Monster Tail Rubber Band Projects

Open the door to the possibilities of what you can weave on your frame loom! A comprehensive guide to the frame loom, this book introduces the weaver to the basics of frame loom weaving and also more advanced techniques. Learn how to weave tapestries for wall hangings or handbags, lace for scarves and market bags, geometric shapes for alpacas and dolls, modules to sew together to make larger items, and so much more. Patterns for various weaves such as houndstooth and checkerboard are included, as well as instructions on how to adapt other weaves to the frame loom. Photo-illustrated step-by-step instructions are given for all techniques and 20 unique projects from home decor items to pouches and bags, scarves and other wearables, stuffed toys, bookmarks, and more. Looms used in the book are 6-inch, 8-inch, and 10-inch sizes, but the instructions are adaptable to any size loom. Once you know the basics, you can use your woven modules to create whatever you imagine!

The Ultimate Unofficial Rainbow Loom Handbook

I've compiled 10 of my favorite Loom Knit Stitch patterns that I shared on my website in this little eBook. I do want to warn you that these patterns are not written in a conventional manner. I wanted to make them simple enough for beginners to be able to read and to follow. To make things even easier every pattern includes a step by step video tutorial.

Color and Texture for the Rigid Heddle Loom

What could be more wonderful than surrounding yourself with gorgeous handwoven textiles? Weaving them yourself! Favorite Scandinavian Projects to Weave features 45 timeless designs specially chosen from the popular Scandinavian weaving magazine *Vävmagasinet*, and offers all the help and inspiration you need to create a delightful and unique focal point for any room in your home. Behind each one-of-a-kind pattern is an expert designer and weaver to guide you, providing straightforward, step-by-step instruction as well as how-to and troubleshooting tips. Editor Tina Ignell's superb selection of projects use materials that are easy to find and fun to use, and many can be woven on a loom with four shafts and four treadles. Each pattern is intentionally versatile: choose from a wide array of fabrics to suit your individual style; change the size and color of blankets, pillows, and rugs to complement a room's décor; or match the color of table linen to your favorite china. Every taste is certain to be satisfied, as you'll find curtains woven in classic patterns such as huckaback, while "M's" and "O's" are paired with modern panel curtains made with linen and paper. For the table, designs run the gamut from the basic to weavings where you can "let loose" on the loom, including a decorative runner "Flowerbed," "Linen with Little Secrets" containing gold hearts and silver stars, and a tablecloth in block damask with napkins to match. Plus there are hand towels galore, generously sized and in fun patterns; pillows and throws to decorate sofas and beds; and even a comfy hammock to enjoy once the weaving is done. As an added bonus, Tina Ignell includes a special section on the care and handling of textiles, with guidelines and hints about featured fibers: linen, half-linen, cottolin, wool, paper, and piassava. With this book in hand and your own ideas, you are more than ready to create unique fabrics designed to last for generations.

Loom Knitting for Little People: Filled with Over 30 Fun & Engaging No-Needle Projects to Knit for the Kids in Your Life!

Weaving is a highly accessible craft — over, under is the basic technique — but the stumbling block for many would-be weavers has been the high cost of a commercial loom. The Weaving Explorer removes that barrier, inviting crafters and artists to try out an amazing range of techniques and creative projects that are achievable with a simple homemade loom, or no loom at all! Weavers Deborah Jarchow and Gwen W. Steege take inspiration from the world of folk weaving traditions, adding a contemporary spin by introducing an unexpected range of materials and home dec projects. From sturdy rag fabric grocery bags to freeform wire baskets, delicately woven thread bracelets to colorful woven rugs, crafters will delight in exploring the opportunities to make their own personal variations on these beautiful — and functional — creations.

sized blankets. Just drop a pin loom in your project bag with a ball of yarn and you are on your way to fast, fun weaving. Margaret Stump, author of the original Pin Loom Weaving, has outdone herself with the 25 designs in this new book. There are elegant wraps, a fun fox bag, an American flag blanket, pillows, pins, stylish scarves, and more--all in a modern style that says "hand crafted with pride." With beginning weavers in mind, Margaret first walks you through how to weave on a 2" and 4" loom. Once you know how to make a basic square and connect your pieces, you are well on your way to making any of the projects in this book. The book divides projects into those that use a 2", 4", adjustable fine-gauge, and even a pot holder loom, and those that combine pieces from different looms, so it is easy to find a project and get started. Pin looms are readily available in a variety of sizes and materials. Choose a favorite pattern and a suitable pin loom, and start weaving anywhere and everywhere today!

- All the basics of pin loom weaving and more than 30 beginning and medium level projects you can make on the go
- Simple weaving techniques for portable looms
- Instructions for making your own simple 2" loom
- Projects for standard 2" and 4" looms, as well as weaving on potholder looms and knitting looms

The Ultimate Unofficial Rainbow Loom Handbook

In her 2nd book of lessons and wearable patterns for the rigid heddle loom, Tamara Poff takes you "beyond the rectangle" once again to get bigger and better results from your little loom. With 12 flattering designs for sizes small to 3x, skill levels range from easy to complex. You'll find multiple options to suit varied tastes and skill sets using 12"-24" looms. Although some patterns add knitted or crocheted embellishments, alternate instructions are given for non-needlecrafters. You'll explore detailed guidance on color theory and fiber selection, enhanced weave structures, specialized garment finishing options, and common roadblocks. For the adventurous, there are ideas to customize for your own designs. The author applies knowledge and empathy to the #1 question of new rigid heddle enthusiasts, "What can I weave with?" employing extensive photographs, charts, and illustrations.
