Advertising expenditure data across multiple forms of media, including: consumer magazines, Sunday magazines, newspapers, outdoor, network television, spot television, syndicated television, cable television, network radio, and national spot radio. Lists brands alphabetically and shows total expenditures, media used, parent company and PIB classification for each brand. Also included in this report are industry class totals and rankings of the top 100 companies in each of the media.

Fundamentals of Mobile Heavy Equipment

This exceptional photographic collection reveals the entire history and development of the big green

machines in the John Deere arsenal. All of the historic tractor models are covered, from the earliest Dain, Melvin, and Sklovsky experimentals; the Waterloo Boy and British Overtime; the two-cylinder General Purpose tractors, including GP, A, and the immensely popular B; the Lindeman crawlers; the orchard, wide-tread, hi-crop, industrial, and other variations; to the New Generation and beyond.
