The Empathy Exams

The Life of King Henry the Fifth

Powerful tragedy of an aging king, betrayed by his daughters, robbed of his kingdom, descending into madness. Perhaps the bleakest of Shakespeare's tragic dramas, complete with explanatory footnotes.

College Requirements in English

A New Study of Shakespeare

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

Study Guide to Macbeth by William Shakespeare

Macbeth Thrift Study Edition

A Teacher's Manual for the Study of English Classics

Includes the unabridged text of Shakespeare's classic play plus a complete study guide that helps readers gain a thorough understanding of the work's content and context. The comprehensive guide includes scene-by-scene summaries, explanations and discussions of the plot, question-and-answer sections, author biography, analytical paper topics, list of characters, bibliography, and more.

An Index to Familiar Quotations Selected Principally from British Authors

The Publishers' Circular and Booksellers' Record of British and Foreign Literature

From personal loss to phantom diseases, *The Empathy Exams* is a bold and brilliant collection, winner of the Graywolf Press Nonfiction Prize A Publishers Weekly Top Ten Essay Collection of Spring 2014. Beginning with her experience as a medical actor who was paid to act out symptoms for medical students to diagnose, Leslie Jamison's visceral and revealing essays ask essential questions about our basic understanding of others: How should we care about each other? How can we feel another's pain, especially when pain can be assumed, distorted, or performed? Is empathy a tool by which to test or even grade each other? By confronting pain—real and imagined, her own and others'—Jamison uncovers a personal and cultural urgency to feel. She draws from her own experiences of illness and bodily injury to engage in an exploration that extends far beyond her life, spanning wide-ranging territory—from poverty tourism to phantom diseases, street violence to reality television, illness to incarceration—in its search for a kind of sight shaped by humility and grace.

Complete Works

One of the great Shakespearean tragedies, *Macbeth* is a dark and bloody drama of ambition, murder, guilt, and revenge. Prompted by the prophecies of three mysterious witches and goaded by his ambitious wife, the Scottish thane Macbeth murders Duncan, King of Scotland, in order to succeed him on the throne. This foul deed soon entangles the conscience-stricken nobleman in a web of treachery, deceit, and more murders, which ultimately spells his doom. Set amid the gloomy castles and lonely heaths of medieval Scotland, *Macbeth* paints a striking dramatic portrait of a man of honor and integrity destroyed by a fatal character flaw and the tortures of a guilty imagination.

Macbeth

When Spanish conquistadors arrived in the land they would name La Florida, they found a nation of people already there, a nation of people whose lives and customs they did not understand. The armed European businessmen called the natives Timucua and soon commenced reeducating them about the nature of ownership, conquest, and history. The centuries churned, and new laws of the land replaced the Timucua waya way nearly forgotten forever. But all is not lost. Three hundred years after the death of the last known Timucua, the people rise again, not to defend themselves but to defend the land they walk upon, the land they desire to save for the future. The Macbeths, the new novel by Bruce M. Deterding, brings us into the conflict between big-money, big-power Florida developers and the small but thriving Timucua nation and their claim to save the world. Spearheading the claim are Ty and Tina Macbeth, strong, willful, intelligent siblings who trace their roots back twelve thousand years and draw their power from the land they love. Beyond the courtrooms, legislative chambers, and front-page spreads, however, the Macbeths must face the inexorable dreadnaught of greed, fear, and modern history. Sometimes violent, sometimes funny, and sometimes sad, The Macbeths is a vivid, fascinating, and ultimately hopeful tale of a people, though once thought lost, who have become a part of us all.

The Macbeths

Macbeth is one of the greatest plays ever written--but let's face it..if you don't understand it, then you are not alone. This annotated book includes a summary of each scene, an overview of themes and characters, and the full-text of the play. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

King Lear

Better Speech

An Introduction to the Study of Literature

The Standard Reference Work

State Normal Monthly

A comprehensive study guide offering in-depth explanation, essay, and test prep for William Shakespeare's Macbeth, known as an "actor's play" for its condensed script and the interpretive freedom it gives actors on stage. As a tragedy of the early seventeenth-century, Macbeth follows a man living in a constructed universe in which he cannot toy with evil without facing consequences. Moreover, readers witness the primary theme that destruction comes to characters who do not fear the outcomes of their actions. This Bright Notes Study Guide explores the context and history of Shakespeare's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.
