An 8th Grade Teacher Takes A Hand Opens A Mind & Touches A Heart

Capricorn (Cap) Anderson has never watched television. He's never tasted a pizza. Never heard of a wedgie. Since he was little, his only experience has been living on a farm commune and being home-schooled by his hippie grandmother, Rain. But when Rain falls out of a tree while picking plums and has to stay in the hospital, Cap is forced to move in with a guidance counselor and her cranky teen daughter and attend the local middle school. While Cap knows a lot about tie-dying and Zen Buddhism, no education could prepare him for the politics of public school. Right from the beginning, Cap's weirdness makes him a moving target at Claverage Middle School (dubbed C-Average by the students). He has long, ungroomed hair; wears hemp clothes; and practises tai chi on the lawn. Once Zack Powers, big man

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. * USA Today and Wall Street Journal best seller* Be inspired by the book behind the graduation speech by Dr. Rick Rigsby's- now with 100+ million views on Facebook and YouTube. After his wife died, Rick Rigsby was ready to give up. The bare minimum was good enough. Rigsby was content to go through the motions, living out his life as a shell of himself. But then he remembered the lessons his father taught him years before - something insanely simple, yet incredibly profound. These lessons weren't in advanced mathematics or the secrets of the stock market. They were quite straightforward, in fact, for Rigsby's father never made it through third grade. But if this uneducated man's instructions were powerful enough to produce a Ph.D. and a judge - imagine what they can do for you. Join Rigsby as he dusts off time-tested beliefs and finds brilliantly simple answers to modern society's questions. In a magnificent testament to the "Greatest Generation" which gave so much and asked so little in return, Lessons from a Third Grade Dropout will challenge you while reigniting your passion to lead a truly fulfilling life. After all, it's never too late to learn a little bit more about life - just ask the third-grade dropout.

In the 7 Habits series, international bestselling author Stephen R. Covey showed us how to become as effective as it is possible to be. In his long-awaited new book, THE 8th HABIT, he opens up an entirely new dimension of human potential, and shows us how to achieve greatness in any position and any venue. All of us, Covey says, have within us the means for greatness. To tap into it is a matter of finding the right balance of four human attributes: talent, need, conscience and passion. At the nexus of these four attributes is what Covey calls voice - the unique, personal significance we each possess. Covey exhorts us all to move beyond effectiveness into the realm of greatness - and he shows us how to do so, by engaging our strengths and locating our powerful, individual voices. Why do we need this new habit? Because we have entered a new era in human history. The world is a profoundly different place than when THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE was originally published in 1989. The challenges and complexity we face today are of a different order of magnitude. We enjoy far greater autonomy in all areas of our lives, and along with this freedom comes the expectation that we will manage ourselves, instead of being managed by others. At the same time, we struggle to feel engaged, fulfilled and passionate. Tapping into the higher reaches of human genius and motivation to find our voice requires a new mindset, a new skill-set, a new tool-set - in short, a whole new habit.

An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique’s Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for Enrique’s Journey “Magnificent . . . Enrique’s Journey is about love. It’s about family. It’s about home.”—The Washington Post Book World “[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking.”—People (four stars) “Stunning . . . As an adventure narrative alone, Enrique’s Journey is a worthy read. . . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—Entertainment Weekly “Gripping and harrowing . . . a story

Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Lessons From a Third Grade Dropout

One might believe that the term "emotional prostitute" relates to a provocative act. In reality, emotional prostitutes seek an emotional exchange in love, affection, or recognition. While the pursued may be victim for a while, the pursuer is often a lifetime victim of their own circumstances. The novel depicts how abandonment and addiction can lead to emotional prostitution in young women. McClearn's inspiration is mixed with stories of abandonment from former students, and McClearn's former addiction to love. Story Synopsis: Delilah Hutchens was an ordinary girl, whose only struggle was determining if God was real. But after her mother's sudden abandonment and her father's love affair with alcohol, Delilah's ordinary home turned upside down; forcing her to denounce God and turn to emotional prostitution. Her first victim was her first love, J.B. but when he doesn't seek the same kind of fulfillment, her emotional rampage spins out of control. Delilah's story strips fairytales we've been fed of "happily ever after." Readers can connect intimately with Delilah as she uses diary entries to develop her message. By the end of the novel, you will discover one of two facts: 1) You KNOW an emotional prostitute; or 2) You ARE an emotional prostitute.
