Twenty-seven-year-old Daisy already beat breast cancer four years ago. How can this be happening to her again? War of the Witches

"There's a lot of text in the book, but it's smartly framed within two-page spreads, and very little of it feels extraneous. A worthy picture-book primer on the Queen of Tejano music."-Kirkus Reviews This is a moving and impassioned picture book about the iconic Queen of Tejano music, Selena Quintanilla, that will embolden young readers to find their passion and make the impossible, possible! Selena Quintanilla's music career began at the age of nine when she started singing in her family's band. She went from using a hairbrush as a microphone to traveling from town to town to play gigs. Justice for Selena -The State Versus Yolanda Saldivar

A remarkably candid biography of the remarkably candid—and brilliant—Carrie Fisher In her 2008 bestseller, *Girls Like Us*, Sheila Weller—with heart and a profound feeling for the times—gave us a surprisingly intimate portrait of three icons: Carole King, Joni Mitchell, and Carly Simon. Now she turns her focus to one of the most loved, brilliant, and iconoclastic women of our time: the actress, writer, daughter, and mother Carrie Fisher. Weller traces Fisher's life from her Hollywood royalty roots to her untimely and shattering death after Christmas 2016. Her mother was the spunky and adorable Debbie Reynolds; her father, the heartthrob crooner Eddie Fisher. When Eddie ran off with Elizabeth Taylor, the scandal thrust little Carrie Frances into a bizarre spotlight, gifting her with an irony and an aplomb that would resonate throughout her life. We follow Fisher's

acting career, from her debut in Shampoo, the hit movie that defined mid-1970s Hollywood, to her seizing of the plum female role in Star Wars, which catapulted her to instant fame. We explore her long, complex relationship with Paul Simon and her relatively peaceful years with the talent agent Bryan Lourd. We witness her startling leap—on the heels of a near-fatal overdose—from actress to highly praised, bestselling author, the Dorothy Parker of her place and time. Weller sympathetically reveals the conditions that Fisher lived with: serious bipolar disorder and an inherited drug addiction. Still, despite crises and overdoses, her life's work—as an actor, a novelist and memoirist, a script doctor, a hostess, and a friend—was prodigious and unique. As one of her best friends said, “I almost wish the expression ‘one of a kind’ didn’t exist, because it applies to Carrie in a deeper way than it applies to others.” Sourced by friends, colleagues, and witnesses to all stages of Fisher’s life, *Carrie Fisher: A Life on the Edge* is an empathic and even-handed portrayal of a woman who—as Princess Leia, but mostly as herself—was a feminist heroine, one who died at a time when we need her blazing, healing honesty more than ever.

My Broken Pieces

A New York Times bestseller, this is the official biography from the beloved Mexican-American singer who lost her life in a tragic plane crash. The only autobiography authorized by Jenni Rivera "I can't get caught up in the negative because that destroys you. Perhaps trying to move away from my problems and focus on the positive is the best I can do. I am a woman like any other, and ugly things happen to me like any other woman. The number of times I have fallen down is the number of times I have gotten up." These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9, 2012. However, they are not the final words that La Diva de la Banda had for the world. Those are found in the pages you hold in your hands, Jenni's own account of the highs and lows of her extraordinary journey. She became the most acclaimed Spanish-language singer in the United States and sold more than 15 million records worldwide. A single mother of five and grandmother

of two, she was also an actress, a television producer, the star of her own reality show, and an entrepreneur. But for all its immense success, Jenni's life often seemed to be a series of personal battles in which perseverance was her only weapon. As her fame grew, she made it her mission to speak about her struggles, forging an intimate connection with her fans. She became a figure of strength and a source of encouragement to women of all ages. In *Unbreakable*, Jenni recounts the crucial moments in her past, revealing her experiences with domestic and sexual abuse, divorce, body image issues, making her way in a male-dominated industry, raising her children as a single mother, and learning that she could depend only on herself. Though she is no longer with us, Jenni will always be the "Rivera rebel from Long Beach," the girl who maintained her sense of humor and fighting spirit in every circumstance. In this remarkable memoir, Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family, friends, and fans.

Selena Como LA Flor

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. His eyes lit up when he saw me and he let out a low whistle.“Where's the KY?” he asked.I smiled, bringing the bag out from behind my back. I was more than ready. I tossed it toward him and he caught it, opening the Ziploc bags and fishing

out the tubes. He threw one back at me. "For the bathroom. Leave it on the counter." I walked back to the bathroom, still just a little unsteady in the heels, peeking around the corner to put the KY next to the sink. When I turned back, Jack was pacing, tossing pillows around the room. He threw a bottle of KY next to the two pillows on the floor, one on each side of the bed. He put one on each night table. "What are you doing?" I put my hands on my hips and cocked my head at him. "Tactical maneuvers." He looked over at me with a grin. "Reinforcing my supply lines." I laughed, shaking my head. He sat on the bed, crooking his finger at me again, and with a sense of deja-vu, I came to stand between his thighs. His hands moved over my hips in the white cotton panties and then slid up to my breasts in the black lace bra, pushing my flesh up until it threatened to spill over the top. "Angel and slut." His breath was hot against my belly as he kissed me there, and I finally understood his choice in garments. His thumbs rolled over my nipples through the lace and I sighed, arching my back toward him. He licked them through the fabric, making fat circles around and around. Slipping my hand through his hair, I pulled him closer, moving forward and sitting on his leg, rubbing my pussy over his thigh. I'd been wearing the panties less than five minutes and they were already damp. His cock was hard, brushing against the lace top of my thigh high as I ground my hips against him—the heat of it was incredible. I reached down and tugged on his shaft, rubbing my thumb over the tip, making him groan against my breasts with his face buried there. Slowly, I slid down his thigh, kneeling between his legs and looking up at him. His cock was pointing

straight at my mouth, as if it knew just what it wanted, and I reached my tongue out for it, licking all around the tip, making it wet. Jack made a happy noise in his throat, looking down to see himself disappearing into my mouth. I loved sucking his cock, and I knew just what he liked, teasing and licking and even nibbling at first, just at the tip, until he started leaking pre-cum. Then I opened my mouth wide, taking him in as far as I could go, usually about halfway at first, working him deeper and deeper with every pass. I put my hands behind my back as I sucked him, crossing my arms at the wrists. It was my version of “see, no hands!” and he loved it, grabbing my hair, growling and thrusting, using my mouth and throat for his pleasure. There were times when I could, and did, do this for hours, in various positions, bringing him to a near-boiling point again and again, only to back off for a while, licking his thighs, his balls, his belly, and then starting all over.
