A bachelor auction, a wedding we don't remember, and a baby we don't recall making. FML. I had a plan: move to LA, get a job, find the love of my life. Live happily ever after. I was on track for this when being assistant to gorgeous billionaire philanthropist Nate Sterling suddenly gets a whole lot more complicated. It's a dream job until he asks me to save him from a fur-bikini-wearing, totally psycho ex-girlfriend who is determined to win him at a charity bachelor auction. All I have to do is outbid her at the auction. Easy, right? But nobody told me Nate and I had to go on an extravagant Las Vegas date afterward. Everything goes off as planned until Nate and I wake up the next day, hung-over, wearing identical golden wedding bands and with no memory of what happened the night before. Cue major hyperventilation. But it's okay. Nothing that a quick marriage dissolution can't solve. Until the pregnancy test stick comes back with two pink lines. Marrying My Billionaire Boss is a standalone romantic comedy with a sexy billionaire, his sassy assistant, a bachelor auction, a Vegas wedding and a surprise baby. The White Billionaire

Dante Liakos had yet another challenge to overcome in securing his business empire's future, but this one was much more personal in nature – the need for a wife and an heir. Without them, he could lose control of the empire he had worked so hard to rebuild and expand. However, as he had found so many times before, turning a challenge into a success was about recognizing the right opportunity and acting upon it decisively. In Jayden Hart, he saw such an opportunity, enclosed in the rare combination of innocence, beauty and brilliance - a combination he couldn't resist despite his attempts to remain aloof from the relationship! Normally poised and self-assured, Jayden's world had taken an alarming turn. What initially had seemed like a nuisance was quickly becoming a significant threat to her business, her family, and her whole way of life! And she had no idea how to avoid catastrophe. Dante's suggested solution presented a potential lifeline, but with what strings attached? Would the solution be worse than the crisis that had required it? And how was she to avoid falling in love with her secret husband?

Writing billionaire tech mogul Daniel Thorne's official biography is no small task. His wife Maddy isn't quite sure how it fell on her shoulders - but she's not exactly complaining. It's given her a rare opportunity to learn about the details of Daniel's life that he's never shared with her before. After a rocky beginning, their relationship has finally settled into something comforting and secure. After a while, Maddy begins to reconsider her once-staunch decision not to have children. Then, one night, a ghost from Daniel's past appears. His father, believed to be dead, has come back in hopes of repairing their relationship. Daniel is devastated by the years-long deception, and suspicious of his father's motives in reappearing after so much time. Old Mr. Thorne has his reasons for disappearing, but how can he possibly repair a relationship that's been so badly fractured by distance and lies? Meanwhile, Maddy gets some unexpected news of her own, and she realizes she must find a way to reach her husband and his father, to knit them all together into a family again.

Waiting On The One

Aria Longbottom, a bubbly career oriented women, no longer had a place for a man in her life. Thrown over five years ago, by her then boyfriend Dale Carmichael, on the night of New Year's Eve, for her more attractive cousin, Linda Shubeck, Aria was not all that eager to get back on that horse again. Especially, not with her multi-millionaire and playboy childhood friend, Justin Kay. That New Year's Eve night, lost in passion in his arms could very well have been on a rebound. It surely wasn't anything more. Or was it? But that was something she would never know having run out on him the very morning after. Justin Kay, the fun loving super rich, who enjoyed hard work and then the hard booze and partying lifestyle. He should not have rightly remembered a New Year's Eve night with Aria Longbottom tucked close in his arms. He should not have remembered her there at all, for she had been wearing a mask. Something that had surprisingly stayed on. But five years on and she was all he remembered still. In an effort to settle what Aria deemed was an old debt, she approached Justin with nothing more than a business deal. A method to assuage old guilt. A method to move on past what must surely be an

unhealthy obsession over Justin. Five years was too long a time to not even contemplate another man. And Aria certainly hadn't so much as glanced at another man in all that time. It was time to move on. Only Justin had his own ideas of how things should move on and with whom. With his usual signature grin and incorrigible personality, he sets out to dupe and seduce Aria back to where he wanted her most. In his bed, in his life and as his wife.

Wanted: Billionaire's Wife

Who Wants to Marry a Billionaire? Not Nina Alves. With her full-time job at the DeVere Foundation and a comically dysfunctional family that keeps her busy and broke, she can't even find time for a coffee date. Enter Daniel DeVere. Desperate to impress his philanthropist father with the purchase of an eco-hotel, there is only one problem - his playboy lifestyle has turned the owner off and he needs to present a more mature image if he is to have any chance of salvaging the deal. With sensible Nina as his fake fiance surely the deal will be secured. Putting on a convincing show in public is one thing, but the passion they are pretending to have for one another begins to spill over into their private moments and they are each forced to admit that they are hoping for something more. Excerpt: When they got back to the resort, Daniel winked at Nina, "Tonight, you are going to learn El Tamborito." "Is that contagious?" "I hope so." He led her into the bedroom. How to Marry a Billionaire

Billionaire, Brandon Cates is days away from losing everything, from his Fortune 500 company to his huge estate. His only hope is Marjorie Reynolds. The COO had decamped for greener pastures just ahead of a so-called merger. What it was, was an acquisition by a sweeter name. The company would get to keep its moniker and brand under the umbrella of Power Regions Ltd. Presumably, it would be helmed by a new executive. But Brandon Cates expiration date was coming and the game was about to change. He failed to meet the terms of the will, so his wicked stepmother will take all. Lena Cates has a team of lawyers circling him like vultures as the termination date approaches. To maintain control of the company, Brandon has to be married by his thirtieth birthday. When intoxicated Marjorie Reynolds hears his story at a dance club in Vegas, they scheme and hatch an idea that just might work. Marj cannot believe she has just accepted such an outrageous proposal. I Married a Billionaire: The Prodigal Son

The last thing cowboy Wade McCoy expected when his beloved billionaire granddad died was for him to require Wade to marry in order to keep the vast McCoy Ranch that they both loved and built together. But that is exactly his granddaddy's requirement: Wade was to marry within three months, stay married for three months or he lost it all, for him and his brothers. He didn't like it one bit, but one thing his granddaddy knew about him was that Wade never let a challenge get the better of him and he had no plans to lose the ranch he loved. His granddaddy had him over a barrel, and he knew it. Now he just had to find someone to go along with this crazy idea. Allie Jordon was desperate. Every bad piece of luck that could have befallen her had done so and now, after losing everything, including her sweet father, she needed funds to get her mother the best care available or she just might lose her too. A chance meeting with a lonely looking cowboy at the truck stop she was waitressing at could change her life?if she says yes to an absolutely off-the-wall proposal that could be the miracle she's been praying for.

BEFORE IT'S GONE! What do you get the man who has everything? When Maddy Thorne agreed to marry her billionaire boss so he could stay in the country, she never expected to fall for him. And she certainly didn't expect that he'd fall for her. But now, it's their first February as a couple and Maddy is left with the burning question: what the hell do you get a billionaire for Valentine's day? After a quest that sends her all around the city, reminiscing about her strange love story as she goes, Maddy wonders if she'll ever find the perfect gift. But inspiration often strikes where it's least expected This limited edition short novella takes place after I Married a Billionaire, but can be read as a standalone.

Marrying a Playboy Billionaire

Writing billionaire tech mogul Daniel Thorne's official biography is no small task. His wife Maddy isn't quite sure how it fell on her shoulders - but she's not exactly complaining. It's given her a rare opportunity to learn about the details of Daniel's life that he's never shared with her before. After a rocky beginning, their relationship has finally settled into something comforting and secure. After a while, Maddy begins to reconsider her once-staunch decision not to have children. Then, one night, a ghost from Daniel's past appears. His father, believed to be dead, has come back in hopes of repairing their relationship. Daniel is devastated by the years-long deception, and suspicious of his father's motives in reappearing after so much time. Old Mr. Thorne has his reasons for disappearing, but how can he

possibly repair a relationship that's been so badly fractured by distance and lies? Meanwhile, Maddy gets some unexpected news of her own, and she realizes she must find a way to reach her husband and his father, to knit them all together into a family again.

One Night with a Billionaire

When Maddy Thorne agreed to marry her billionaire boss in order to keep him in the country, she never would have guessed they'd actually stay together. But over a year later, she's still happily married to the slightly eccentric, maddeningly attractive Daniel. As he begins to come out of his shell and turn into the figurehead that his growing technology company needs, Maddy finds herself dealing with a whole new set of problems. And despite his newfound openness, he's still keeping secrets. Even from her. But despite her misgivings and the ever-present prattle of journalists, really, Maddy can't complain. Then, a frantic late-night phone call changes everything. Daniel has been accused of illegal insider trading. His assets frozen, he suddenly finds himself at the center of a media circus and a trial under a merciless judge with no way out. Maddy wants to support him, but it seems all Daniel wants to do is crawl back into his shell. In the midst of the chaos, Maddy receives an offer to display her drawings at one of the most influential galleries in the city. Pulled in two directions even as her life crashes down around her, will Maddy allow Daniel to keep pushing her away, or will she find a way to pull him

back? - Excerpt - Before the entrees came, I actually tried to involve myself in the conversation. And they weren't - excluding me, exactly, it was just that neither one of them looked at me very often, or responded directly to something I'd said. Mostly, it seemed like I was just talking to myself. So I finally gave up. I focused on my meal when it came, refusing to let myself get upset that the two of them seemed about ready to crawl under the table. After all, we were all responsible adults here. It wasn't like anything was going to actually happen. Because if it started to, I'd stab her with my fork. I had to snicker at the thought, covering my mouth with my napkin. As if anyone was going to notice. "What's so funny?" said Daniel, as if on cue, looking at me for the first time in about twenty minutes. "Nothing," I said, because that seemed like a better answer than oh, just trying to figure out if you'd be horrified or aroused if me and Gen got into a massive, nail-breaking, hair-pulling fight over you across the table. Gen glanced at me briefly, then went back to her salad. I fumed. There was a tiny rational corner of my brain that told me I might just be imagining things, or at least exaggerating them. And even if I wasn't, so what? Daniel wasn't really the type to pursue a torrid affair as a married man. At least I didn't think so. But it was that sort of deep-seated, irrational jealousy that's not necessarily the product of anything you might call "real." I knew nothing was going to happen between them, and I knew most of Gen's reactions to him were probably subconscious. She wanted him. Who could blame her? But she wasn't going to get him. He was mine. The thought hit me like a ton of bricks, and it left me feeling lightheaded and tingly, in a way that I was pretty sure had

nothing to do with the wine I'd been drinking all night. This man, as utterly infuriating and downright heartbreaking as he could be sometimes - was all mine. Nobody else's. Nobody else had the right to touch him like I could, or crawl into bed with him at night, or see him the way I saw him. In spite of how well he might close himself off, and in spite of how distant he could be sometimes, I was still privy to a version of Daniel Thorne that no one else got to see. No one else could watch his face transform when he lost control - his pupils blown wide open, almost swallowing the irises in blackness - his lips parted - the way he'd almost bare his teeth, the little noises - and then afterwards, the smile. The way his whole body would sag, relaxed. That little performance was a privilege that I, and I alone, could enjoy.

The Billionaire Deal

Lillian Brunette is desperate for a job. Six months pregnant and recently divorced, she needs health insurance and an income if she's ever going to be able to take care of herself and the baby--if what happened to her first pregnancy happens again. So when her best friend tells her that the billionaire bachelor is looking for an assistant, she jumps at the opportunity to interview. Reed Williamson is trying to get over his broken heart. When he finds out that his fiancée ended up pregnant with his half-brother's baby, he's written off all relationships. company, he has to be married. Out of desperation, Reed's mom puts in a call to an elite matchmaking agency to find him a contract wife. At least with that, there's no chance of falling in love. After an episode of mistaken identity, Lillian finds herself contractually obligated to marry Reed. Which is the ideal relationship for her. Faking a marriage seems easy, until she finds out that Reed is kind and incredibly handsome. And just might be what she wants in a family. If only he could accept the secret she's so desperate to hide.
