IP Litigation Best Practices is an authoritative, insider's perspective on the issues surrounding intellectual property law and litigation including patent and trademark protection, maintaining IP portfolios, and the future of intellectual property litigation, on a global scale. Featuring department heads, group chairs, and leading partners, all representing some of the nation's top firms, this book provides a broad, yet comprehensive overview of the practice of intellectual property law and the process of IP litigation, discussing the current shape and future state of patent and trademark protection from the founding doctrines, to the pivotal cases of today. From the steps involved in defining an appropriate strategy for litigation, to crucial tactics around avoiding common IP legal risks, these authors articulate the finer points around intellectual property now, and what will hold true into the

Wondering which firms are tops in prestige? Need to go beyond the glossy recruiting brochures? Vault Reports surveyed over a thousand attorneys at the finest law firms in the country to bring you "The Vault Reports Guide to America's Top 50 Law Firms". We asked more than 1,000 lawyers to tell us about whay they thought about other firms-- and what their own workplace was really like. This guide contains the most up-to-date, accurate information on law firms available for 1998-99! Inside, you'll find our exclusive prestige rankings, and insider information on pay, perks, working hours, selectivity, firm culture, interviews, dress code, summer programs, diversity, and much more-- all directly from lawyers at the firms. Do you have any chance at being promoted to partner? When do you get your own office? Which departments are hot, and which are not? What's the hiring process like? You'll find the answers in "The Vault Reports Guide to America's Top 50 Law Firms".

Patent Litigation

This new edition covers the latest case law on open source software and standard essential patents and features new chapters on the possible impact of the Unified Patent Court and Unitary Patent.

Patent Law and Practice

Journal of the Patent and Trademark Office Society

This two-volume set examines trademark law and practice with an emphasis on how to register marks, maintain registration, and enforce registered rights across multiple jurisdictions. Currently covering sixty jurisdictions, it provides a detailed explanation of laws and regulations related to initial trademark registration requirements and procedures, oppositions, extensions, renewals, and reinstatements. Summary coverage is given to transfers, assignments, licenses, and means of enforcement. Organized by jurisdiction, it features comprehensive information on substantive and procedural requirements, along with the most common forms for initial registration in each country. The set also includes important timelines and easy-to-follow forms, and special chapters providing an
