ME AND JAKE

Who Will Pray for Me? Written by Gregory Babin Edited by Susanne Babin Paper A Jewish family lives under the oppressive rule in Czarist Russia. Jake grows up first as a Jew, secondly as a tailor, and lastly as a Cossack. He is known for his strength and fighting ability. He fears nobody, but everybody fears him He perfects the tricks of the French apache. Jake's family face progroms and realize they must escape to New York for the survival. The HIAS organization helps the family. They are thankful to practice Judaism in America. He enters the Army during WWII as a First Lieutenant assigned to accounting in Paris. A scandal develops and Jake is unrighteously blamed. Throughout his life, Jake, is tormented by women. He marries a wicked lady who bothers him sexually, physically and mentally. His escape is amnesia. The story continues with Jakes parents hunting him down, discovering him in Hawaii, and then the Army moves him to Walter Reed for psychiatric care. He returns home, but the woos of his marriage continue.

Just Jake

The third volume in the hard-hitting, best-selling Once Were Warriors trilogy. The millennium has changed but have the Hekes? Where are they now, Beth, Jake, and what of their other children? Son Abe who has rejected violence but violence finds him. Polly, as beautiful as her sister Grace, who committed suicide; is that a Heke running around with the wealthy polo-playing set and growing rich herself? And the gang leader, Apeman, who killed Tania, what's prison like, does it change a man, grow him or not? We meet another tragic female figure, Sharneeta. And Alistair Trambert, a middle-class white boy sunk into the same welfare dependency trap as the Maoris his class criticises. Meet Charlie Bennett, Beth's husband, a fine man, and yet . . . And yet there's Jake Heke, casting his long shadow over everyone. Has he really grown up?

Dori Johnson is in hiding from the Russian Mafia. Six years ago she committed a series of felonies in order to create new identities for herself and her younger brother and sister. They've kept a low profile, living in fear of their lives ever since. When Niles York, Dori's boss, offers her the opportunity of a lifetime, she turns down the job, not wanting to risk discovery. However, her brother and sister convince her that after six years, she's unrecognizable, and she can't pass up such an opportunity. Reluctantly, Dori agrees to become the face and spokesperson for York's new retail venture. Jake Prentiss suspects Dori is hiding a secret, and he's not going to let her jeopardize his friend's business. As a former government operative, he calls in some favors and starts digging into Dori's past. What he finds has him convinced she's out to sabotage York Enterprises. Too bad he's falling for her. Dori is falling in love with Jake, but she doesn't trust him. He works for the government, and she's a criminal. But then her life is threatened, and she has to make a decision that could either get her killed or put her behind bars for a very long time. winner of the Virginia Romance Writers Fool for Love award

Catch Me If You Can

A beautiful wife with an unspeakable secret yearns for love in this Americana romance set in the Ozark Mountains by the New York Times–bestselling author. Spring is bursting forth and dogwood blossoms litter Missouri’s Ozark Mountains, but Tanya Lassiter feels a winter chill in her heart. Her son, John, was only three when Jake Lassiter last visited from South Africa. Now seven, John has no memory of the visit and has begun to question if his father really exists. Reluctantly, Tanya promises to write Jake and ask him to return. For Tanya, life at the Lassiter home—where she and John live in modernist splendor with Jake’s wealthy parents—is often strained. Julia Lassiter tolerates Tanya for John’s sake, but can’t forgive her for driving Jake away. So when Jake appears unannounced at his parents’ anniversary party, Tanya is gripped by conflicting emotions. Harder with a world-weary edge, Jake is even more handsome than she remembered. But does he know Tanya has fallen in love with another man? Or has he returned to claim everything he believes is rightfully his?

Will Lynn be able to keep him from learning the secret she's hidden from an entire town, or will Jake unwittingly leave her and their love behind a second time?

Show Me

W.O. Mitchell's "Jake & The Kid" captivated radio audiences in the days before television and enjoyed ratings that rivalled those for the radio broadcasts of the CBC's "Hockey Night in Canada." These homespun tales about the hired hand, Jake Trumper and his sidekick, The Kid, explored very human stories about life on the often cruel Prairies of Saskatchewan in a humorous vein that made a household name for the series across the breadth of Canada. Although he wrote many novels, most notably "Who Has Seen the Wind," featured during the ceremonies at the 2010 Vancouver Olympics, Mitchell was as well known for these folksy plays. They enabled him to hone his writing craft in a mass medium, when few other outlets were available; to tackle social issues of the day with a light hand, and to develop many of the themes he would explore in his later novels. This study analyzes these popular radio plays, their Prairie and literary roots, the production process and their contribution and critical reception.

Most Likely To Die (use)

Book Review Reviewed by Lit Amri for Readers' Favorite "I had no idea just how radically my life was about to be altered that day, the day I met Dr. Wilson J. Wells, a PhD in science and higher mathematics. He was also an inventor. It was June 12, 1980. It all started that day. It was a day I would never forget, as it was the same month I had started the agency four years ago. Maybe this also was an omen." Set in Chicago, Jake Kincannon, PI: Across the Sea of Time by Jw Grodt, features Jake Kincannon, a former homicide detective who opens his own PI business specializing in the paranormal. Together with his assistant and lover Julie Carson, they try to keep the agency afloat by chasing big cases such as the Werewolf Killer. When Dr. Wilson J. Wells offers Jake a lucrative pay packet, he gladly accepts. The job? He needs to travel back in time, May 7, 1937, using Wells' time machine Teleporter, and stop the murder of his wife Sheila. I got hooked on the storyline pretty quickly and wanted to know how it all ends. Combining sci-fi elements of time travel makes the story much more exciting and intriguing. Jake's first time travel and plan to save Sheila seems successful, yet there are unpredictable twists that await him. A change in the past, no matter how small, can influence everything else either positively or negatively. Jake Kincannon, PI: Across the Sea of Time shows Jw Grodt's skill in developing intricate details that draw you into the characters and the plot. Readers who enjoy vivid scenes would find story cinematic as a whole.

Me and Jake

Jake's life is less than perfect. His father drinks, his mother is borderline insane, and his disabled brother, Kyle, can't so much as feed himself or tie his own shoes. But when he suddenly falls simultaneously into love and tragedy, Jake's life spirals into a chaos that he couldn't even imagine, and only he can put the pieces back together. Jake narrates his tale with a voice that is equal parts bitter and innocent, tragic and witty, sarcastic and sweet, and his tale of love lost and love found, of confusion and identity, will resonate with all readers who have struggled with what it means to belong.

The Old Soak's History of the World

Out in the furthest reaches of space, an assignment was given to a race of intelligent Light beings. The assignment was to go to a faraway system and create a world and a species so that souls could experience the creative powers of living in a Free Will system. This happened a long time ago, in our terms, and continues today. However, Free Will has some quirky aspects, as Jake Montana is going to learn. Excitement and change have many disguises, and things are not always as clear as they first appear. Jake, a mild mannered, past-middle-age engineer for a major aerospace company just wants to retire and enjoy his hobbies and life in general. Little does he know that people from another planet are actively seeking him for reasons that are critical to their continued existence. Follow Jake as he experiences the ultimate abduction by people who have medieval technology, yet travel in advanced spacecraft. Witness how dogma crushes culture and tyranny can eliminate free thought. Discover a universe where peace and war lived side by side and didn't know it until the startling discovery of space travel. Journey to the star system, where one man's desire for absolute power transforms Jake's life. Mental changes occur that are as large and mind-altering as to affect the lives of all the inhabitants on two very separate worlds. Jake will meet, and join forces with, the most unlikely group of co-conspirators -some of them human, some not so human. The difference, Jake will find, is just the labels that they are given. Jump into this metaphysical grab bag of travel, fun, intrigue and personal learning as Jake experiences the many shades of good and bad; not to mention two outstanding ladies, who have designs on him that are different from anything Jake could ever imagine.
