This textbook teaches the basics of French grammar, reinforcing its lessons with exercises and key practice translations. A systematic guide, the volume is a critical companion for university-level students learning to read and translate written French into English; for graduate scholars learning to do research in French or prepping for proficiency exams; and for any

interested readers who want to improve their facility with the French language. In addition, *A Short Course in Reading French* exposes readers to a broad range of French texts from the humanities and social sciences, including writings by distinguished francophone authors from around the world. The book begins with French pronunciation and cognates and moves through nouns, articles, and prepositions; verbs, adjectives, and adverbs; a graduated presentation of all the indicative and subjunctive tenses; object, relative, and other pronouns; the passive voice; common idiomatic constructions; and other fundamental building blocks of the French language. Chapters contain translation passages from such authors as Pascal, Montesquieu, Proust, Sartre, Bourdieu, Senghor, Césaire, de Certeau, de Beauvoir, Barthes, and Kristeva. Drawn from more than two decades of experience teaching French to students from academic and nonacademic backgrounds, Celia Brickman's clear, accessible, and time-tested format enables even beginners to develop a sophisticated grasp of the language and become adept readers of French. There is an answer key for translation exercises and for non-copyrighted translation passages available to professors and teachers who have assigned this title in a class. Please provide your name, title, institution, and number of students in the course in an email to coursematerials@columbiauniversitypress.com.

#1 New York Times Bestselling author - The spellbinding classic that started it all - Book I of the Vampire Chronicles Here are the confessions of a vampire. Hypnotic, shocking, and chillingly erotic, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write. Praise for Interview with the Vampire “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune “Unrelentingly erotic . . . sometimes beautiful, and always unforgettable.”—Washington Post “If you surrender and go with her . . . you have surrendered to enchantment, as in a voluptuous dream.”—Boston Globe “A chilling, thought-provoking tale, beautifully frightening, sensuous, and utterly unnerving.”—Hartford Courant
