This book uses simple question and answer format to help you understand and solve many common legal problems.

What Are My Rights?

Know Your Rights!

Providing accurate and objective information to help make the right decisions during a divorce in New Jersey, this guide provides answers to 360 queries such as What is the mediation process in New Jersey and is it required? How quickly can one get a divorce? Who decides who gets the cars, the pets, and the house? What actions might influence child custody? How are bills divided and paid during the divorce? How much will a divorce cost? and Will a spouse have to pay some or all

attorney fees? Structured in a question-and-answer format, this divorce handbook provides clear and concise responses to help build confidence and give the peace of mind needed to meet the challenges of a divorce proceeding.

What Are My Rights?

There are lots of rules we all need to follow, from the dress code at school, respecting someone's privacy, to turning your light off at bedtime. In six entertaining stories, Mayor Moe and City Council grapple with the task of making rules to keep their city safe, prosperous and fair. Not an easy job, since citizens come in all shapes, sizes and colors, and have different thoughts and beliefs. Readers will find out about the rights and freedoms enjoyed by every citizen in a democracy, and why they matter. With its strong focus on civic-mindedness and social justice issues, this book equips readers with the language and concepts that illustrate what it means to be an engaged citizen in a democracy --- and makes it fun!

Records & Briefs New York State Appellate Division

Retained by the People

Do you know what happens when you are accused of a crime? How you are charged? How plea bargains work? What happens in court? Anyone who needs answers to these questions -- people accused of a crime, victims of crime, their families and friends, witnesses and those who want to know how the system works -- can turn to a plain-English legal book for the information they need. With *The Criminal Law Handbook*, you can learn exactly what goes on in a criminal case. The easy-to-follow, question-and-answer format covers: arrests booking preliminary hearings charges bail courts arraignment search and seizure defenses evidence trials plea bargains sentencing juveniles "crimespeak," the language commonly used in criminal statutes and much more. The 6th edition covers all of the latest changes in criminal law and Supreme Court cases, including a new section on white-collar crime. It also includes new information about capital punishment, imprisonment data and bail. The Adobe Reader format of this title is not suitable for use on the Pocket PC or Palm OS versions of Adobe Reader.

The Know Your Bill of Rights Book

The criminal justice system is a complex maze, full of confusing rules and procedures. Fortunately, you can turn to this book for clear and complete explanations. *The Criminal Law Handbook* answers your questions about every part of a criminal case. Find out everything you've ever wanted to know about how the system works and why police, lawyers and judges do

what they do. It covers arrests, booking, preliminary hearings, charges, bail, courts, arraignment, search and seizure, defenses, evidence, trials, plea bargains, sentencing, juveniles, "crimespeak" (the language commonly used in criminal statutes) and much more. The 9th edition covers all of the latest Supreme Court cases and changes in criminal law.

Immigration and Race

Know Your Rights

The Criminal Law Handbook

Argues that the Supreme Court would do better to rely on the the Ninth Amendment when addressing issues regarding fundamental rights, rather than depending on the Constitution's due process clause.

Divorce in Wisconsin

Answers questions about the criminal court system, discussing the roles of lawyers, police, and judges, and covering such topics as bail, preliminary hearings, evidence, lineups, and sentencing.

Know Your Rights

The Politics of Immigration

Richard Alderman, "The People's Lawyer," cuts through the jargon of the "legalese" and helps you protect yourself, your family, and your property. This book gives you practical, easy-to-understand answers to all kinds of everyday questions about divorce, child support, credit, bankruptcy, leases and tenant rights, small claims court, wills and probate, immigration, and much more. Now in its seventh edition, this popular guide uses a simple question and answer format to help you understand and solve many common legal problems. In addition, the author provides sample forms and model letters, including a living will, a medical power of attorney, and durable power of attorney.

Know Your Rights

A former New York Times reporter tackles the difficult issue of gender economic equality, confronting the financial penalties levied on motherhood. Reprint. 40,000 first printing.

That's Not Fair!

1) What is the difference between a frisk and a search? 2) Did you know that if you were getting patted down (frisked) by an officer and that officer starts manipulating the items in your pocket with his finger, that "pat-down" just became an illegal search? 3) Did you know that if that officer puts his hand in your pockets that "pat-down" just became an illegal search? 4) Did you know that a "pat-down" is to be conducted on the outer layer of your clothing? Police Encounters: Know Your Rights was designed to educate it's readers on their everyday rights. This book is written by a former Investigator, SWAT member, and Hostage Negotiator. As an Investigator I've worked: Street level narcotics and was assigned to a DEA task force (developed informants, conducted surveillance, conducted undercover operations, conducted wire taps) Property crimes (burglary and thefts) Person's crimes (aggravated assaults and violent offenses) Sexual assaults (rapes and sexual assaults against children) White collar crimes (identity thefts and frauds.) As an investigator I've worked God knows how many cases. It's sad, but many of them were crimes against children, we receive too many of those. Anyway, I drafted numerous search warrants in my career to search everything from vehicles to body cavities. I've taken thousands of arrest warrants and conducted about the same number of interviews. I've had people confess things to me from petty thefts to despicable child molestations. And I've received all the information with a straight face and the suspect thinking I was there to show them support. I can't recount how many times I conducted an interrogation and thought to myself, "You need to ask for a lawyer right about now." But, my job was to extract information; so I did. I've participated in more than my share of hot pursuit chases, high risk warrant services (arrest warrant and search warrants), no-knock search warrants, and stand-offs in which I had to negotiate. With that being said, the information in this book is true and accurate with applicable case law to back it up. After each section of this book you will find numerous case laws with brief descriptions that will support what was just stated. Feel free to research the case laws and read the full scenario of what happened to bring about the case law. Also, the "examples" given in this book are taken from actual events so everything is true to life. Police Encounters: Know Your Rights is straight forward and very easy to understand. If you didn't know the answers to the questions asked, then you need to get this book. There is no telling how many times your civil rights have already been violated, and you didn't have the slightest idea. If you have a friend or loved one in college, this is the book for them. If you have brushes with the law, then this is the book for you. There is information in here that you didn't know about, that I guarantee. Now is the time to gain this new knowledge so that you can be mentally aware for you and those close to you. There is information in this book that you may only need to know one time, but that one time can be the difference between freedom and life in prison, or

remaining a sexual assault victim or fighting back with the law. The knowledge is here, I suggest you give it a once over because I've personally sent people to prison who didn't know when to ask for a lawyer. Grant, they did the crime, but a lawyer could have helped negotiate a lighter sentence for a confession and cooperation. Don't be one of these people.

Your Social Security

Know Your Rights

An essential guide to how the law sees minors, and-more crucially-how minors should see their rights. If you're 18 or younger, you need this book." You'll gain an understanding of your rights and responsibilities to help you make wise choices.

Know Your Rights!

In the spring of 2006, millions of immigrants and supporters organized in cities and small towns across the United States to defend their rights following the passage of HR4437, a bill designed to punish unauthorized immigrants. In an unprecedented show of force, tens of thousands of workers marched out of meatpacking plants, factories, restaurants, landscape businesses and stores, while students—many of them the US-born children of immigrants—staged school walkouts. Thousands also observed a one-day national consumer boycott to demonstrate the economic power of immigrant communities. The spring 2006 mobilizations—and the ensuing backlash from anti-immigrant sectors—pushed the topic of immigration to the front and center of U.S. politics. Polls show the public increasingly divided, with the debate framed as a choice between “deport them all” and “give everyone amnesty.” But dialogue is possible when we dig deeper. Why are people leaving their homes? Why are they coming here? What is the impact of our current enforcement policies? What kinds of alternatives exist? Backed with a wide range of cited sources, *The Politics of Immigration* tackles questions and concerns about immigration with compelling arguments and hard facts, laid out in straightforward language and an accessible question-and-answer format. For immigrants and supporters, the book is an effective tool to confront common myths and misinformation. For teachers, it provides a useful framework on the current debate, and ample opportunities for students to reach out and explore the intersecting issues. Those who believe immigrants steal jobs from citizens, drive down wages, strain public services, and threaten our culture will find such assumptions challenged here, while people who are undecided about immigration will find the solid data and clear reasoning they need to develop an informed opinion.

The Technical World Magazine

THIS IS THE NEWEST VERSION OF POLICE ENCOUNTERS, PLEASE ENJOY!!! This book is written by a former investigator and was designed to give the everyday citizen critical information about their rights when dealing with law enforcement. There might be information in this book you only need to know one time, but that one time could save your life. Case laws are also included. 1) What is the difference between a frisk and a search? 2) Did you know that if you were getting patted down (frisked) by an officer and that officer starts manipulating the items in your pocket with his finger, that "pat-down" just became an illegal search? 3) Did you know that if that officer puts his hand in your pockets that "pat-down" just became an illegal search? 4) Did you know that a "pat-down" is to be conducted on the outer layer of your clothing? The Criminal Law Handbook

Know Your Rights

This Guide gives you answers to landlord-tenant questions - answers that can save you money, aggravation and time in court. You need no legal training to understand the rights of landlords and tenants. You need to "Know Your Rights."

Know Your Rights-7th Edition

Imagine a peaceful night of relaxing fishing at a Dam Reservoir, where you and your family have vacationed for the last 18 years. On this particular night you've disappeared and the only evidence you've left behind is a truck, a pool of blood, a blood trail, tissue and drag marks. This is where this story started for the Police, however for Dennis Roe; it was a night of terror and horror, when he was confronted by a trained assassin. For the family it was where their nightmares began. This was not the first time he/they had killed, including the Colonial Parkway. He is one of Virginia's most prolific serial killers. He/They is known to have killed internationally, discarding the bodies in the water, so as not be found. There are over a hundred unsolved murders where he traveled. The killer confessed to Bradley North with regard to the first murder, he was suspected of and why "he said" he was ordered to kill this person. It took almost 9 years to convict him of one murder. After reading this story, you will think twice before going on what could turn out to be, your last outing ever. Bradley Dallas North

Ever Been Arrested?

You have rights. Know them. Use them. Is it legal to record the police? When do police have the right to search your person, home, or car? Do you have the right to walk away when stopped by the police? Knowing the answers to these questions will help protect you and the officer. Laura Coates, former federal prosecutor and Civil Rights attorney, breaks it all down.

The Price of Motherhood

Know Your Rights

The attorney/author answers questions by citizens regarding their legal rights in such situations as airport luggage searches, using credit cards, domestic violence, eviction, traffic stops, and police interrogations

Divorce in Texas

“The first thing we do, we kill all the lawyers:” Shakespeare may have had a point, but the truth is, from time to time, we all could use a good attorney. This survival guide won't replace legal counsel, but by stating your rights plainly, it can help with some pretty weighty matters-including prenups, breaking apartment leases, immigration, and workplace discrimination. Ronald M. Benrey helps solve basic legal quibbles at home, at work, and even on vacation. He provides an understanding of central legal principles, explains key vocabulary, and helps readers to overcome familiar misconceptions.

Police Encounters

Accessible, straightforward answers to more than 100 questions about teens' legal rights and responsibilities. "Can I be prosecuted for comments I make online?" "What are my rights as an undocumented teen?" "When can I get a tattoo?" These questions—and many more—are asked and answered in *What Are My Rights?* Teens often have questions about the justice system but don't always know where to turn for answers. This book provides those answers, exploring more than 100 legal questions pertaining specifically to teens. This revised and updated fourth edition includes fresh facts, updated statistics, and brand-new questions and answers. Using a straightforward tone and drawing on examples from real-life juvenile court cases, Judge Tom Jacobs helps readers learn about the laws that affect them, appreciate their legal rights, and consider their responsibilities. *Teens & the Law Series* The *Teens & the Law* series familiarizes young readers with our legal system, dispels myths and mysteries, and shows that the law is by and for the people—including teens. The books cover numerous important legal issues pertaining to young people, such as the rights of minors; the rights to privacy and freedom of expression; the rights of gay and lesbian students; the rights of students with disabilities; the rights of parents, schools, and workplaces; the voting and political system; abortion; living wills; traffic laws; curfews; probation; and juvenile versus adult court. Crimes discussed include forgery, obscene conduct, defamation, vandalism, gang-related crimes, gambling, theft, underage drinking, drug and weapon possession, hacking, cyberbullying, sexual harassment, rape, hate crimes, arson, threats, and violence. Each book offers discussion points, tips and advice, detailed resources, emergency hotlines, and probing questions for further reflection.
