Find True Love

Presents simple experiments answering such questions about the human body as "Why does my skin pucker up when I take a long bath?" "Why are my bones hard?" and "How much breath do I have?"

Health & Safety for the Young Child

Healthy & Fit After Fifty is the most comprehensive book on the market today that will help any women or man acheive a higher degree of health and fitness. This book will take you on a journey that will explore the three aspects of your being: the physical, the mind and emotions, and the spiritual. You will be shown how to make improvements in each of these areas in an easy to read and enjoyable format. When the principles of this book are applied you will feel better, look better, sleep better, enjoy sex more (partner not supplied), and live longer. I will explain, in detail, how to exercise properly, how to eat for health, and which supplements will be beneficial to you. It is impossible to follow these principles and not make vast improvements!

Why There's Antifreeze in Your Toothpaste

Demonstrates the manufacturing process used to make toothpaste from its basic materials, and explains the creativity and technology involved.

The Toothpaste Genie

The Atlantic Monthly

Did you put the cap on the toothpaste tube today? Then you've used a screw! These simple machines are all around. Take a look inside and discover 13 different ways we use screws.

Let's Find Out about Money

Includes audio versions, and annual title-author index.

Industrial World

For Younger Readers; Braille and Talking Books

Nine years ago Kate Grayhawk Pendelton walked into Wyatt Shaw's life—and out of it the next morning. Now Wyatt's back—and has the power to shatter Kate's future with the man she loves. By reputation, Wyatt Shaw is a brutal killer who always gets what he wants. And he wants Kate and her twin eight-year-old sons. Texas Ranger Jack McKinley is hot on Wyatt Shaw's trail. The presumed heir to the D'Amato crime syndicate is threatening to steal the woman he loves. Holly McKinley is fighting to keep Jack from leaving her for another woman. Now the secret she's kept for over twenty years may save their son's life, and cost her the only man she's ever loved.

Forthcoming Books

Find true love is the second title to launch in the brand new Manga Life series from Infinite Ideas, publishers of the bestselling 52 Brilliant Ideas series. Find true love marries manga images with tried and tested expert ideas in a stunning mixture of art and advice that takes self-improvement to a new level and is guaranteed to win a new generation of readers. Find true love is packed with information in 52 small but perfectly formed chapters, each with their own unique graphic identity, with manga drawings enhancing and illustrating the ideas featured. This exciting collaboration with Sweatdrop Studios is the first of its kind in the self-help genre and is set to make waves as brilliant ideas meet inspired manga in a creative explosion of the very best kind.

Let's Find Out Preparatory Teacher's Manual 1st Ed. 2003

Youngsters will have lots of fun learning about proper dental hygiene in this delightful pop-up book. What child can resist imitating a chimp brushing its teeth back and forth? Or a shark that flosses every day? Youngsters will have lots of fun learning about proper dental hygiene in this delightful pop-up book.

American Book Publishing Record

Curriculum Materials in Consumer Education

Shattered

A young girl describes how her school friend made over a million dollars by creating and marketing a cheaper and better toothpaste.

The Problem Solver: Grade 2

The Problem solver is a carefully sequenced, step-by-step program designed to help students become competent and confident problem solvers, using an easy-to-learn, four-step method combined with ten useful problem-solving strategies, each with its own symbol.

Toothpaste

Janice VanCleave's Play and Find Out About the Human Body

How to Make \$1,000 a Minute

Transactions of the British Columbia Natural Resources Conference

Two deaths look accidental but are murders. Sheriff Howard too quickly arrests a suspect. When she goes looking for the truth, she gets more than she wants and endangers someone she loves.

Fire Bubbles and Exploding Toothpaste

Illustrations present such imaginative possibilities as worms with wheels, caterpillar toothpaste, and whales in outer space.

Brush Your Teeth, Please

Talking Book Topics

A great reissuing of a perennially popular split-page book inviting children to howl with laughter at the fantastic and fantastical food concoctions they create. Do you like ketchup on your cornflakes? Tying in with Nick Sharratt's position as official illustrator for World Book Day 2006, this larger format edition, with its best cover yet, will ensure KETCHUP's continuing longevity.

Let's Find Screws

Ketchup on Your Cornflakes?

"When Amanda gets a real genie in her tube of toothpaste, she thinks she has it made. But she soon finds out the genie is an apprentice -- he turns every wish into a disaster!"--Page 4 of cover.

Talking book topics

For preschool through primary grades.

Grammar Connections

A Selection of the Scientific American Book Club Explaining why antifreeze is a component of toothpaste and how salt works in shampoo, this fascinating handbook delves into the chemistry of everyday household products. Decoding more than 150 cryptic ingredients, the guide explains each component's structural formula, offers synonymous names, and describes its common uses. This informative resource can serve curious readers as a basic primer to commercial chemistry or as an indexed reference for specific compounds found on a product label. Grouped according to type, these chemical descriptions will dissolve common misunderstandings and help make consumers more product savvy.
