questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN®

situations requiring immediate action, including detailed rationales and textbook references to help you strengthen prioritizing skills in clinical and testing situations. Pyramid Alert boxes reinforce learning of essential content frequently tested on the NCLEX-PN exam. Reference to a Mosby or Saunders textbook gives you resources for further study and self-remediation. Question codes categorize each question by cognitive level, client needs area, integrated process, clinical content area, and priority concepts to allow you multiple study and exam selections on the companion Evolve site. Inclusion of all alternate item formats (multiple response, ordered response, fill-in-the-blank, figure, chart/exhibit, audio, and video questions) offers practice with mastering prioritizing, decision-making, and critical thinking skills, and help prepare you for this additional component of the new test plan for NCLEX-PN. Pyramid to Success sections supply an overview of the chapter, guidance and direction regarding the focus of review in the content area, and its relative importance to the most recent NCLEX-PN text plan. Pyramid Points identify content that typically appears on the NCLEX-PN exam. Pyramid Terms give you a quick review of each content area. Introductory chapters on preparation guidance for the NCLEX-PN, nonacademic preparation, test-taking strategies, the CAT format, and the NCLEX-PN are presented from a new graduate's perspective. Companion Evolve site allows for automatic software updates to allow you to check for changes and updates to content or functionality throughout the life of the edition.
