Gone Fishing is a combined manual and computerised practice set. Part A of this practice set provides experience in manually recording and posting a variety of business transactions common to small businesses, so that students gain an understanding of the flow of data in an accounting system. Many of these processes are out-of-sight in a computerised accounting system. Completion of the practice set for a one month period should ensure a greater appreciation of: Steps in the accounting cycle for a small business Use of special journals for processing data more efficiently Use of subsidiary ledgers to remove detail from the General Ledger Perpetual inventory system Bank account reconciliation Balance-day adjustments and the General Ledger closing process How the accounting cycle culminates in the preparation of financial statements How the goods and services tax (GST) impacts on accounting. Part B of this practice set gives students experience in setting up a data file, entering opening balances, recording transactions and producing useful reports using MYOB Accounting Plus v19. On completion of Part B, users will acquire knowledge of how the same processes as those listed above for the manual practice set operate in a computerised environment. In order to gain the most benefit from the practice set it is recommended that Part A be completed first, followed by Part B. However, Part A and Part B can each be independently completed. Systems Requirements For Windows 7: Windows Vista (service Pack 2) or Windows XP (Service Pack 3) For Mac: Mac OS X 10.4 or later.

Gone Fishing, the sequel to the bestselling *The Briny Cafe*, is a heart-warming, inspirational novel about taking a stand against all the odds. For bargeman Sam Scully, life in Cook's Basin is nothing short of paradise. A wonderland of golden sand and turquoise waters, battered old tinnies and wonky pontoons, it's a realm unspoilt by the modern world. But then a notice goes up in the Square that screams 'EXCLUSIVE DEVELOPMENT!' Paradise is about to be ripped apart. With plans underway to build a flash resort in the heart of their community, the residents leap into action - with Sam as their leader, and a twelve-foot papier-mache cockatoo as their mascot . . . But it's never going to be easy to turn the tide of 'progress'. Meanwhile there's trouble brewing at the Briny Cafe. Kate Jackson is struggling to come to terms with the dreadful secret spilled on her mother's deathbed. And as for Kate's co-owner, Ettie Brookbank Well, what is happening to Ettie?
