The Federal Reporter

Federal habeas corpus as we know it is by and large a procedure under which a federal court may review the legality of an individual's incarceration. It is most often invoked after conviction and the exhaustion of the ordinary means of appeal. It is at once the last refuge of scoundrels and the last hope of the innocent. It is an intricate weave of statute and case law whose reach has flowed and ebbed over time. Current federal law operates under the premise that with rare exceptions prisoners challenging the legality of the procedures by which they were tried or sentenced get "one bite of the apple". Relief for state prisoners is only available if the state courts have ignored or rejected their valid claims, and there are strict time limits within which they may petition the federal courts for relief. Moreover, a prisoner relying upon a novel interpretation of law must succeed on direct appeal; federal habeas review may not be used to establish or claim the benefits of a "new rule". Expedited federal habeas procedures are available in the case of state death row inmates if the

state has provided an approved level of appointed counsel. The Supreme Court has held that Congress enjoys considerable authority to limit, but not to extinguish, access to the writ.

Southern Reporter

This edited volume addresses the dynamics of the legal system of Myanmar/Burma in the context of the dramatic but incomplete transition to democracy that formally began in 2011. It includes contributions from leading scholars in the field on a range of key legal issues now facing Myanmar, such as judicial independence, constitutional law, human rights and institutional reform. It features chapters on the legal history of Myanmar; electoral reform; the role of the judiciary; economic reforms; and the state of company law. It also includes chapters that draw on the experiences of other countries to contextualise Myanmar's transition to democracy in a comparative setting, including Myanmar's participation in regional bodies such as ASEAN. This topical book comes at a critical juncture in Myanmar's legal development and will be an invaluable resource for students and teachers seeking greater understanding of the legal system of Myanmar. It will also be vital reading for a wide range of government, business and civil society organisations seeking to re-engage with Myanmar, as it navigates a difficult transition toward democracy and the rule of law.

Vernon's Criminal Statutes of Texas: Code of criminal procedure

A comprehensive and in-depth analysis of how courts in the countries of Commonwealth Africa decide claims under private international law.

The Chicago Legal News

Casenote Legal Briefs for Civil Procedure, Keyed to Friedenthal, Miller, Sexton, and Hershkoff

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Plucknett, Theodore F.T. A Concise History of the Common Law. Fifth Edition. Boston: Little, Brown and Company, 1956. Reprinted 2001 by The Lawbook Exchange, Ltd. LCCN 00-067821. ISBN 1-58477-137-2. Cloth. \$125. * "Professor Plucknett has such a solid reputation on both sides of the Atlantic that one expects from his pen only what is scholarly and accurate. Nor is the expectation likely to be disappointed in this book. Plucknett's book is not a mere epitome of what is to be found elsewhere. He has explored on his own account many regions of legal history and, even where the ground has been already quartered, he has fresh methods of mapping it. The title which he has chosen is, in view of the contents of the volume, rather a narrow one. It might equally well have been A Concise History of English Law. In conjunction with Readings on the History and System of the Common Law by Dean Pound this book will give an excellent grounding to the student of English legal history." Percy H. Winfield. Harv. L. Rev. 43:339-340.

Cases on Procedure Annotated, Trial and Appellate Practice

After your casebook, a Casenote Legal Brief is your most important reference source for the entire semester. Expert case studies and analyses and quicknote definitions of legal terms help you prepare for class discussion. Here is why you need Casenote Legal Briefs to help you understand cases in your most difficult courses: Each Casenote includes expert case summaries, which include the black letter law, facts, majority opinion, concurrences, and dissents, as well as analysis of the case. There is a Casenote for you! With dozens of Casenote Legal Briefs, you can find the Casenote to work with your assigned casebook and give you the extra understanding of all cases Casenotes in 1L subjects include a Quick Course Outline to help you understand the relationships between course topics.

The History of Conspiracy and Abuse of Legal Procedure

This book, first published in 1973, provides a challenging interpretation of the emergence of the common law in Anglo-Norman England.

A Concise History of the Common Law

This essential resource provides students with an introduction to the rules and principles of criminal procedure law. This text uses a case study approach to help students develop the analytical skills necessary to understand the origins, context, and evolutions of the law; concentrates on US Supreme Court decisions interpreting both state and federal constitutions; and introduces students to the reference materials and strategies used for basic legal research.

The Code of Civil Procedure of the State of New York

Sports law has been growing with increasing rapidity over the years since the first edition of this book was published in 1999, regularly making headlines as well as leading to a developing body of law practised by specialist lawyers. This revised work, by leading practitioners in the field, with a foreword by Lord Coe, provides a coherent framework for understanding the principles of sports law in this area, as well as a deep analysis of its key features. The subject is split into various areas of practice: first, regulatory rules, which embrace the constitutional aspect of organised sport, including the disciplinary procedures of the various governing organisations; second, broadcasting and marketing resulting from the commercial exploitation, including sponsorship, of sports clubs, sporting events and players; and third, player's rights and obligations, which embraces a wide range of legal issues including club transfers and player contracts, and issues arising from employment (including discrimination law), personal injury and criminal law. Special attention is paid to the impact of EU and Human Rights law as well as to the influential jurisprudence of the Court of Arbitration for Sport. London 2012 provides an appropriate point at which to assess the current state of the law, as well as a look to the future. The target readership extends from solicitors, barristers and legal advisers, to sports organisations and clubs, corporations involved in marketing and sponsorship, media companies, academics teaching sports law, and sports administrators. "I commend it to everyone who has to administer sport as well as to those who have to advise the administrators or argue cases in the field on whatever side. It is a gold medal book." From the Foreword by Lord Coe KBE
