A moving walkway, also known as an autowalk, moving pavement, moving sidewalk, people-mover, travolator, or travelator, is a slow-moving conveyor mechanism that transports people across a horizontal or inclined plane over a short to medium distance. Moving walkways can be used by standing or walking on them. They are often installed in pairs, one for each direction.

For the orchestral score composed by Garry Schyman, see BioShock Infinite Original Soundtrack. BioShock Infinite features an eclectic licensed soundtrack. It can be divided into three sections: Songs from around the time period of the game's setting in 1912, including music from the bluegrass and gospel genres. Some of which are slightly anachronistic, being recorded in the 1920s, and 1930s.<sup>1</sup>
