home to Chicago's white and black comedy clubs, then to Hollywood, and to the world of network television. The surprising twists along Anthony's path highlight the power of God that goes before us and prepares the way—a truth that later encourages Anthony and Brigitte after Brittany's death and moves them to reach out and comfort others going through similar difficulties. With humor and deep insights into the human spirit, Behind the Laughter explores the bonds of not only parent and child but also husband and wife. While Anthony and Brigitte's story is uniquely theirs, it elicits powerful, relatable emotions and lessons that are universal and inspiring.

Far Cry 5

Professor Litman's work stands out as well-researched, doctrinally solid, and always piercingly well-written.-JANE GINSBURG, Morton L. Janklow Professor of Literary and Artistic Property, Columbia University
Litman's work is distinctive in several respects: in her informed historical perspective on copyright law and its legislative policy; her remarkable ability to translate complicated copyright concepts and their implications into plain English; her willingness to study, understand, and take seriously what ordinary people think copyright law means; and her creativity in formulating alternatives to the copyright quagmire. -PAMELA SAMUELSON, Professor of Law and Information Management; Director of the Berkeley Center

for Law & Technology, University of California, Berkeley. In 1998, copyright lobbyists succeeded in persuading Congress to enact laws greatly expanding copyright owners' control over individuals' private uses of their works. The efforts to enforce these new rights have resulted in highly publicized legal battles between established media and new upstarts. In this enlightening and well-argued book, law professor Jessica Litman questions whether copyright laws crafted by lawyers and their lobbyists really make sense for the vast majority of us. Should every interaction between ordinary consumers and copyright-protected works be restricted by law? Is it practical to enforce such laws, or expect consumers to obey them? What are the effects of such laws on the exchange of information in a free society? Litman's critique exposes the 1998 copyright law as an incoherent patchwork. She argues for reforms that reflect common sense and the way people actually behave in their daily digital interactions. This paperback edition includes an afterword that comments on recent developments, such as the end of the Napster story, the rise of peer-to-peer file sharing, the escalation of a full-fledged copyright war, the filing of lawsuits against thousands of individuals, and the June 2005 Supreme Court decision in the Grokster case. Jessica Litman (Ann Arbor, MI) is professor of law at Wayne State University and a widely recognized expert on copyright law.

Knight's Salvation: Knights of Hell #2

In A.D. 664, King Oswy of Northumbria has convened a synod at Whitby to hear debate between the Roman and Celtic Christian churches and decide which shall be granted primacy in his kingdom. At stake is much more than a few disputed points of ritual; Oswy's decision could affect the survival of either church in the Saxon kingdoms. When the Abbess Etain, a leading speaker for the Celtic church, is found murdered, suspicion falls upon the Roman faction. In order to diffuse the tensions that threaten to erupt into civil war, Oswy turns to Sister Fidelma of the Celtic Church (Irish and an advocate for the Brehon Court) and Brother Eadulf of the Roman church (from east Anglia and of a family of hereditary magistrates) to find the killer. But as further murders occur and a treasonous plot against Oswy matures, Fidelma and Eadulf soon find themselves running out of time.
