Lu Xun was the pen name of Zhou Shuren is one of the major Chinese writers of the 20th century. Considered by many to be the founder of modern Chinese literature, he wrote in baihua (the vernacular) as well as classical Chinese. Lu Xun was a short story writer, editor, translator, critic, essayist and poet. In the 1930s he became the titular head of the Chinese League of Left-Wing Writers in Shanghai. Lu Xun's works exerted a very substantial influence after the May Fourth Movement to such a point that he was lionized by the Communist regime after 1949. Mao Zedong himself was a lifelong admirer of Lu Xun's works. Though sympathetic to the ideals of the Left, Lu Xun never actually joined the Chinese Communist Party. Lu Xun's works are known to English readers through numerous translations, especially Selected Stories of Lu Hsun translated by Yang Hsien-yi and Gladys Yang.

Selected Stories of Lu Hsun

Recognized as modern China's preeminent man of letters, Lu Xun (1881-1936) is revered as the nation's conscience, a writer comparable to Shakespeare or Tolstoy. Gloria Davies's vivid portrait gives readers a better sense of this influential author by situating the man Mao Zedong hailed as "the sage of modern China" in his turbulent time and place.

Selected Stories of Lu Hsun

Call to Arms is a collection of revolutionary Chinese writer Lu Xun's most famous and most important short stories. Featuring "A Madman's Diary," a scathing attack of traditional Confucian civilization and "The True Story of Ah Q," a poignant satire about the hypocrisy of Chinese national character and the first work written entirely in the Chinese vernacular. Together this collection exposes a contradictory legacy of cosmopolitan independence, polemical fractiousness, and anxious patriotism that continues to resonate in Chinese intellectual life today.

themes in Chinese history while conveying with great immediacy the textures and rhythms of everyday life in the countryside in the late-nineteenth and early-twentieth centuries. Liu Dapeng was a provincial degree-holder who never held government office. Through the story of his family, the author illustrates the decline of the countryside in relation to the cities as a result of modernization and the transformation of Confucian ideology as a result of these changes. Based on nearly 400 volumes of Liu's diary and other writings, the book illustrates what it was like to study in an academy and to be a schoolteacher, the pressures of changing family relationships, the daily grind of work in industry and agriculture, people's experience with government, and life under the Japanese occupation.

The True Story of Ah Q

Capturing Chinese The Real Story of Ah Q

A collection of essays by Lu Xun, one of the most influential figures of modern Chinese literature. In this classic and beautiful collection, Lu Xun recounts the stories of his childhood and youth in Shaoxing, China. A revolutionary thinker and writer, and one of the architects of the May 4th Movement, his stories reveal the beauty, joy, and struggle of life in early twentieth-century China.

Lu Xun's Revolution

For centuries the Chinese referred to their fiction as xiaoshuo, etymologically meaning roadside gossip or small talk, and held it in relative disregard.

A People Misruled

Lu Xun (1881–1936), arguably twentieth-century China’s greatest writer, is commonly cast in the mold of a radical iconoclast who vehemently rejected traditional culture. The contradictions and ambivalence so central to his writings, however, are often overlooked. Challenging conventional depictions, Eileen J. Cheng’s innovative readings capture Lu Xun’s disenchantment with modernity and his transformative engagements with traditional literary conventions in his “modern” experimental works. Lurking behind the ambiguity at the heart of his writings are larger questions on the effects of cultural exchange, accommodation, and transformation that Lu Xun grappled with as a writer: How can a culture estranged from its vanishing traditions come to terms with its past? How can a culture, severed from its roots and alienated from the foreign conventions it appropriates, conceptualize its own present and future? *Literary Remains* shows how Lu Xun’s own literary encounter with the modern involved a sustained engagement with the past. His creative writings—which imitate, adapt, and parody traditional literary conventions—represent and mirror the trauma of cultural disintegration, in content and in form. His contradictory, uncertain, and at times bizarrely incoherent narratives refuse to conform to conventional modes of meaning making or teleological notions of history, opening up imaginative possibilities for comprehending the past and present without necessarily reifying them. Behind Lu Xun’s “refusal to mourn,” that is, his insistence on keeping the

past and the dead alive in writing, lies an ethical claim: to recover the redemptive meaning of loss. Like a solitary wanderer keeping vigil at the site of destruction, he sifts through the debris, composing epitaphs to mark both the presence and absence of that which has gone before and will soon come to pass. For in the rubble of what remains, he recovered precious gems of illumination through which to assess, critique, and transform the moment of the present. *Literary Remains* shows how Lu Xun's literary enterprise is driven by a "radical hope"—that, in spite of the destruction he witnessed and the limits of representation, his writings, like the texts that inspired his own, might somehow capture glimmers of the past and the present, and illuminate a future yet to unfold. *Literary Remains* will appeal to a wide audience of students and scholars interested in Lu Xun, modern China, cultural studies, and world literature.

From the remarkable Ha Jin, winner of the National Book Award for his celebrated novel *Waiting*, a collection of comical and deeply moving tales of contemporary China that are as warm and human as they are surprising, disturbing, and delightful. In the title story, the head of security at a factory is shocked, first when the handsomest worker on the floor proposes marriage to his homely adopted daughter, and again when his new son-in-law is arrested for the "crime" of homosexuality. In "After Cowboy Chicken Came to Town," the workers at an American-style fast food franchise receive a hilarious crash course in marketing, deep frying, and that frustrating capitalist dictum, "the customer is always right." Ha Jin has triumphed again with his unforgettable storytelling in *The Bridegroom*.

Lovell of all of Lu Xun's stories, including 'The Real Story of Ah-Q', 'Diary of a Madman', 'A Comedy of Ducks', 'The Divorce' and 'A Public Example', among others. With an afterword by Yiyun Li.

Lu Hsun (also known as Lu Xun), was the pen name of Zhou Shuren (1881–1936), a leading figure of modern Chinese literature. Writing in Vernacular Chinese as well as Classical Chinese, Lu Xun was a short story writer, editor, translator, literary critic, essayist, and poet. In the 1930s he became the titular head of the League of Left-Wing Writers in Shanghai. Lu Xun was born into a family of landlords and government officials in Shaoxing, Zhejiang; the family's financial resources declined over the course of his youth. Lu aspired to take the imperial civil service exam; but, due to his family's relative poverty, was forced to attend government-funded schools teaching "Western education". Upon graduation, Lu went to medical school in Japan, but later dropped out. He became interested in studying literature, but was eventually forced to return to China due to his family's lack of funds. After returning to China, Lu worked for several years teaching at local secondary schools and colleges before finally finding a job at the national Ministry of Education. After the 1919 May Fourth Movement, Lu Xun's writing began to exert a substantial influence on Chinese literature and popular culture. Like many leaders of the May Fourth Movement, he was primarily a leftist and liberal. He was

highly acclaimed by the Chinese government after 1949, when the People's Republic of China was founded, and Mao Zedong himself was a lifelong admirer of Lu Xun's writing. Though sympathetic to socialist ideas, Lu Xun never joined the Communist Party of China.

Although their Mongol overlords (beginning with the founding of the Yuan dynasty by Kublai Khan in 1280) tyrannized the Chinese in nearly every area of life, the arts enjoyed a new-found freedom. On the one hand oppressed, on the other released from the straight-jacket of Confucianism, the Chinese made the most of recent developments in poetry and drama. Yuan plays were a tonic, an amazing spectacle--colorful outbursts of singing, dancing, music, acting and mime. They poured new life into old stories--oppressors were ridiculed, servants became

masters, scenes changed, day followed night in the twinkling of an eye--and audiences flocked to enjoy what must have been complete entertainment. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world.
