A Protegee of Jack Hamlin's, and Other Stories

It isn't just in recent arguments over the teaching of intelligent design or reciting the pledge of allegiance that religion and education have butted heads: since their beginnings nearly two centuries ago, public schools have been embroiled in heated controversies over religion's place in the education system of a pluralistic nation. In this book, Benjamin Justice and Colin Macleod take up this rich and significant history of conflict with renewed clarity and astonishing breadth. Moving from the American Revolution to the present—from the common schools of the nineteenth century to the charter schools of the twenty-first—they offer one of the most comprehensive assessments of religion and education in America that has ever been published. From Bible readings and school prayer to teaching evolution and cultivating religious tolerance, Justice and Macleod consider the key issues and colorful characters that have shaped the way American schools have attempted to negotiate religious pluralism in a politically legitimate fashion. While schools and educational policies have not always advanced tolerance and understanding, Justice and Macleod point to the many efforts Americans have made to find a place for religion in public schools that both acknowledges the importance of faith to so many citizens and respects democratic ideals that insist upon a reasonable separation of church and state. Finally, they apply the lessons of history and political philosophy to an analysis of three critical areas of religious controversy in public education today: student-led religious observances in extracurricular activities, the tensions between freedom of expression and the need for inclusive environments, and the shift from democratic control of schools to loosely regulated charter and voucher programs. Altogether Justice and Macleod show how the interpretation of educational history through the lens of contemporary democratic theory offers both a richer understanding of past disputes and new ways of

addressing contemporary challenges.

Keep the Faith

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

For One More Day International Edition

Mitch Albom's #1 New York Times bestseller *Have a Little Faith* is now a Hallmark Hall of Fame movie. Jon Avnet (*Fried Green Tomatoes*, *The Burning Bed*) directs Mitch Albom's *Have a Little Faith*. Avnet says, "I think it's essentially the story of a person—Mitch Albom—who's searching for something. It's the story of one man's journey to faith, and how he's guided on that journey by his encounters with two men who on the surface are so very different. It's a powerful story." The *Have a Little Faith* Movie Tie-in Sampler includes photos from the set of the movie, select chapters from the book, and an exclusive letter from Mitch to you, his fans! Praise for the book "An absolute wonder—tender, transporting, and deeply moving." —Scott Turow, author of *Presumed Innocent* "Albom helps show the true definition of 'Church.' It is not the building, it is the people and their faith." —Bishop T.D. Jakes, Chief Pastor, The Potter's House "Everybody should read it." —Hoda Kotb in *People*, Best Book of 2009

Have A Little Faith And See How Far It Takes You.

Katie Bennett is new in town and just can't seem to make friends. But she does have one very angelic best friend- Faith. The problem is, no one else can see her. When Katie's mom and aunt suggest that she start the Precious Girls Club, Katie needs a little bit of faith to believe in herself. Will she be able to convince the girls at her school to attend? Maybe if she puts up bright posters, makes pretty friendship bracelets or lets it slip (oops!) that she has her very own guardian angel. Find out how Katie discovers that a little bit of faith can help her overcome big challenges. Gift set includes a charm bracelet complete with Rainbow and PGC logo charm and bonus Katie character charm.

A Little Bit of Faith

An extraordinary testimony of lives changed through kindness, courage, prayer, and grace. Lesley's heart was broken at just twenty-two, by the hopelessness she saw in the faces of little children struggling to survive extreme poverty in the Philippines. She had volunteered from England as a nurse for six months, but stayed on to care for the street people. Now, with her husband Peter (a Filipino

pastor), she has devoted her life to serving the poor, venturing into dire situations to rescue child prostitutes, criminals, addicts, and the homeless. This book tells their stories, and through them the story of God's amazing ways as Lesley established Life And More Abundant Ministries, a charity for the relief of poverty, and LAMA House, a residential home for abandoned, neglected, or abused boys. The book is filled with graphic accounts: a violent gangster made tender; a suicidal addict snatched from the brink; a teenage daughter sold into prostitution; tragedy on a colossal scale in the great earthquake that hit Luzon. There are many horror stories, but again and again they are turned around for good.

Strawberry Shortcake: Free Comic Book Day Special

The Silver Lining

Faith Andrews is trying to make a major life decision. Things never had been easy for her. First, she ends up in a relationship built in hell then she ends up falling for her best friend. She never did make the right decision with men. Years before, Faith had walked away hand in hand with a man she thought was her soul mate. This time, life would change completely with the blink of an eye. It isn't until Faith goes wandering around the Grand Ole Opry that she realizes what she needed all along. Faith gets advice over and over from someone who calls herself Patsy. When Faith asks more, she realizes she's talking to the country legend, Patsy Cline. Patsy knows what to do - Never ever let go of a dream. Fight to make your dreams come true. No matter what the situation, Patsy always knows just what to say. Jamie Gilbert had been writing and singing music since his teenage years. When he finally met Faith, he fell hard. He let her go once when she left to be with Evan. There wasn't going to be a second time. He was putting a ring on her finger. Now all he needed to do was convince her. Jason had warned Jamie more than once that if he did Faith wrong, he'd be replaceable. When he saves Faith from a situation that nobody expected, he starts to fall for her. The fact that she's married means nothing. Love triumphs. Now he just has to convince Faith of that.

Keeping Faith

The First Phone Call from Heaven tells the story of a small town on Lake Michigan that gets worldwide attention when its citizens start receiving phone calls from the afterlife. Is it the greatest miracle ever or a massive hoax? Sully Harding, a grief-stricken single father, is determined to find out. An allegory about the power of belief—and a page-turner that will touch your soul—Albom's masterful storytelling has never been so moving and unexpected. Readers of *The Five People You Meet in Heaven* will recognize the warmth and emotion so redolent of Albom's writing, and those who haven't yet enjoyed the power of his storytelling, will thrill at the discovery of one of the best-loved writers of our time.

Have a Little Faith

Where's Stephanie? is about a grandmother's hope to be reunited with her granddaughter, who was given up for adoption. When her granddaughter

Stephanie was born, Anna Weber got to hold her before saying goodbye. Longing to see her granddaughter again, she placed clues in unlikely places, including a letter in Stephanie's Social Services file, hoping that one day, by some miracle, Stephanie would follow the clues and find her. Based on actual events, this inspirational novel follows Anna on a long journey about loss, separation, and the power of redemption. Realizing others are facing similar situations, Livingston provides readers with a list of adoption groups that can help in search for surrendered family members.

Have a Little Faith

“A triumph. This novel’s haunting strength will hold the reader until the very end and make Faith and her story impossible to forget.” —Richmond Times Dispatch
“Extraordinary.” —Orlando Sentinel From the #1 New York Times bestselling author Jodi Picoult (Nineteen Minutes, Change of Heart, Handle with Care) comes Keeping Faith: an “addictively readable” (Entertainment Weekly) novel that “makes you wonder about God. And that is a rare moment, indeed, in modern fiction” (USA Today).

Where's Stephanie?

O Me of Little Faith is a brutally honest, frequently hilarious look at the struggles of a self-confessed spiritual weakling. Jason Boyett invites you to ask the hard questions and remain hopeful as he examines how you doubt, why you doubt, and what (if anything) should be done about it.

Spirit of Love

Life for me has been a constant battle of ups and downs. Yet, I am still able to call myself blessed and highly favored .Through all the troubles I have faced one thing has never changed. That is the fact that my savior Jesus Christ has never allowed me to face them alone. In the mist of every storm, I have been able to focus on the silver lining surrounding the black clouds that seem to follow me. At times I hesitated to call on the father and until I did, I suffered the consequences of believing I could control my own fate. I am proud to say with God on my side I have proved to be a survivor and will continue to survive whatever this crazy world throws at me. I have been put through many test and trials, some I aced, some I failed, but from each one I learned as well as gained wisdom. I am able to share my lessons through my poetry and if I can reach 1 person , maybe going through a rough time or just needing some encouragement , I will feel like my gift hasn't been wasted

With a Little Faith

Strawberry Shortcake returns to comics! It's a berry special re-introduction to Strawberry Shortcake and all her pals and - maybe - a certain not-so-nice purple someone as well?!

Ye of Little Faith

Charles Haddon Spurgeon (1834-1892) earned the title, "The Prince of Preachers" by his untiring pulpit work which produced many thousands of sermons in his 40+ years of preaching. This fine collection of Spurgeon's sermons on faith has twelve different sermons, variously displaying various kinds of faith. Sermon 1: Little Faith. Some born-again Christians have little, or weak, faith. Spurgeon points out first that it is a burden to have but little faith. Though Little-faith is quite sure of Heaven, Yet he suffers from lack of assurance. Unlike normal faith, it does not grow steadily from faith to faith. He quotes Bunyan as saying that one of little faith has a host of fears. "It has more lives than a cat, " if you kill it over and over, it still lives. He is always safe, but he seldom knows it. Sermon 2: Here the reader is instructed in "Seeing Jesus, " by faith. Faith is the eye of the soul. It alone will be "looking unto Jesus." Seeing Jesus is a continuous thing with faith. It is not just a now and then thing. It is current, not future. It never completely loses sight of the Savior as long as it is exercised. He is everywhere, therefore we can see Him everywhere we are, or where we go. Sermon 3: The difference between little faith and great faith is not such a great gulf as that between little faith and no faith. At times Jesus called the apostles "Little faiths" (Matt. 8:26; 16:8; Luke 12:28). Peter had faith to walk on the water until he looked at the wind instead of Jesus. Faith is never in danger as long as it has its eye on Jesus. Sermon 4: Faith is essential to please God. (Heb. 11:6). No invention of men can please God without faith. If God is pleased to give useverlasting life, it should be the object of our lives to please God. To faith, His commands will be precious, and the faithful will always be obeying. Sermon 5: There is a necessity of growing faith. The apostle was cheered that the Thessalonians had faith that grew exceedingly (2 Thess. 1:4). If we know our faith is growing, it is a subject for devout thanksgiving. Increased faith is of unspeakable value. Let us diligently pursue it. Sermon 6: Faith is a shield (Eph. 6:16). All Christians are born to be warriors, and faith is our shield to use against the world, the flesh, and the devil. The more the faith, the more the attacks, and the shield of faith receives many a blow. Christians should learn to wield the shield, and the lessons are all in the Bible. Christ used Scripture to fight off Satan's attempts to down him. Sermon 7: Increased faith increases peace. Sermon 8: Mature faith was illustrated by Abraham's offering up of Isaac. First there was the trial. He must lose the son of the promise by his own act. Abraham did not hesitate, he was quick to obey. He was careful to take everything necessary to do the deed. Lastly, he proceeded to very instant of putting the knife to the throat of his beloved son. Did this not display mature faith indeed? Sermons 9, 10, 11, 12 are equally precious and rewarding: Faith and Life; Faith's Dawn and Cloud; Faith and Its Privileges; and lastly, the Nobleman's Faith.

The Gospel According to Matthew

God isn't looking for heroes of faith. A thriving relationship with God is not built on our perfect performance but on our trust in a gracious Savior. Hebrews 11 reveals one superhero—Jesus. Our God delights in flawed followers who trust him in the daily aspects of their lives. He designed spiritual growth to be an ongoing journey of faith and delights in who you are becoming. By exploring the lives of the people mentioned in Hebrews 11, Little Faith, Big God will inspire you to persevere in your faith through the examples of biblical men and women who failed, got up again, finished well, and were commended by God. With biblical principles to separate

false hope from real faith, present-day stories to encourage you, and guiding questions to invite personal reflection, application, and discussion, Little Faith, Big God will equip you to trade your self-made superhero cape for a dynamic, grace-filled relationship with our big God.

Small Faith, Great God

Eighteen-year-old Faith takes us through the fast-paced life of a teenager in this candid book. Having grown up without her biological mother, who died when Faith was a young child, she learns to overcome her fears, form new relationships, and eventually finds love. In the background is Faith's immediate circle of friends—a group of youngsters—who are going through the adventures of falling in and out of love, discovering their passions, and growing up with their fears and ambitions.

Have a Little Faith

During a scholarly career that extended from the late 1940s to the mid-1980s, Cecelia Kenyon wrote a series of essays and reviews that reshaped thinking about the American Revolution and its aftermath. Beginning with her influential essay *Men of Little Faith: The Anti-Federalists on the Nature of Representative Government*, Kenyon challenged prevailing interpretations of the Revolutionary era by emphasizing the crucial role of ideology. In so doing, she helped spark a major shift in early American historiography. By bringing Kenyon's key writings together in a single volume, the editors have sought not only to reaffirm the importance of her contributions to scholarship but also to reveal the subtlety and imagination of her mind at work. Whether assessing the limitations of Charles Beard's *An Economic Interpretation of the Constitution*, analyzing the enigma of Alexander Hamilton (whom she memorably describes as the Rousseau of the Right), or evaluating what was truly radical about America's revolution, Kenyon's insights remain as fresh as they are shrewd. As the editors point out in their foreword to the book, Kenyon had an extraordinary talent for opening up to scrutiny subjects whose significance had previously been overlooked. Although her originality may not have been fully appreciated at first, her writings had an undeniable impact on subsequent work in her field. Eminent scholars such as Bernard Bailyn, Gordon S. Wood, and John Pocock all drew on Kenyon's ideas in their own groundbreaking studies of the Revolutionary era, and today the pivotal importance of her essays is widely recognized by a new generation of historians.

Have a Little Faith in Me

You may be surprised and uncomfortable to learn that there is one thing that's hurting your personal spiritual growth more than anything else: your unwillingness to give more than you're giving right now. On average, Americans give away just 3% of their income to churches and charitable causes. Perhaps you pull back because of fear that you won't have enough. Or you may feel resentful that you are asked to give at all. Either way, the result is the same and the one suffering most because of it is you. In *You of Little Faith*, pastor Ryan Thomas isn't afraid to talk about the most taboo subject in the church—money. Drawing from a multitude of biblical passages and contemporary examples, he will convince you that giving

aggressively and extravagantly, beyond what you ever thought reasonable or possible, will unlock God's blessing in your life and community and strengthen your faith in a way that nothing else can.

Have a Little Faith

Get ready for boy dilemmas, friendship dramas and madcap grannies - Faith is back!

Alcoholics Anonymous

What would you do if you saw your whole life mapped out for you when you were only an adolescent? For some, like young Omega Corwin Sullivan, the future is ripe with promise. He loves his wolf pack, his family, and this true mate, Malic, unconditionally, and is excited about the future they'll all share together. For others, like Alpha Malic Campbell, however, the future looks like a prison cell. Malic resents not only the looming responsibility of leading his pack and region, but also having his mate predetermined for him by fate. In rebellion, he pushes every limit and tests every boundary on his way from teen to man in a race against the proverbial hands of time. Only to discover that the man he becomes, wants something very different than the boy he once was. But will it be too late for Malic to then win back the very shifter he worked so hard to push away - his mate and his other half? As a young man, Corwin must now decide if he can recapture what his younger self so naïvely believed in - a happily-ever-after for Malic and himself - and more importantly, does he still want it? CONTENT WARNING: Explicit Sex

The Last Summer of the Death Warriors

When Pancho arrives at St. Anthony's Home, he knows his time there will be short. If his plans succeed, he'll soon be arrested for the murder of his sister's killer. But then he's assigned to help DQ, whose brain cancer has slowed neither his spirit nor his mouth. DQ tells Pancho all about his "Death Warrior's Manifesto", which will help him to live out his last days fully - ideally, he says, with the love of the beautiful Marisol. As Pancho tracks down his sister's murderer, he finds himself falling under the influence of DQ and Marisol, and beginning to understand that there's more to life than revenge and more to death than sadness. "I love Francisco's books. They make you bigger inside after reading them" Maggie Stiefvater

Little Faith, Big God

Vincent Goss witnessed his wifes rape and his only childs torture and murder at the hands of a madman. A once simple and devoted family man, Vincent becomes obsessed with revenge . . . both on earth and after his death in hell. Vincent ultimately finds divine retribution upon earth, but the price for vengeance in hell is high and ones path is easily lost in an endless sea of surreal wretchedness. Guided by those who befriend him on his vengeful odyssey, Vincent must sort out the reality of both planes of existence. He must find the ultimate truth that will save him, and he must do it quickly, before hell claims his soul forever.

Have A Little Faith And See How Far It Takes You.

One woman's journey through life with faith and Faith (a two-legged dog) by her side.

Have a Little Faith Movie Tie-in Sampler

"Saved!" meets *To All the Boys I've Loved Before* in this laugh-out-loud romantic comedy that takes a meaningful look at consent and what it means to give it. When CeCe's born-again ex-boyfriend dumps her after they have sex, she follows him to Jesus camp in order to win him back. Problem: She knows nothing about Jesus. But her best friend Paul does. He accompanies CeCe to camp, and the plan—God's or CeCe's—goes immediately awry when her ex shows up with a new girlfriend, a True Believer at that. Scrambling to save face, CeCe ropes Paul into faking a relationship. But as deceptions stack up, she questions whether her ex is really the nice guy he seemed. And what about her strange new feelings for Paul—is this love, lust, or an illusion born of heartbreak? To figure it out, she'll have to confront the reasons she chased her ex to camp in the first place, including the truth about the night she lost her virginity.

The Five People You Meet in Heaven

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

JUST HAVE A LITTLE FAITH /there is a Plan to Make All of this Right

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Have a Little Faith

A revised version of his 1978 book published by Kingsway, expounding Tom Wright's view of 'Biblical Christianity.' Short chapters written in an accessible and popular style explore key issues of belief and their practical outworking in daily life. Anecdotes and reflections backed by Tom Wright's deep biblical knowledge are presented in an easily digestible form. This reissue has been updated and also has a new foreword by the author.

This is an exceptional notebook for you: Gift Notebook intelligent person Notebook duck lover

The First Phone Call From Heaven

This is the story of Charley, a child of divorce who is always forced to choose between his mother and his father. He grows into a man and starts a family of his own. But one fateful weekend, he leaves his mother to secretly be with his father--and she dies while he is gone. This haunts him for years. It unravels his own young family. It leads him to depression and drunkenness. One night, he decides to take his life. But somewhere between this world and the next, he encounters his mother again, in their hometown, and gets to spend one last day with her--the day he missed and always wished he'd had. He asks the questions many of us yearn to ask, the questions we never ask while our parents are alive. By the end of this magical day, Charley discovers how little he really knew about his mother, the secret of how her love saved their family, and how deeply he wants the second chance to save his own.

Have a Little Faith Prayer Journal

"Teenage angst and daily dramas rule in this warm and funny debut about 14-year-old Faith sure to appeal to fans of Louise Rennison." The Bookseller "Faith is a little freaky, a little feisty and a lot funny. I defy you not to fall for her." Joanna Nadin, bestselling author of the Rachel Riley series Year Ten has just begun and I'm already in trouble. The way Miss Ramsbottom acts you'd think I'm always causing explosions or giving teachers' radical haircuts (whereas it was just that one time). And now she's separated me from my best friend, Megs, which means I have no one to give me a piggy back or check for dangly bogies. At least the school is trying to make amends by bussing in boys for our choir. So I can stare at Dreamy Finn until he realises I'm the girl for him... except he's singing a duet with my sworn enemy and her big head keeps blocking my view. Fortunately, I've got a plan to solve both problems; as long as I'm careful with the squeazy cheese and the underage driving everything should be just fine . . .

Mated: Have a Little Faith

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is

universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Faith in All Its Splendor

What if our beliefs were not what divided us, but what pulled us together? In *Have a Little Faith*, Mitch Albom offers a beautifully written story of a remarkable eight-year journey between two worlds--two men, two faiths, two communities--that will inspire readers everywhere. Albom's first nonfiction book since *Tuesdays with Morrie*, *Have a Little Faith* begins with an unusual request: an eighty-two-year-old rabbi from Albom's old hometown asks him to deliver his eulogy. Feeling unworthy, Albom insists on understanding the man better, which throws him back into a world of faith he'd left years ago. Meanwhile, closer to his current home, Albom becomes involved with a Detroit pastor--a reformed drug dealer and convict--who preaches to the poor and homeless in a decaying church with a hole in its roof. Moving between their worlds, Christian and Jewish, African-American and white, impoverished and well-to-do, Albom observes how these very different men employ faith similarly in fighting for survival: the older, suburban rabbi embracing it as death approaches; the younger, inner-city pastor relying on it to keep himself and his church afloat. As America struggles with hard times and people turn more to their beliefs, Albom and the two men of God explore issues that perplex modern man: how to endure when difficult things happen; what heaven is; intermarriage; forgiveness; doubting God; and the importance of faith in trying times. Although the texts, prayers, and histories are different, Albom begins to recognize a striking unity between the two worlds--and indeed, between beliefs everywhere. In the end, as the rabbi nears death and a harsh winter threatens the pastor's wobbly church, Albom sadly fulfills the rabbi's last request and writes the eulogy. And he finally understands what both men had been teaching all along: the profound comfort of believing in something bigger than yourself. *Have a Little Faith* is a book about a life's purpose; about losing belief and finding it again; about the divine spark inside us all. It is one man's journey, but it is everyone's story. Ten percent of the profits from this book will go to charity, including *The Hole In The Roof* Foundation, which helps refurbish places of worship that aid the homeless.

Me of Little Faith

What do we believe? And in God's name why? These are the thorny questions that Lewis Black, the biting funny comedian, social critic, and bestselling author, tackles in his new book, *Me of Little Faith*. And he's come up with some answers. Or at least his answers. In more than two dozen essays that investigate everything from the differences between how Christians and Jews celebrate their holidays, to the politics of faith, to people's individual search for transcendence, Black explores his unique odyssey through religion and belief. Growing up as a nonpracticing Jewish kid near Washington, D.C., during the 1950s, Black survived Hebrew school and a bar mitzvah (barely), went to college in the South during the tumultuous 1960s, and witnessed firsthand the unsettling parallels between religious rapture

and drug-induced visions (even if none of his friends did). He explored the self-actualization movements of the 1970s (and the self-indulgence that they produced), and since then has turned an increasingly skeptical eye toward the politicians and televangelists who don the cloak of religious rectitude to mask their own moral hypocrisy. What he learned along the way about the inconsistencies and peculiarities of religion infuriated Black, and in *Me of Little Faith* he gives full vent to his comedic rage. Black explores how the rules and constraints of religion have affected his life and the lives of us all. Hilarious experiences with rabbis, Mormons, gurus, psychics, and even the joy of a perfect round of golf give Black the chance to expound upon what we believe and why—in the language of a shock jock and with the heart of an iconoclast. "To put it as simply as I can," Black writes, "this is a book about my relationship with religion, where my—dare I say it?—spiritual journey has taken me what it's meant and not meant to me, and why it makes me laugh." By the end of *Me of Little Faith*, you'll be a convert.

All You Need is A Little Faith

Have A Little Faith Prayer Journal with Daily Scripture and Plenty Of Space to write in Prayer Requests and Gratitude Entries. A 30 day Journal for any Month of the Year. Adorable Illustration of Katie Spayed the Westie decorates the cover.

Leap of Faith

In this moving new novel from celebrated author Nickolas Butler, a Wisconsin family grapples with the power and limitations of faith when one of their own falls under the influence of a radical church. Lyle Hovde is at the onset of his golden years, living a mostly content life in rural Wisconsin with his wife, Peg, daughter, Shiloh, and six-year old grandson, Isaac. After a troubled adolescence and subsequent estrangement from her parents, Shiloh has finally come home. But while Lyle is thrilled to have his whole family reunited, he's also uneasy: in Shiloh's absence, she has become deeply involved with an extremist church, and the devout pastor courting her is convinced Isaac has the spiritual ability to heal the sick. While reckoning with his own faith—or lack thereof—Lyle soon finds himself torn between his unease about the church and his desire to keep his daughter and

grandson in his life. But when the church's radical belief system threatens Isaac's safety, Lyle is forced to make a decision from which the family may not recover. Set over the course of one year and beautifully evoking the change of seasons, Little Faith is a powerful and deeply affecting intergenerational novel about family and community, the ways in which belief is both formed and shaken, and the lengths we go to protect our own.

Men of Little Faith

Get ready for boy dilemmas, friendship dramas and madcap grannies - Faith is back! Will Faith make up her mind between the gorgeous Finn and the lovely Ethan and manage to get herself a real-life boyfriend? Will Mrs Cox finally get off her case and recognise Faith's true genius? How much did I love Faith!!! She is so awesome and the whole book was an absolute joy to read...Perfect for fans of Louise Rennison, Sue Limb and Karen Saunders!" I Want To Read That "Strong contender for funniest book of the year so far" The Bookbag "A cracking read which made me chuckle from start to finish" The Overflowing Library "A complete gem, and an absolutely massive recommendation. Read it now! (But probably not on the bus or train, as you're likely to end up laughing hysterically and get some strange looks!)" Ya Yeah Yeah "It was brilliantly funny, so realistic and I just, I just fell in love with it okayHave a Little Faith has swung into my favourites of 2013 and I'm already counting down the days until book two." So Little Time For Books

Little Faith

Rog Phillips (1909 - 1965)Roger Phillips Graham (1909-1965) was an American science fiction writer who most often wrote under the name Rog Phillips, but also used other names. Although of his other pseudonyms only Craig Browning is notable in the genre. He is most associated with Amazing Stories and is best known for short fiction.
