Getting a Rover K-Series engine properly up and running can be a difficult task, but ultimately the result is always worthwhile. Illustrated with over 300 photographs, Rover K-Series Engine - Maintenance, Repair and Modification is a practical guide to keeping these unique engines in fine working order. The most well-known issue with the K-Series is the head gasket, and this book demonstrates how to identify common faults, before giving practical advice on how best to solve them. Step-by-step guidance on all aspects of long-term engine maintenance is provided, in addition to the improvements required to prevent further problems. A K-Series engine is then stripped down to examine its clever and interesting structure, and is

From celebrated fitness trainer Chris Powell, star of ABC's EXTREME WEIGHT LOSS, comes this inspirational weight loss book to help anyone conquer their weight. You've seen him change lives on television. Now, in Choose to Lose, Powell presents fast and easy workouts, diet guidance, basic recipes, and insight into finding the true transformation mindset. Following his Carb Cycle Solution, you can drop pounds safely and quickly while learning how to listen to your body to optimize your overall health and fitness. Powell's easy-to-follow Carb Cycle Solution contradicts everything you've heard about avoiding carbohydrates in an attempt to lose weight. Not only does Chris encourage you to eat carbs, he will show you how to use them to amplify your weekly weight loss. By cycling between high-carb and low-carb days, your body will alternate boosting metabolism one day and burning fat the next. You will never feel deprived of the foods you love, because you can fine-tune the solution to suit your needs. Powell gives you complete control over your nutrition plus plenty of opportunities to indulge, and offers many delicious recipes to help you stay on track. If you work it, the Carb Cycle Solution may very well work for you--for the rest of your life. With detailed exercises and

Ford Cortina and Escort Mk I and Mk II models brought family motoring to millions of people from the early 1960s. These Fords were straightforward, easy to drive and simple to maintain, and their popularity has been sustained largely because of this. Their basic simplicity of design and inherent ruggedness means that they are ideal candidates for DIY restoration. The booming owners's club movement and the

Israel with her doctor boyfriend, Foxy, so they could pursue their dream of helping the wounded soldiers together. But when his jealous temper again gets the better of him, she decides to end their relationship, but still continue her nursing studies. When she's assigned to Ward 21, Rosalind finds herself inexplicably drawn to Eyal, the bearded soldier with the sparkling brown eyes who, even laid up in a full-body cast, asks her out—and teaches her about passion and sex. Though Rosalind struggles to understand her confusing emotions toward Eyal, who arouses her physically but whose interests and upbringing are so different from her own, she eventually accepts his marriage proposal. 'Together They Overcame' offers a surprisingly honest and explicit depiction of a newlywed couple's first two years of sexual gratification in marriage as they face family drama, a mother-in-law's hostilities towards the wife because her mother is both German and Catholic, cultural prejudice, and the hardships in a young country in the process of establishing itself. Juliet Aharoni's novel, 'Together They Overcame', weaves fictionalized versions of her own experiences living in Israel into the romantic tale of a newlywed couple striving against all odds. 'Together They Overcame' is an opposites-attract romance set in Israel after the 1956 Sinai Campaign and not long after the holocaust. Rosalind meets survivors of the holocaust who are still in the healing process from the concentration camps' atrocities. The novel depicts a newly-wed couple experiencing sex for the first time and how their sex-life helps them cope with many difficulties. The author has presented the couple's love-making explicitly but tastefully. Sex plays an important role in the young couple's
