### **The Gospel according to Matthew expounded**

General editor Lloyd J. Ogilvie brings together a team of skilled and exceptional communicators to blend sound scholarship with life-related illustrations. The design for the Preacher's Commentary gives the reader an overall outline of each book of the Bible. Following the introduction, which reveals the author's approach and salient background on the book, each chapter of the commentary provides the Scripture to be expounded. The New King James Bible has been chosen for the Preacher's Commentary because it combines with integrity the beauty of language, underlying Hebrew and Greek textual basis, and thought-flow of the 1611 King James Version, while replacing obsolete verb forms and other archaisms with their everyday contemporary counterparts for greater readability. Reverence for God is preserved in the capitalization of all pronouns referring to the Father, Son, or Holy Spirit. Readers who are more comfortable with another translation can readily find the parallel passage by means of the chapter and verse reference at the end of each passage being expounded. The paragraphs of exposition combine fresh insights to the Scripture, application, rich illustrative material, and innovative ways of utilizing the vibrant truth for his or her own life and for the challenge of communicating it with vigor and vitality.

"This is the first book to give social workers the tools to understand their clients' legal needs and rights and to address them collaboratively and effectively. Lyn Slater and Kara Finck ground their text in a comprehensive grasp of the legal system and the inequities of race, class, and gender that shape clients' experiences. Social Work Practice and the Law is a powerful call for social workers to be passionate and skillful advocates for their clients. Essential reading for social workers and lawyers alike who serve low-income people entangled in systems that so often fail them." Dorothy Roberts, JD Kirkland & Ellis Professor, Northwestern University School of Law Author, Shattered Bonds: The Color of Child Welfare Based on the author's innovative and nationally recognized prototype for inter-professional work at Fordham University, this is the only volume about social work and the legal system that is written from the social worker's perspective. It aims to promote the development of a more strategic relationship with the legal system—a partnership that can achieve more creative and just solutions to social problems. Exhaustive in scope, Social Work and the Law identifies current national and international trends and legal movements that support and invite inter-professional, critically competent social work participation. The book also identifies and explains the essential knowledge, skills, values, and attitudes necessary for the attainment of collaborative critical competence when interacting with the legal system. The church's response to child and adolescent mental health disorders has too often been characterized by fear and misinformation rather than grace or wisdom. Psychologist Matthew Stanford educates Christians about a range of common mental health disorders—from both scientific and biblical perspectives—so that the church may offer young people hope, a holistic view of human nature, accessible care, and supportive community.

## **The Message of Matthew**

In Matthew Costello's widely acclaimed post-apocalyptic thriller, *Vacation*, NYPD cop Jack Murphy leaves the city with his wife, Christie, and kids, Kate and Simon. Retreating to the supposed safety of a bucolic camp for families, Jack discovers that the plague of cannibalism that has claimed so many cities, is here as well. And only his self-sacrifice will enable his wife, his kids...to get out. In *Home* Christie tries to return to the gated security of their home. At least in that world, there were security guards with AR-15s, and electric fences. But when Christie returns, she discovers that -- for them -- home has vanished, replaced by what is left of the civilized world quickly collapsing around them. Worse, another change has taken hold with humanity - and that very word...humanity did not apply any more. Now in the last volume in the series, *Family*, a wounded Christie, Kate and Simon....more like equals than a mother and kids...must flee that world to find if there is any place that can be safe for them, any place that they can be a family. Any place ...where they can survive. And as in the first book, sometimes only the most terrible sacrifice will allow your family...to live.

## **A Child Called Matthew**

Given our history, this father and this son might well have gone completely separate ways And only in becoming a father did I even begin to understand what it meant, what it was, what would be required of me, and who I was/am within that identity, father. Pastor, author, and father Walter Wangerin Jr., along with his adopted son, Matthew, tell the story of their own lifelong relationship and how they survived times when brokenness and bitterness seemed inevitable. It is the story of Matthew's desperate search for independence and his father's own search for authentic fatherhood. This is a book of deep emotion and serious meditation about broken lives and redemption. Father and Son weaves together each writer's personal story and shows: how earthly fathers and sons are shaped by a Creator's relationship with his creation how within the human experience of parenting we discover insights into the spiritual nature of home, family, and eternity itself As in *As for Me and My House*, *Mourning into Dancing*, and *Little Lamb, Who Made Thee?* Walter Wangerin Jr. develops a series of

insights about family, which readers can apply to their own lives. And these insights gain added resonance from the words of Matthew Aaron Wangerin. Together, father and son have written a book that must be experienced as well as read. It's a book parents will want to bring their lives to, not just their attention. Father and Son is the story of all of us, for we are all wayward children in need of a loving, patient father.

Matthew was raised by a profoundly religious Mexican mother and Anglo father. When in his twenties, he believes he has been called by God to embark on a mission to spread the gospel among the indigenous Tarahumaras in northern Chihuahua, Mexico. He leaves behind his family and sweetheart, Dotty, to walk "like Jesus walked." He also hitchhikes through the remote southern New Mexico desert and the rugged Sierra Madre into the Copper Canyon area. Matthew befriends Jesus and stays with his family, working with him in the field by day and engaging in long conversations at night. They discuss folk beliefs, the Tarahumara religion, and philosophy. Matthew's faith begins to waver and he finds himself in a sea of ambiguity. Following a dramatic change of mind, heart, and soul, he decides to return home to orient his strange emerging self. On the way, he has a run-in with drug traffickers and kills one of them; he is mugged twice and loses his faith in the goodness of mankind; his financial resources diminish, compelling him to collaborate in a robbery. In short, his life becomes what before his journey would have been virtually unthinkable. Physically drained, when he is back home and sees Dotty, he can do no more than weakly whisper her name, leaving the novel open to multiple interpretations.

### **The Preacher's Commentary - Vol. 24: Matthew**

The former lead singer of Christian music sensation Sanctus Real comes clean about the tension between life on the road and life at home. "Father, lead me, 'cause I can't do this alone." --"Lead Me" by Sanctus Real Matt Hammitt had performed his hit song, "Lead Me," almost a thousand times. And every time he sang, the lyrics echoed the voices of his own family. His marriage was strained. His kids were growing up without him. Matt's good intentions could no longer sustain his family; he needed to be a man of action. Yet even as he told his Sanctus Real bandmates that he was leaving the band to invest in his family, he wondered: Was it really possible to be present at home and still provide financially too? In Lead Me, Matt identifies the tension many men experience when trying to balance work and home life. With bracing honesty, vulnerable storytelling, and practical application, Matt challenges you to be faithful both to God's vocational call and to His call to lead your family well. Discover the extraordinary joy of actively and intentionally pursuing your wife and children. Matt reminds us that it's messy. It's difficult. And it's the most rewarding thing you can do, beyond following Christ.

If you sit in a pew, Sunday by Sunday, you will hear parts of Matthew's Gospel read. But you might never have read it yourself from start to finish. And if you are not a churchgoer, you might not think to read any of it. Yet it has been, and continues to be, an important part of our heritage. This book considers a group of people who meet, week by week, to try to untangle what Matthew is about. A complete text of the Gospel is included in this book and many questions are raised, the kind that you and I might ask. Some conclusions are reached; many issues remain. But no one goes away unchanged.
