Overworked and Overwhelmed

What's wrong with being a "people pleaser?" Plenty!
"A fascinating book If you struggle with where, when,
and how to draw the line between your own desires
and the demands of others, buy this book!" Kay
Redfield Jamison, bestselling author of *An Unquiet
Mind* and *Night Falls Fast* People pleasers are not just
nice people who go overboard trying to make
everyone happy. Those who suffer from the Disease
to Please are people who say "Yes" when they really
want to say "No." For them, the uncontrollable need
for the elusive approval of others is an addiction.
Their debilitating fears of anger and confrontation
force them to use "niceness" and "people-pleasing" as
self-defense camouflage. Featured on NBC's "Today,"
The Disease to Please explodes the dangerous myth
that "people pleasing" is a benign problem. Best-
selling author and frequent "Oprah" guest Dr. Harriet
Braiker offers clear, positive, practical, and easily do-
able steps toward recovery. Begin with a simple but
revealing quiz to discover what type of people-pleaser
you are. Then learn how making even small changes
to any single portion of the Disease to Please Triangle
- involving your thoughts, feelings, and behavior - will
cause a dramatic, positive and long-lasting change to
the overall syndrome. As a recovered peoplepleaser,
you will finally see that a balanced way of living that
takes others into consideration but puts the emphasis
first on pleasing yourself and gaining your own
approval is the clearest path to health and happiness.

Allen Carr's Easy Way to Stop Smoking

An indispensable guide for grad students and academics who want to find fulfilling careers outside higher education. An estimated ninety-three percent of graduate students in the humanities and social sciences won't get a tenure-track job, yet many still assume that a tenured professorship is the only successful outcome for a PhD. With the academic job market in such crisis, *Leaving Academia* helps grad students and academics in any scholarly field find satisfying careers beyond higher education. Short and pragmatic, the book offers invaluable advice to visiting and adjunct instructors ready to seek new opportunities, to scholars caught in "tenure-trap" jobs, to grad students interested in nonacademic work, and to committed academics who want to support their students and contingent colleagues more effectively. After earning a PhD in classics from the University of Virginia and teaching at Tulane, Christopher Catherine left academia for a job at a corporate consulting firm. During his career transition, he went on more than 150 informational interviews

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

and later interviewed twelve other professionals who had left higher education for diverse fields. Drawing on everything he learned, Caterine helps readers chart their own course to a rewarding new career. He addresses dozens of key issues, including overcoming psychological difficulties, translating academic experience for nonacademics, and meeting the challenges of a first job in a new field. Providing clear, concrete ways to move forward at each stage of your career change, even when the going gets tough, *Leaving Academia* is both realistic and filled with hope.

Stop People Pleasing

This *Naked Mind* has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This *Naked Mind* offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my live back." --Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." --Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." --Bernie M., Dublin, Ireland

When Someone You Love is Depressed

The Smoking Cure - How to Quit Smoking Without Feeling Like Sh*t Comes with Bonus: Workbook and Stop Smoking Relaxation Download Let's be honest. When it comes to quitting smoking, going cold turkey is not only hell but most of the time, it doesn't work. We start out with the best intentions, but once the withdrawals set in, we feel so awful we give up and start smoking again. If you are ready to stop smoking for good without feeling like sh*t, you need a different approach. After overcoming her own addiction to smoking and working with thousands of clients, Addiction Specialist and Hypnotherapist Caroline Cranshaw has created a proven, seven-step process to help you understand your addiction to nicotine, get rid of your excuses, address the imbalances that are

It's one of the great mysteries of teaching: Why do some students "get it" and some students don't? In this book, Betty K. Garner focuses on why students struggle and what teachers can do to help them become self-directed learners. Difficulty reading, remembering, paying attention, or following directions are not the reasons students fail but symptoms of the true problem: underdeveloped cognitive structures—the mental processes necessary to connect new information with prior knowledge; organize information into patterns and relationships; formulate rules that make information processing automatic, fast, and predictable; and abstract generalizable principles that allow them to transfer and apply learning. Each chapter focuses on a key cognitive structure and uses real-life accounts to illustrate how learners construct meaning by using recognition, memorization, conservation of constancy, classification, spatial orientation, temporal orientation, and metaphorical thinking. The author's simple techniques stress reflective awareness and visualization. It's by helping students to be conscious of what their senses are telling them, encouraging them to visualize the information for processing, and then prompting them to ask questions and figure out solutions on their own that teachers can best help students develop the tools they need to

- * Gather, organize, and make sense of information,
- * Become cognitively engaged and internally motivated to achieve, and
- * Experience learning as a dynamic process of creating and changing.

Suggestions for using these techniques in daily classroom practice, advice on lesson planning for cognitive engagement, and guidelines for conducting reflective research

expand this book's practical applications. Use it not only to help struggling students break through hidden barriers but to empower all students with tools that will last a lifetime.

Getting to "Got It!"

Presents the author's personal account of his spiritual quest to unite the diverse realms of body, mind, and spirit by combining Eastern philosophy with Western fitness routines to become an example of the peaceful warrior.

The Art of Her Deal

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To

Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including:

- When, where, and what to publish
- Writing a foolproof grant application
- Cultivating references and crafting the perfect CV
- Acing the job talk and campus interview
- Avoiding the adjunct trap
- Making the leap to nonacademic work, when the time is right

The Professor Is In addresses all of these issues, and many more.

How to Stop Smoking Marijuana

Leverage mindful awareness and intention to achieve better outcomes

Overworked and Overwhelmed: The Mindfulness Alternative offers practical insights for the executive, manager or professional who feels like their RPM is maxed out in the red zone. By making the concepts and practices of mindfulness simple, practical and applicable, this book offers actionable hope for today's overworked and overwhelmed professional. New research shows that the smartphone equipped professional is connected to

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine, Sugar, Cigarettes, Alcohol, Illicit Or Prescription Drugs

work 72 hours a week. Forty eight percent of Americans report that their stress level is up and that the number one source of stress is the job pressure of a 24/7 world. What's the alternative? Top leadership coach and educator Scott Eblin offers one in *Overworked and Overwhelmed: The Mindfulness Alternative*. While mindfulness is one of the "Top Ten Trends for 2014 and Beyond," many professionals think it's just too hard to give it a try. In this book, Eblin shows that mindfulness that makes a difference doesn't require meditating like a Buddhist monk. *Overworked and Overwhelmed* is a handbook for more mindful work and living that offers: "Must know" mindfulness basics that today's professional needs to thrive in a 24/7 world. Inspiring examples of mindfulness in action from dozens of leaders ranging from a U.S. Coast Guard Commandant to the CEO of Hilton Worldwide. A self assessment for readers to understand how they perform at their best. Simple routines to reduce stress and sustain peak performance. A personal planning framework for creating the outcomes that matter most at home, at work and in the community. Even small increases in mindfulness can lead to big changes in productivity and quality of life for the overworked and overwhelmed professional. *Overworked and Overwhelmed: The Mindfulness Alternative* is a guide for doing just that.

How To Win Friends And Influence People

Many of us live on autopilot, often so guarded that we

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

don't experience the richness that life has to offer. How can we find real happiness amid the chaos, so we don't reach the end of our life and feel like we missed it? In *Stop Missing Your Life*, mindfulness teacher Cory Muscara takes us on a journey into the heart of what is required for real change, growth, and happiness. He exposes how the phrase "be present" has become little more than a platitude, imbued with the misguided message to be present just for the sake of being present, and reveals how to achieve true Presence: a quality of being that is unmistakably attractive about a person, and one that only comes when we've peeled back the layers of guarding that prevent us from being our full, honest, and integrated selves in the world. Muscara shows how we build internal walls, what he describes as a "Pain Box" inhibiting us from living a deeply connected and meaningful life. He offers a four-part FACE model (Focus, Allow, Curiosity, and Embodiment) that helps chip away at those walls and builds our capacity to experience the richness of our lives. *Stop Missing Your Life* ultimately teaches how we can find peace in the chaos and become better people for our families, our communities, and our world.

Enhancing Motivation for Change in Substance Abuse Treatment

Break your crippling addiction to approval and learn to be less "nice". Do you keep your mouth shut for fear of falling out of people's graces? Feel that you need to please and serve to stay in your social circles? You have the need to please, and all the

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

associated beliefs. Stop bitterness, resentment, and anxiety from always saying yes. Stop People Pleasing is a frank look at people-pleasing tendencies - where they come from, how they manifest, and exactly what to do about them. Most importantly, the book emphasizes real, actionable tactics to change your relationship with yourself and others. This book was written by a recovering people-pleaser, so you can be sure that there is a real understanding of your struggles. Reprogram your beliefs and learn to accept yourself. Patrick King is an internationally bestselling author and social skills coach. His writing draws of a variety of sources, from scientific research, academic experience, coaching, and real life experience. Find your voice, stand up for yourself, and put yourself first.

- The psychological and often traumatic origins of people-pleasing tendencies.
- The harmful beliefs you subconsciously possess and how to alter them.
- How to learn new, empowering habits. Learn the deep origins of your need to please, and how to set healthy boundaries.
- How to set boundaries, and avoid porous ones.
- A plethora of strategies to say no and make your thoughts known.
- Understand your guilt and get better with confrontation.

52 Ways to Live a Kick-Ass Life

Millions of people worry that smoking marijuana is affecting their health, marriages, relationships, and careers. We desperately want to quit, but fear of withdrawals, boredom, lifestyle changes, and failure keep us from taking action. This book asks you to forget everything you've heard, everything you've

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine, Sugar, Cigarettes, Alcohol, Illicit Or Prescription Drugs

read, and everything you've been told about how difficult it is to quit smoking pot. All your past failures, all your past attempts to stop smoking, put them aside; you only failed because you didn't have the right solution. This book gives you that solution. How To Stop Smoking Marijuana is an innovative step-by-step process, backed by science, that allows you to stop smoking weed forever. It exposes the myth that quitting has to be difficult, painful, time consuming, or impossible. By explaining why you feel the need to smoke marijuana, it outlines a simple process that doesn't require willpower and removes the desire to smoke weed forever. The process allows you to stop smoking marijuana easily, immediately, painlessly, and permanently. This book, without scare tactics, pain or rules, give you permanent freedom from marijuana. I hope you read this book. It truly is the only book you'll need to stop smoking marijuana.

Decisive Activators (1631 +) to Quit Smoking Without Feeling like Sh*t

A fresh take on the Allen Carr method with all-new text. Includes free hypnotherapy CD. Most drinkers are convinced that it's almost impossible to stop drinking and to free themselves from addiction; they also feel unable to solve any of the widespread problems drinking causes. The wonderful news is that this book shows you how to stop immediately, painlessly and permanently. This book understands drinkers and how they think and, without being judgemental or patronising, takes them through the process of how to get alcohol out of their lives.

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

Demonstrates how drinkers fall into the trap of drinking, the psychology behind being addicted and how to quit this mug's game once and for all. This book has more compelling evidence than ever before that your addiction to alcohol is much less physical than it is mental. Alcohol is not something your body needs, but something your mind thinks it needs. Stop Drinking Now explains the mental process of addiction and how to reverse that process easily, painlessly and permanently.

The Professor Is In

No-punches-pulled advice to women who want to stop undermining their own happiness once and for all. From the bitchy inner critic and imposter complex to the prison of perfectionism, Andrea Owen—an internationally sought-after life coach—distils what's behind the 14 silent habits that are holding women back from experiencing life to the fullest and provides a roadmap for overcoming them. The straight-shooting advice in How to Stop Feeling Like Sh*t will have you ditching your self-destructive tendencies and feeling happier in no time.

Kick the DrinkEasily!

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

A much-needed kick in the ass for women everywhere! Like many women, Andrea Owen always lived life on the sidelines, watching each day pass by without ever catching a glimpse of the happiness she yearned for--until the day she had enough. She realized that she had to take action and step out of the box she had created for herself if she really wanted the best life possible. And now, as a celebrated life coach, she shows thousands of women how to take the reins, create an actionable plan for their goals, and finally reach their full potential. In this powerful book, Owen guides you through her acclaimed strategies for creating a more fulfilling life. Each goal-orientated lesson empowers you to take control of the barriers that keep you from achieving the love and success you desire. From breaking the unrewarding cycle of people pleasing to dealing with unsupportive friends, this book approaches the problems you face with a candid look at why you aren't satisfied--and how to fix it. Owen's life-changing wisdom helps you uncover your self-limiting beliefs as well as push you out of your comfort zone by zeroing in on the most difficult issues. Never one to sugarcoat the truth, she holds you accountable for your actions while offering expert advice for knocking down that cynical inner-voice and loving yourself wholeheartedly. With *52 Ways to Live a Kick-Ass Life*, you will shut off your internal auto-pilot; kick empty expectations to the curb; and live a bigger, gutsier life.

Soulful Simplicity

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To

Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

Courtney Carver shows us the power of simplicity to improve our health, build more meaningful relationships, and relieve stress in our professional and personal lives. We are often on a quest for more—we give in to pressure every day to work more, own more, and do more. For Carver, this constant striving had to come to a stop when she was diagnosed with Multiple Sclerosis (MS). Stress was like gasoline on the fire of symptoms, and it became clear that she needed to root out the physical and psychological clutter that were the source of her debt and discontent. In this book, she shows us how to pursue practical minimalism so we can create more with less—more space, more time, and even more love. Carver invites us to look at the big picture, discover what's most important to us, and reclaim lightness and ease by getting rid of all the excess things.

"A groundbreaking program to help you cut back or quit drinking entirely--in the privacy of your own home"--

Passing thoughts in sonnet stanzas, with other poems original and translated [by B.G. Babington].

There is no such thing as an alcoholic and there is no such disease as alcoholism! (as society understands it). Whether you agree with this statement or not, one thing is for sure, you will never see alcohol in the same light ever again after reading this book. Jason Vale takes an honest and hard hitting look at people's conceptions of our most widely consumed drug. Jason's major argument is there is no such thing as an 'alcoholic' and that we are conditioned to accept alcohol as a 'normal' substance in today's society despite the fact that it is the major cause of many of today's social problems and a wide range of health issues. This book is much more than a simple eye opener, it will: change the way you see alcohol forever; show you how to stop drinking; help you enjoy the process and enjoy your life so much more than you do now without having to drink alcohol. So open your mind and take a journey with Jason to explore the myths about the most used and accepted drug addiction in the world!

Today's job seekers need to "lose the resume" in order to land the right job. In this guide, Burnison shares the new rules of engagement in which seekers must learn to tell a story about themselves that speaks to their competencies, purpose, passion, and values.

Critical Feeling

What does it take to create the career you want? It's no secret that the world of work has changed, and we're shifting toward an ever more entrepreneurial, self-reliant, work-from-wherever-you-are economy. That can be a liberating force, and many professionals dream of becoming independent, whether by starting their own businesses, becoming consultants or freelancers, or developing a sideline. But there's a major obstacle professionals face when they contemplate taking the leap: how to actually make money doing what they love. You may have incredible talent and novel ideas, but figuring out how to get started, building your reputation in a new realm, developing multiple revenue streams, and bringing in a steady flow of new clients can be a daunting prospect. Dorie Clark, a successful entrepreneur and author, has done it all. And in *Entrepreneurial You* she provides a blueprint for professional independence, with insights and advice on building your brand, monetizing your expertise, and extending your reach and impact online. In short, engaging chapters she outlines the necessary elements and concrete tactics

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

for entrepreneurial success. She shares the stories of entrepreneurs of all kinds--from consultants and coaches to podcasters, bloggers, and online marketers--who have generated six- and seven-figure incomes. This book will be your hands-on guide to building a portfolio of revenue streams, both traditional and online, so that you can liberate yourself financially and shape your own career destiny.

Allen Carr's Easy Way to Control Alcohol

This revelatory biography of Melania Trump from Pulitzer Prize-winning Washington Post reporter Mary Jordan depicts a first lady who is far more influential in the White House than most people realize. Based on interviews with more than one hundred people in five countries, *The Art of Her Deal: The Untold Story of Melania Trump* draws an unprecedented portrait of the first lady. While her public image is of an aloof woman floating above the political gamesmanship of Washington, behind the scenes Melania Trump is not only part of President Trump's inner circle, but for some key decisions she has been his single most influential adviser. Throughout her public life, Melania Trump has purposefully worked to remain mysterious. With the help of key people speaking publicly for the first time and never-before-seen documents and tapes, *The Art of Her Deal* looks beyond the surface image to find a determined immigrant and the life she had before she met Donald Trump. Mary Jordan traces Melania's journey from Slovenia, where her family stood out for their nonconformity, to her days as a

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

fledgling model known for steering clear of the industry's hard-partying scene, to a tiny living space in Manhattan she shared platonically with a male photographer, to the long, complicated dating dance that finally resulted in her marriage to Trump. Jordan documents Melania's key role in Trump's political life before and at the White House, and shows why he trusts her instincts above all. The picture of Melania Trump that emerges in *The Art of Her Deal* is one of a woman who is savvy, steely, ambitious, deliberate, and who plays the long game. And while it is her husband who became famous for the phrase "the art of the deal," it is she who has consistently used her leverage to get exactly what she wants. This is the story of the art of her deal.

The Smoking Cure

After the American presidential election of 2016, Jenny Odell felt so overstimulated and disoriented by information, misinformation, and the expressions of others, that reality itself seemed to slip away. *How To Do Nothing* is her action plan for resistance. Drawing on the ethos of tech culture, a background in the arts, and personal storytelling, Jenny Odell makes a powerful argument for refusal: refusal to believe that our lives are instruments to be optimised. She argues that nothing can be quite so radical as doing nothing.

How to Quit Drinking Without A.A.

How can we develop the sensitivity necessary for playing music or making crafts? How can teachers

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To Caffeine Sugar Cigarettes Alcohol Illicit Or Prescription Drugs

make their lessons interesting? In what ways can consumers avoid undue influence? How do we acquire refined tastes, or come to believe what we want to believe? Addressing these issues and providing an account for tackling personal and societal problems, Rolf Reber combines insights from psychology, philosophy, and education to introduce the concept of 'critical feeling'. While many people are familiar with the concept of critical thinking, critical feeling denotes the strategic use of feelings in order to optimize an outcome. Reber discusses the theoretical and empirical foundations of critical feeling and provides an overview of applications, including well-being, skill learning, personal relationships, business, politics, school, art, morality, and religion. This original and thought-provoking study will interest a broad range of researchers, students, and practitioners.

The New Rules of Work

This groundbreaking book from the UK's leading spokesman on nutrition looks at why millions of people have cravings for substances such as coffee, sugar and alcohol, as well to drugs such as sleeping pills, antidepressants, marijuana and cocaine. It uncovers how the brain becomes addicted and how it can be 'unaddicted' through a combination of diet, supplements and lifestyle factors. The book is written in association with Dr David Miller, who has worked in the addiction field for 25 years and is an expert in relapse prevention. It looks at each of the most common substances that people become addicted to and offers specific advice on how to tackle that

Get Free How To Quit Without Feeling St The Fast Highly Effective Way To End Addiction To

compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective, full of freshness and success. This book helps you step by step, in a natural way, in just 3 minutes a day, to change your misguided way of thinking and to Quit Smoking Without Feeling like Sh*t. (NOTE: For good, Nicholas keep the price of the book as lower as he can, even if it is a hard work behind this project. A significant portion of the earnings from the sale of the book are used for these purposes: for charity, volunteer projects, nature restoration, and other inspired ideas to do good where it is needed. If you can not afford to buy the book please contact Nicholas and he will give you a free copy.) You, also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing. You will feel the difference. Yes. The Miracle is possible! Get Your Copy Now!

Suggests a test for alcoholism, describes the benefits of not drinking, and offers practical advice on a variety of ways to stop drinking.

How to Do Nothing

Some people suffer from chronic, debilitating disorders for which no conventional treatment brings relief. Can marijuana ease their symptoms? Would it be breaking the law to turn to marijuana as a medication? There are few sources of objective, scientifically sound advice for people in this situation. Most books about marijuana and medicine attempt to promote the views of advocates or opponents. To fill the gap between these extremes, authors Alison Mack and Janet Joy have extracted critical findings from a recent Institute of Medicine study on this important issue, interpreting them for a general audience. *Marijuana As Medicine?* provides patients--as well as the people who care for them--with a foundation for making decisions about their own health care. This empowering volume examines several key points, including: Whether marijuana can relieve a variety of symptoms, including pain, muscle spasticity, nausea, and appetite loss. The dangers of smoking marijuana, as well as the effects of its active chemical components on the immune system and on psychological health. The potential use of marijuana-based medications on symptoms of AIDS, cancer, multiple sclerosis, and several other specific disorders, in comparison with existing treatments.

Marijuana As Medicine? introduces readers to the active compounds in marijuana. These include the principal ingredient in Marinol, a legal medication. The authors also discuss the prospects for developing other drugs derived from marijuana's active ingredients. In addition to providing an up-to-date review of the science behind the medical marijuana debate, Mack and Joy also answer common questions about the legal status of marijuana, explaining the conflict between state and federal law regarding its medical use. Intended primarily as an aid to patients and caregivers, this book objectively presents critical information so that it can be used to make responsible health care decisions. Marijuana As Medicine? will also be a valuable resource for policymakers, health care providers, patient counselors, medical faculty and students--in short, anyone who wants to learn more about this important issue.

Beyond Influencer Marketing

365 Ways to Say It, Mean It and Stop People-Pleasing Forever Do you have trouble saying "NO"? Do people always turn to you for favors? Wonder how you get roped into things you really don't want to do? Refusing someone is rarely easy. Often, it's downright uncomfortable. But constantly saying "yes" causes anxiety, anger, stress, regret and feelings of powerlessness. Social psychologist and author Susan Newman empowers you to break your debilitating "yes habit" with her simple techniques and insights. YOU'LL DISCOVER HOW TO: • Recognize when
