Kaffe Fassett has led an extraordinary life and is a

captivating storyteller with a vivid memory. Born in 1937, he spent much of his youth in Big Sur, California, where his parents bought a cabin from Orson Welles and transformed it into the world-famous Nepenthe restaurant, a gathering place for artists and bohemians. After attending a boarding school run by the disciples of Krishnamurti, an Indian guru, he studied painting at the School of the Museum of Fine Arts in Boston, then traveled to England, where he made his home. After an inspiring trip to Inverness, Scotland, Fassett began designing knitwear for Bill Gibb, and then the Missonis, Vogue magazine, and private clients like Lauren Bacall and Barbra Streisand, and, in the process, revolutionized the handknitting world with his explosive use of color. Further explorations led him to needlepoint, mosaics, rugmaking, tapestries, yarn and fabric design, costume and set design, and quilting. Now in his seventies, Fassett continues to produce new work and to travel worldwide to teach and lecture. In this intimate autobiography, Fassett shares rich, detailed stories about his lifelong creative journey as well as hundreds of glorious photos taken along the way. Praise for Kaffe Fassett: *Dreaming in Color*: “Kaffe Fassett is to color what Julia Child was to French cooking.” —Knitters Review “Lavishly illustrated with photographs from his life and work and dishing on everyone from Dustin Hoffman to Princess Margaret, *Dreaming in Color* describes a charmed life filled with creativity, big personalities, travels and not a little serendipity.” —Vogue Knitting “Shapes and patterns are everywhere; they lie waiting for the person who wants to see them. By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply "a genius." Now David Mitchell lends fresh credence to The Guardian's claim that "each of his books seems entirely different from that which preceded it." *The Thousand Autumns of Jacob de Zoet* is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the "high-walled, fan-shaped artificial island" that is the Japanese Empire's single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes

Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. But Jacob's original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city's powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob's worst imaginings. As one cynical colleague asks, "Who ain't a gambler in the glorious Orient, with his very life?" A magnificent mix of luminous writing, prodigious research, and heedless imagination, *The Thousand Autumns of Jacob de Zoet* is the most impressive achievement of its eminent author. Praise for *The Thousand Autumns of Jacob de Zoet* "A page-turner . . . [David] Mitchell's masterpiece; and also, I am convinced, a masterpiece of our time."—Richard Eder, *The Boston Globe* "An aching romantic story of forbidden love . . . Mitchell's incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive."—Dave Eggers, *The New York Times Book Review* "The novelist who's been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won't rest until whole family lines have been snuffed out."—Ron Charles, *The Washington Post* "By any standards, *The Thousand Autumns of Jacob de Zoet* is a formidable marvel."—James Wood, *The New Yorker*

A winning, irreverent debut novel about a family wrestling with its future and its past—for readers of J. Courtney Sullivan, Meg Wolitzer, Mona Simpson, and Jhumpa Lahiri NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE BOSTON GLOBE, KIRKUS REVIEWS, BUSTLE, AND EMILY GOULD, THE MILLIONS With depth, heart, and agility, debut novelist Mira Jacob takes us on a deftly plotted journey that ranges from 1970s India to suburban 1980s New Mexico to Seattle during the dot.com boom. *The Sleepwalker’s Guide to Dancing* is an epic, irreverent testimony to the bonds of love, the pull of hope, and the power of making peace with life’s uncertainties. Celebrated brain surgeon Thomas Eapen has been sitting on his porch, talking to dead relatives. At least that is the story his wife, Kamala, prone to exaggeration, tells their daughter, Amina, a photographer living in Seattle. ### **Three Minute Bible Stories Using Familiar Objects**

The book of Genesis portrays the character Jacob as a brazen trickster who deceives members of his own family: his father Isaac, brother Esau, and uncle Laban. At the same time, Genesis depicts Jacob as YHWH's chosen, from whom the entire people Israel derive and for whom they are named. These two notices produce a latent tension in the text: Jacob is concurrently an unabashed trickster and YHWH's preference. How is one to address this tension? Scholars have long focused on the implications for the character and characterization of Jacob. The very question, however, at its core raises an issue that is theological in nature. The Jacob cycle (Gen 25–36) is just as much, if not more, a text about God as it is about Jacob, a point startlingly absent in a great deal of Genesis scholarship. Anderson argues for the presence of what he has dubbed a theology of deception in the Jacob cycle: YHWH operates as a divine trickster who both uses and engages in deception for the perpetuation of the ancestral promise (Gen 12:1–3). Through a literary hermeneutic, emphasizing the symbiotic relationship between how the text means and what the text means, and a keen eye to the larger task of Old Testament theology as literally “a word about God,” Anderson examines the various manifestations of YHWH as trickster in the Jacob cycle. The

phenomenon of divine deception at every turn is intimately tethered in diverse ways to YHWH's unique concern for the protection and advancement of the ancestral promise, which has cosmic implications. Attention is given to the ways that the multiple deceptions—some previously unnoticed—evoke, advance, and at times fulfill the ancestral promise. Anderson's careful and thoughtful interweaving of trickster texts and traditions in the interest of theology is a unique contribution of this important volume. Oftentimes, scholars who are interested in the trickster are unconcerned with the theological ramifications of the presence of material of this sort in the biblical text, while theologians have often neglected the vibrant and pervasive presence of the trickster in the biblical text. Equally vital is the necessity of viewing the Old Testament's image of God as also comprising dynamic, subversive, and unsettling elements. Attempts to whitewash or sanitize the biblical God fail to recognize and appreciate the complex and intricate ways that YHWH interacts with his chosen people. This witness to YHWH's engagement in deception stands alongside and paradoxically informs the biblical text's portrait of YHWH as trustworthy and a God who does not lie. Anderson's *Jacob and the Divine Trickster* stands as a stimulating and provocative investigation into the most interesting and challenging character in the Bible, God, and marks the first true comprehensive treatment of YHWH as divine trickster. Anderson has set the stage to continue the conversation and investigation into a theology of deception in the Hebrew Bible.

### A Journey in Other Worlds

FINALIST FOR THE 2017 NATIONAL BOOK AWARD FOR FICTION Named a Best Book of 2017 by NPR, Entertainment Weekly, the Los Angeles Times, BuzzFeed, Bustle, and Electric Literature “There was a time I would have called Lisa Ko’s novel beautifully written, ambitious, and moving, and all of that is true, but it’s more than that now: if you want to understand a forgotten and essential part of the world we live in, *The Leavers* is required reading.” —Ann Patchett, author of *Commonwealth* Lisa Ko’s powerful debut, *The Leavers*, is the winner of the 2016 PEN/Bellwether Prize for Fiction, awarded by Barbara Kingsolver for a novel that addresses issues of social justice. One morning, Deming Guo’s mother, Polly, an undocumented Chinese immigrant, goes to her job at a nail salon—and never comes home. No one can find any trace of her. With his mother gone, eleven-year-old Deming is left mystified and bereft. Eventually adopted by a pair of well-meaning white professors, Deming is moved from the Bronx to a small town upstate and renamed Daniel Wilkinson. But far from all he’s ever known, Daniel struggles to reconcile his adoptive parents’ desire that he assimilate with his memories of his mother and the community he left behind. Told from the perspective of both Daniel—as he grows into a directionless young man—and Polly, Ko’s novel gives us one of fiction’s most singular mothers. Loving and selfish, determined and

frightened, Polly is forced to make one heartwrenching choice after another. Set in New York and China, *The Leavers* is a vivid examination of borders and belonging. It's a moving story of how a boy comes into his own when everything he loves is taken away, and how a mother learns to live with the mistakes of the past.

This early work by William Wymark Jacobs was originally published in 1902 and we are now republishing it with a brand new introductory biography. Jacobs worked as a clerk in the civil service before turning to writing in his late twenties, publishing his first short story in 1895. Most of Jacobs' work appeared before the onset of World War I, and although the majority of his output was humorous in tone, he is best-remembered now for his macabre tales, particularly those contained in his 1902 collection *The Lady of the Barge*, such as 'The Monkey's Paw' and 'The Toll House'.

"Incidents in the Life of a Slave Girl" was one of the first books to address the struggle for freedom by female slaves; explore their struggles with sexual harassment and abuse; and their effort to protect their roles as women and mothers. After being overshadowed by the Civil War, the novel was rediscovered in the late 20th century and since then hasn't been out of print ever. It is one of the seminal books written on the theme of slavery from a woman's point of view and appreciated worldwide academically as well. Excerpt: "Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course." Harriet Jacobs (1813–1897) was an African-American writer who was formerly a fugitive slave. To save her family and her own identity from being found out, she used the pseudonym of Linda Brent and wrote secretly during the night.

An inspirational and instructional Bible lesson about the life of Joseph the son of Jacob. This story is about the shaping of God's people and the developing of forgiveness, generosity, love, understanding, and leadership. Joseph, a type of Savior, sadly, but out of necessity, had to experience the full consequences of hatred and rejection from his jealous and cruel brothers. When Joseph saw the ten foreigners he recognized them instantly; a déjà-vu experience poignantly confronted him. Emotions engulfed his being as the profound dreams he had had as a young lad flooded back into his memory. The brothers didn't recognize him because in their minds Joseph existed only as a deep repressed memory. So Joseph kept his identity quiet and spoke officiously and suspiciously to them.
