Anthem

Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's unique presidency with shocking new reporting and insight into its implications. "I alone can fix it." So went Donald J. Trump's march to the presidency on July 21, 2016, when he accepted the Republican presidential nomination in Cleveland, promising to restore what he

Read Book Lost Names Scenes From A Korean Boyhood Richard E Kim

described as a fallen nation. Yet over the subsequent years, as he has undertaken the actual work of the commander in chief, it has been hard to see beyond the daily chaos of scandal, investigation, and constant bluster. It would be all too easy to mistake Trump's first term for one of pure and uninhibited chaos, but there were patterns to his behavior and that of his associates. The universal value of the Trump administration is loyalty - not to the country, but to the president himself - and Trump's North Star has been the perpetuation of his own power, even when it meant imperiling our shaky and mistrustful democracy. Leonnig and Rucker, with deep and unmatched sources throughout Washington, D.C., tell of rages and frenzies but also moments of courage and perseverance. Relying on scores of exclusive new interviews with some of the most senior members of the Trump administration and other firsthand witnesses, the authors reveal the forty-fifth president up close, taking readers inside Robert Mueller's Russia investigation as well as the president's own hap-hazard but ultimately successful legal defense. Here for the first time certain officials who have felt honor-bound not to publicly criticize a sitting president or to divulge what they witnessed in a position of trust tell the truth for the benefit of history. This peerless and gripping narrative reveals President Trump at his most unvarnished and exposes how decision making in his administration has been driven by a reflexive logic of self-preservation and self-aggrandizement - but a logic nonetheless. This is the story of how an unparalleled president has scrambled to survive and tested the strength of America's democracy and its common heart as a nation.

Unlocked Book 8.5

In the rich and varied life stories in *Under the Black Umbrella*, elderly Koreans recall incidents that illustrate the complexities of Korea during the colonial period. Hildi Kang here reinvigorates a period of Korean history long shrouded in the silence of those who endured under the "black umbrella" of Japanese colonial rule. Existing descriptions of the colonial period tend to focus on extremes: imperial repression and national resistance, Japanese subjugation and Korean suffering, Korean backwardness and Japanese progress. "Most people," Kang says, "have read or heard only the horror stories which, although true, tell only a small segment of colonial life." The varied accounts in *Under the Black Umbrella* reveal a truth that is both more ambiguous and more human—the small-scale, mundane realities of life in colonial Korea. Accessible and attractive narratives, linked by brief historical overviews, provide a large and fully textured view of Korea under Japanese rule. Looking past racial hatred and repression, Kang reveals small acts of resistance carried out by Koreans, as well as gestures of fairness by Japanese colonizers. Impressive for the history it recovers and preserves, *Under the Black Umbrella* is a candid, human account of a complicated time in a contested place.

I Will Always Write Back

Charles Holcombe begins by asking the question 'what is East Asia?' In the modern age, many of the features that made the region - now defined as

Read Book *Lost Names* Scenes From A Korean Boyhood Richard E Kim

including China, Japan, Korea and Vietnam - distinct have been submerged by the effects of revolution, politics or globalization. Yet, as an ancient civilization, the region had both an historical and cultural coherence. This shared past is at the heart of this ambitious book, which traces the story of East Asia from the dawn of history to the twenty-first century. The second edition has been imaginatively revised and expanded to place emphasis on cross-cultural interactions and connections, both within East Asia and beyond, with new material on Vietnam and modern pop culture. The second edition also features a Chinese character list, additional maps and new illustrations.

Where the Lost Wander

"A joy to read." --The Cleveland Plain Dealer
Acclaimed writer Julia Alvarez's beloved first novel gives voice to four sisters as they grow up in two cultures. The García sisters--Carla, Sandra, Yolanda, and Sofía--and their family must flee their home in the Dominican Republic after their father's role in an attempt to overthrow brutal dictator Rafael Trujillo is discovered. They arrive in New York City in 1960 to a life far removed from their existence in the Caribbean. In the wondrous but not always welcoming U.S.A., their parents try to hold on to their old ways as the girls try find new lives: by straightening their hair and wearing American fashions, and by forgetting their Spanish. For them, it is at once liberating and excruciating to be caught between the old world and the new. Here they tell their stories about being at

Read Book Lost Names Scenes From A Korean Boyhood Richard E Kim

home--and not at home--in America.

Lost Names

Inspired by an astonishing true story from World War II, a young woman with a talent for forgery helps hundreds of Jewish children flee the Nazis in this unforgettable historical novel from the international bestselling author of the “epic and heart-wrenching World War II tale” (Alyson Noel, #1 New York Times bestselling author) *The Winemaker’s Wife*. Eva Traube Abrams, a semi-retired librarian in Florida, is shelving books one morning when her eyes lock on a photograph in a magazine lying open nearby. She freezes; it’s an image of a book she hasn’t seen in sixty-five years—a book she recognizes as *The Book of Lost Names*. The accompanying article discusses the looting of libraries by the Nazis across Europe during World War II—an experience Eva remembers well—and the search to reunite people with the texts taken from them so long ago. The book in the photograph, an eighteenth-century religious text thought to have been taken from France in the waning days of the war, is one of the most fascinating cases. Now housed in Berlin’s Zentral- und Landesbibliothek library, it appears to contain some sort of code, but researchers don’t know where it came from—or what the code means. Only Eva holds the answer—but will she have the strength to revisit old memories and help reunite those lost during the war? As a graduate student in 1942, Eva was forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free

Read Book Lost Names Scenes From A Korean Boyhood Richard E Kim

Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome forger named Rémy, Eva decides she must find a way to preserve the real names of the children who are too young to remember who they really are. The records they keep in *The Book of Lost Names* will become even more vital when the resistance cell they work for is betrayed and Rémy disappears. An engaging and evocative novel reminiscent of *The Lost Girls of Paris* and *The Alice Network*, *The Book of Lost Names* is a testament to the resilience of the human spirit and the power of bravery and love in the face of evil.

We the Animals

In this epic and haunting love story set on the Oregon Trail, a family and their unlikely protector find their way through peril, uncertainty, and loss. *The Overland Trail, 1853*: Naomi May never expected to be widowed at twenty. Eager to leave her grief behind, she sets off with her family for a life out West. On the trail, she forms an instant connection with John Lowry, a half-Pawnee man straddling two worlds and a stranger in both. But life in a wagon train is fraught with hardship, fear, and death. Even as John and Naomi are drawn to each other, the trials of the journey and their disparate pasts work to keep them apart. John's heritage gains them safe passage through hostile territory only to come between them as they seek to build a life together. When a horrific tragedy strikes, decimating Naomi's family and

Read Book *Lost Names* Scenes From A Korean Boyhood Richard E Kim

separating her from John, the promises they made are all they have left. Ripped apart, they can't turn back, they can't go on, and they can't let go. Both will have to make terrible sacrifices to find each other, save each other, and eventually make peace with who they are.

A Midsummer-night's Dream

A charming, clever, and quietly moving debut novel of of endless possibilities and joyful discoveries that explores the promises we make and break, losing and finding ourselves, the objects that hold magic and meaning for our lives, and the surprising connections that bind us. Lime green plastic flower-shaped hair bobbles—Found, on the playing field, Derrywood Park, 2nd September. Bone china cup and saucer—Found, on a bench in Riveria Public Gardens, 31st October. Anthony Peardew is the keeper of lost things. Forty years ago, he carelessly lost a keepsake from his beloved fiancée, Therese. That very same day, she died unexpectedly. Brokenhearted, Anthony sought consolation in rescuing lost objects—the things others have dropped, misplaced, or accidentally left behind—and writing stories about them. Now, in the twilight of his life, Anthony worries that he has not fully discharged his duty to reconcile all the lost things with their owners. As the end nears, he bequeaths his secret life's mission to his unsuspecting assistant, Laura, leaving her his house and all its lost treasures, including an irritable ghost. Recovering from a bad divorce, Laura, in some ways, is one of Anthony's lost things. But when the lonely woman

Read Book Lost Names Scenes From A Korean Boyhood Richard E Kim

moves into his mansion, her life begins to change. She finds a new friend in the neighbor's quirky daughter, Sunshine, and a welcome distraction in Freddy, the rugged gardener. As the dark cloud engulfing her lifts, Laura, accompanied by her new companions, sets out to realize Anthony's last wish: reuniting his cherished lost objects with their owners. Long ago, Eunice found a trinket on the London pavement and kept it through the years. Now, with her own end drawing near, she has lost something precious—a tragic twist of fate that forces her to break a promise she once made. As the Keeper of Lost Objects, Laura holds the key to Anthony and Eunice's redemption. But can she unlock the past and make the connections that will lay their spirits to rest? Full of character, wit, and wisdom, *The Keeper of Lost Things* is heartwarming tale that will enchant fans of *The Particular Sadness of Lemon Cake*, *Garden Spells*, *Mrs Queen Takes the Train*, and *The Silver Linings Playbook*.

Son of the Revolution

Taking refuge in fairy tales after the loss of his mother, twelve-year-old David finds himself violently propelled into an imaginary land in which the boundaries of fantasy and reality are disturbingly melded. By the author of *The Black Angel*. 75,000 first printing.

The Book of Lost Friends

Equality 7-2521 finds himself out of step with the

Read Book Lost Names Scenes From A Korean Boyhood Richard E Kim

collectivist society of the future, and discovers a means to freedom in Ayn Rand's fable of the individual in conflict with society. First published in 1938, Anthem takes place in a dystopian future world in which humanity is enduring a new dark age, human life is regimented in every respect and personal identity has been all but snuffed out by a totalitarian government. The narrator, writing his story in secret, realizes he is a criminal simply for having thoughts of his own. Exploring the ruins of a previous civilization he discovers relics, conducts forbidden experiments and learns enough to question the very structure of his society. Can he share this knowledge with his fellow citizens? The author strips the relationship of humanity to civilization down to its bare essence in this modern parable that starkly illuminates the challenge an oppressive government presents to individuality. With an eye-catching new cover, and professionally typeset manuscript, this edition of Anthem is both modern and readable.

A History of East Asia

From NY Times bestselling author Luanne Rice, a sweeping story of a girl and boy, both troubled in different ways, who take off on a whirlwind road trip.

Coraline

'A Streetcar Named Desire' is the tale of a catastrophic confrontation between fantasy and reality, embodied in the characters of Blanche DuBois and Stanley Kowalski.

A Thousand Splendid Suns

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

The Keeper of Lost Things

There is more to sound recording than just recording sound. Far from being simply a tool for the preservation of music, the technology is a catalyst. In this award-winning text, Mark Katz provides a wide-ranging, deeply informative, consistently entertaining history of recording's profound impact on the musical life of the past century, from Edison to the Internet. Fully revised and updated, this new edition adds coverage of mashups and Auto-Tune, explores recent developments in file-sharing, and includes an expanded conclusion and bibliography. A new companion web site features illustrative sound and film clips.

Of Mice and Men

Read Book *Lost Names* Scenes From A Korean Boyhood Richard E Kim

In this classic tale, Richard Kim paints seven vivid scenes from a boyhood and early adolescence in Korea at the height of the Japanese occupation, 1932 to 1945. Taking its title from the grim fact that the occupiers forced the Koreans to renounce their own names and adopt Japanese names instead, the book follows one Korean family through the Japanese occupation to the surrender of the Japanese empire. *Lost Names* is at once a loving memory of family and a vivid portrayal of life in a time of anguish.

Lost Names

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

The Martyred

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

A Very Stable Genius

Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind.

The Lost Symbol

A fierce international bestseller that launched Korea's new feminist movement, Kim Jiyong, Born 1982 follows one woman's psychic deterioration in the face of rigid misogyny. Truly, flawlessly, completely, she became that person. In a small, tidy apartment on the outskirts of the frenzied metropolis of Seoul lives Kim Jiyong. A thirtysomething-year-old "millennial everywoman," she has recently left her white-collar desk job—in order to care for her newborn daughter full-time—as so many Korean women are expected to do. But she quickly begins to exhibit strange symptoms that alarm her husband, parents, and in-laws: Jiyong impersonates the voices of other women—alive and even dead, both known and unknown to her. As she plunges deeper into this psychosis, her discomfited husband sends her to a male psychiatrist. In a chilling, eerily truncated third-person voice, Jiyong's entire life is recounted to the psychiatrist—a narrative infused with disparate

Read Book *Lost Names* Scenes From A Korean Boyhood Richard E Kim

elements of frustration, perseverance, and submission. Born in 1982 and given the most common name for Korean baby girls, Jiyoung quickly becomes the unfavored sister to her princeling little brother. Always, her behavior is policed by the male figures around her—from the elementary school teachers who enforce strict uniforms for girls, to the coworkers who install a hidden camera in the women’s restroom and post their photos online. In her father’s eyes, it is Jiyoung’s fault that men harass her late at night; in her husband’s eyes, it is Jiyoung’s duty to forsake her career to take care of him and their child—to put them first. Jiyoung’s painfully common life is juxtaposed against a backdrop of an advancing Korea, as it abandons “family planning” birth control policies and passes new legislation against gender discrimination. But can her doctor flawlessly, completely cure her, or even discover what truly ails her? Rendered in minimalist yet lacerating prose, Kim Jiyoung, Born 1982 sits at the center of our global #MeToo movement and announces the arrival of writer of international significance.

How the Garcia Girls Lost Their Accents

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders

Read Book Lost Names Scenes From A Korean Boyhood Richard E Kim

down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

Keeper of the Lost Cities

"Written in a mood of total austerity; and yet the passion of the book is perpetually beating up against its seemingly barren surface. . . . I am deeply moved."
-Philip Roth

During the early weeks of the Korean War, Captain Lee, a young South Korean officer, is ordered to investigate the kidnapping and mass murder of North Korean ministers by Communist forces. For propaganda purposes, the priests are declared martyrs, but as he delves into the crime, Lee finds himself asking: What if they were not martyrs? What if they renounced their faith in the face of death, failing both God and country? Should the people be fed this lie? Part thriller, part mystery, part existential treatise, *The Martyred* is a stunning meditation on truth, religion, and faith in times of crisis. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

When We Meet Again

NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours* comes a new historical novel: the dramatic story of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away.

Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope.

Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is

Read Book Lost Names Scenes From A Korean Boyhood Richard E Kim

suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

A Streetcar Named Desire

The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe -- and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

Into the Wild

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and

Read Book Lost Names Scenes From A Korean Boyhood Richard E Kim

most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out

Read Book *Lost Names* Scenes From A Korean Boyhood Richard E Kim

of the shadows, and the peril, adversity , and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page. From the Trade Paperback edition.

Fences

Presents a dramatization of the tragic story of the friendship between two migrant workers, George and Lenny, and their dream of owning a farm.

The Book of Lost Names

An autobiography of a young Chinese man whose childhood and adolescence were spent in Mao's China during the Cultural Revolution.

Labyrinth Lost

Emily thinks she's lost everything...until a mysterious painting leads her to what she wants most in the world. The new novel from the author of international bestsellers *The Sweetness of Forgetting* and *The Life Intended* shows why her books are hailed as "engaging" (People), "absorbing" (Kirkus Reviews) and "enthraling" (Fresh Fiction). Emily Emerson is used to being alone; her dad ran out on the family when she was a just a kid, her mom died when she was seventeen, and her beloved grandmother has just passed away as well. But when she's laid off from

Read Book *Lost Names* Scenes From A Korean Boyhood Richard E Kim

her reporting job, she finds herself completely at sea...until the day she receives a beautiful, haunting painting of a young woman standing at the edge of a sugarcane field under a violet sky. That woman is recognizable as her grandmother—and the painting arrived with no identification other than a handwritten note saying, “He always loved her.” Emily is hungry for roots and family, so she begins to dig. And as she does, she uncovers a fascinating era in American history. Her trail leads her to the POW internment camps of Florida, where German prisoners worked for American farmers and sometimes fell in love with American women. But how does this all connect to the painting? The answer to that question will take Emily on a road that leads from the sweltering Everglades to Munich, Germany and back to the Atlanta art scene before she’s done. Along the way, she finds herself tempted to tear down her carefully tended walls at last; she’s seeing another side of her father, and a new angle on her painful family history. But she still has secrets, ones she’s been keeping locked inside for years. Will this journey bring her the strength to confront them at last?

The Beautiful Lost

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend
NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time
Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches

Read Book Lost Names Scenes From A Korean Boyhood Richard E Kim

of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinksmanship—and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book "Every bit as moving as To Kill a Mockingbird, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields."—David Cole, The New York Review of Books "Searing, moving . . . Bryan Stevenson may, indeed, be America's Mandela."—Nicholas Kristof, The New York Times "You don't have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful."—Ted Conover, The New York Times Book Review "Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he's also a gifted writer and storyteller."—The Washington Post "As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written

about the death penalty.”—The Financial Times
“Brilliant.”—The Philadelphia Inquirer

Know My Name

A NEW YORK TIMES BESTSELLER Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful. --Washington Post Universally acclaimed, rapturously reviewed, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter. (The Wrap). Her story of trauma and transcendence illuminates a culture biased to protect perpetrators, indicting a criminal justice system designed to fail the most vulnerable, and, ultimately, shining with the courage required to move through suffering and live a full and beautiful life. Know My Name will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. Entwining pain, resilience, and humor, this memoir will stand as a modern classic.
