'Anthology' comes from the Greek word that stands for garlands - a bouquet of flowers. An anthology then, should be a sort of reminder of something else, a small token of something much larger. In the case of flowers, they bring with their fragrance and colorfulness the reminder of the fields, of a season. Coelho's

anthology, therefore, is not only a collection of texts or poems, but a gift, something arranged according to his sensitivities, to give to others. The selection of books presented in this volume have been chosen as if from a vast field of flowers, stretching infinitely into time's horizon. Coelho's selection is ordered in to the four elements, symbolizing both our world on all its directions, and the way we dwell in this world, the way we say it. In 'Earth' we find writers as diverse as Oscar Wilde and D H Lawrence; in 'Air' Nelson Mandela and Gabriel Garcia Marques; in 'Fire' Rumi and Mary Shelley; in 'Water' Hans Christian Anderson and Machiavelli.

But as paranoia consumed a country at war, Mata Hari's lifestyle brought her under suspicion. In 1917, she was arrested in her hotel room on the Champs Elysees, and accused of espionage. Told in Mata Hari's voice through her final letter, *The Spy* is the unforgettable story of a woman who dared to defy convention and who paid the ultimate price.

The Witch of Portobello

Alan and Denise Jackson's life seemed like a fairy tale: high school sweethearts marry young and leave small-town Georgia to pursue big dreams in Music City. They pay their dues, work hard, weather deep disappointments. Then their dreams

come true. In fairy tales, the Jacksons' material success?plus their "perfect" marriage, their three beautiful daughters, and their supportive families?would have signaled a happily-ever-after ending. But real life is different from fairy tales. At the pinnacle of their success, the Jacksons separated. For Alan, musical renown fame, and wealth still did not make up for the marital problems the Jacksons had struggled with for years. And for Denise, building her life around Alan and riding the tide of his success had somehow left her hollow, unsure of just who she really was. You don't have to be rich and famous to go through struggles like these. Sooner or later, we all come to the point when we realize that real joy and peace isn't just around the corner of the next achievement, the next relationship, the next new thing. That's why Alan and Denise Jackson's story isn't just a great read and a dramatic, intimate look at the golden world of celebrity. It's a story of the greatest love of all, the love that will never let you go . . . and how to find it, no matter who you are, where you live, or what you've done. "Denise's story is an inside perspective on the results of the ups and downs of fame. Her personal struggles with life's ordinary and extraordinary consequences, her passion to have a stronger marriage, and her desire to have a closer walk with God make for a truly inspiring life." ?Carrie Underwood, 2005 American Idol Winner, ACM & CMA Female Vocalist of the Year

The Book of the Ocean

An NPR Best Book of the Year A dazzling debut novel following the lives of three groundbreaking women--Marlene Dietrich, Anna May Wong, and Leni Riefenstahl--cinema legends who lit up the twentieth century At a chance

encounter at a Berlin soirée in 1928, the photographer Alfred Eisenstaedt captures three very different women together in one frame: up-and-coming German actress Marlene Dietrich, who would wend her way into Hollywood as one of its lasting icons; Anna May Wong, the world's first Chinese American star, playing bit parts while dreaming of breaking away from her father's modest laundry; and Leni Riefenstahl, whose work as a director of propaganda art films would first make her famous--then, infamous. From this curious point of intersection, *Delayed Rays of a Star* lets loose the trajectories of these women's lives. From Weimar Berlin to LA's Chinatown, from a bucolic village in the Bavarian Alps to a luxury apartment on the Champs-Élysées, the different settings they inhabit are as richly textured as the roles they play: siren, victim, predator, or lover, each one a carefully calibrated performance. And in the orbit of each star live secondary players--a Chinese immigrant housemaid, a German soldier on leave from North Africa, a pompous Hollywood director--whose voices and viewpoints reveal the legacy each woman left in her own time, as well as in ours. Amanda Lee Koe's playful, wry prose guides the reader dexterously around murky questions of identity, complicity, desire, and difference. Intimate and clear-eyed, *Delayed Rays of a Star* is a visceral depiction of womanhood--its particular hungers, its oblique calculations, and its eventual betrayals--and announces a bold new literary voice.

Tell Tale

"I thought that I had already thought about everything you could think about Love when Henry Drummond's sermon fell into my hands. My life changed a lot from the moment I read the words in this book and tried to put his teaching into practice." "Paulo Coelho" "If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal." At some point, all of us have heard this passage from St. Paul's Letter to the Corinthians. But do we really understand his message? At the end of the 19th century, the young missionary Henry Drummond was asked to replace a famous preacher. Though at the beginning he did not

convince the audience, they were soon captivated by his analysis of the words of the Apostle Paul. This sermon, *The Greatest Thing in the World*, has become a classic and is, without doubt, one of the most beautiful texts ever written on love. Drummond broke it down into the following nine elements: patience, kindness, generosity, humility, gentleness, dedication, tolerance, sincerity and innocence. Contrary to what we are used to hearing, the greatest treasure in the spiritual life is not faith, but love. No matter what your religious beliefs are, this feeling is, without doubt, the most rewarding way to live. In *The Supreme Gift*, Paulo Coelho adapts Henry Drummond's text, offering a real and powerful message that will help us incorporate love into our daily life and experience all its transformational power in our lives.

Extreme weather and climate events, interacting with exposed and vulnerable human and natural systems, can lead to disasters.
