GRABBING A GOLDEN DREAM WITH GOLDEN GLOVES Does boxing teach anything besides how to club someone into submission? Can it transcend its sordid reputation and instill love, compassion and honor in Americas most troubled kids? In

He steps back into the mud of boxing, coaching two troubled teens who dream of becoming Golden Gloves champions. His compelling story moves far beyond the grunt and sweat of the local gym. It explores the classrooms of a suburban high school and digs through the remains of unhappy childhoods. It's a story about how boxing is a way out, and how it cleanses the soul. This book brings the subculture of amateur boxing up close and weaves a powerful story of redemption, beating demons and battling for glory.

Eighteen year old Rosalind, a German Catholic descendant, left South Africa for Israel with her doctor boyfriend, Foxy, so they could pursue their dream of helping the wounded soldiers together. But when his jealous temper again gets the better of him, she decides to end their relationship, but still continue her nursing studies. When she's assigned to Ward 21, Rosalind finds herself inexplicably drawn to Eyal, the bearded soldier with the sparkling brown eyes who, even laid up in a full-body cast, asks her out—and teaches her about passion and sex. Though Rosalind struggles to understand her confusing emotions toward Eyal, who arouses her physically but whose interests and upbringing are so different from her own, she eventually accepts his marriage proposal. 'Together They Overcame' offers a surprisingly honest and explicit depiction of a newlywed couple's first two years of sexual gratification in marriage as they face family drama, a mother-in-law's hostilities towards the wife because her mother is both German and Catholic, cultural prejudice, and the hardships in a young country in the process of establishing itself. Juliet Aharoni's novel, 'Together They Overcame', weaves fictionalized versions of her own experiences living in Israel into the romantic tale of a newlywed couple striving against all odds. 'Together They Overcame' is an opposites-attract romance set in Israel after the 1956 Sinai Campaign and not long after the holocaust. Rosalind meets survivors of the holocaust who are still in the healing process from the concentration camps' atrocities. The novel depicts a newly-wed couple experiencing sex for the first time and how their sex-life helps them cope with many difficulties. The author has presented the couple's love-making explicitly but tastefully. Sex plays an important role in the young couple's connection and development.

A sabedoria da Cabalá ensina como perceber e viver a realidade que se propaga diante de nós. Ela constitui um método sistemático que tem evoluído ao longo de milhares de anos, cultivado por pessoas cuja tarefa era assegurar que a verdadeira sabedoria pudesse ser oferecida para aqueles que estivessem prontos para recebê-la. O LIVRO DE ZOHAR (O LIVRO DO ESPLENDOR) é uma fonte de sabedoria eterna e base para toda a literatura cabalista. Desde seu aparecimento há quase 2.000 anos atrás, ele tem sido a fonte primária, e muitas vezes a única, usada pelos cabalistas. Por séculos a Cabalá foi ocultada do público, que não era consi de rado ainda pronto para recebê-la. Contudo, a nossa geração acabou sendo designada pelos Cabalistas com a primeira pronta para reter os conceitos contidos no O ZOHAR. Agora, podemos por em prática estes princípios em nossas vidas. Os três pilares da Cabalá, Rabi Shimon Bar-Yochai (autor do O LIVRO DE ZOHAR), o Santo ARI (autor de A ÁRVORE DA VIDA) e o Baal HaSulam (Rabi Yehuda Ashlag, autor de SULAM [ESCADA], comentários ao O LIVRO DE ZOHAR) concordam que desde o final do Século XX, os ensinamentos da Cabalá se tornariam disponíveis para todos, sem restrições. Escrito em uma linguagem metafórica e única, O LIVRO DE ZOHAR enriquece a compreensão da realidade, além de expandir a nossa visão de mundo. Contudo, este texto não deve ser lido da mesma forma que outros. Ele deve ser lido, com paciência. Cada frase deve ser repetidamente lida, para extrair as nuances do texto. O leitor deve tentar penetrar nos sentimentos do autor.
