Have you been looking for a book that lays bare all the secrets of hypnotic play for pleasure and kink? A clear, step by step guide that explains theory as well as practice so that you can develop your own style and flair? Authors James Gordon, a clinical hypnotherapist, and Rebecca Doll, who holds a master's in education, wrote an exhaustive guide. Taking a clear, consent based, non-gendered , approach to hypnotic instruction, we use a scientific and historical approach to de-mystify hypnosis so that anyone and everyone can learn to hypnotize not just highly suggestible individuals, but any partner. We focus on teaching fundamentals so that you can develop your own unique style and flair. Other books are designed to give you a few scripts and tricks, but they are not an entire course in hypnosis. We reveal all the keys that will allow the reader a complete understanding of how to hypnotize. Among many topics we cover: ethics and consent, types of suggestibility, suggestibility testing, hypnotic modalities, inductions, deepening techniques.Designed to be an inclusive course, we offer roadmap of how to recover if you have a problem, and what to do if you experience abreactions or other issues in hypnosis, discussing important issues such as emotional support and aftercare. We tell you the things that are vital to your knowledge and understanding of how to successfully hypnotize even those subjects that have previously proven difficult or impossible to hypnotize. If you've been looking for a respectable source for training in erotic hypnosis with a full and up front discussion of both the easy and hard parts, this book is an excellent guide. In addition to a broad overview of hypnotic skills we include a detailed discussion of play suggestions, including hypnotic bondage, eroticization, orgasm control and orgasm on command , hypnotic roleplay and how to use hypnosis as part of D/s play.

### **The Corporate Dominatrix**

#### **Bow Down**

The BDSM relationship is not just for fun but can also be used to earn a living, and it can help you discover your inner strength as a woman. These seven chapters will talk about why men love being dominated, what it means to be a dominatrix, what every nice girl must come to terms with if she wants to be a professional dominatrix, how you can discover your flavor of domination, and a guide to becoming a professional dominatrix - all things you need to know.

## **The Female Dominant**

Our lives are full of small tensions, our closest relationships full of struggle: between woman and man, artist and customer, purist and commercialist, professional and client—and between the dominant and the submissive. In *Dominatrix*, Danielle Lindemann draws on extensive fieldwork and interviews with professional dominatrices in New York City and San Francisco to offer a sophisticated portrait of these unusual professionals, their work, and their clients. Prior research on sex work has focused primarily on prostitutes and most studies of BDSM absorb pro-domme/client relationships without exploring what makes them unique. Lindemann satisfies our curiosity about these paid encounters, shining a light on one of the most secretive and least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry. Upending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work, Lindemann makes a major contribution to cultural studies, anthropology, and queer studies with her analysis of how gender, power, sexuality, and hierarchy shape all of our social experiences.

## **The Child Welfare Manual**

*The Corporate Dominatrix* exposes the workplace for what it truly is: a social sadomasochistic wonderland -- one in which some people have power and some do not, thus creating an unbalanced command-and-control dynamic. Using the psychological tools of the professional dominatrix, Lisa Robyn shows women how to role-play their way to success by employing the tactics of six mistress archetypes: Goddess, Queen, Amazon, Governess, Nurse, and Schoolgirl. For a dominatrix in everyday life, the key to effectiveness lies in being switchable -- knowing when to be firm and direct and when to be flexible and accommodating. *The Corporate Dominatrix* dominates without being domineering and is submissive without being subservient. She stands up for her rights in an open and straightforward way, and she is confident enough to intuit what her clients or colleagues want and she responds accordingly. Robyn provides a compelling strategy for women to get their way at work by choosing the appropriate role to fit the particular situation, while always behaving in a professional manner that earns respect. Filled with examples and practical tips, this provocative business book will help every businesswoman advance to the position she wants and truly become the mistress of her domain. Power becomes you . . . Use it wisely.

## Female Dominatrix Manual for Beginners

Why do Women, even very attractive women, stay in relationships with Men who treat them badly? Is it low self-esteem or a desire to submit to a dominant man? A dominant man who will provide all the romance and excitement she has been brought up to believe is her natural right. In my case it was the latter; I wanted the big, handsome hunky guy who would sweep me off my feet, treat me like a princess in public and his sex slave in the bedroom. But, as most women find out, life is not a fairy tale. A real life Rhett Butler probably does exist but you will have more chance of finding a needle in a haystack. Elizabeth Bennett found happiness but for every Mr Darcy there are hundreds of selfish men who think a woman's job is just to supply sex and child care. **WOMEN SHOULD UNDERSTAND THE POWER THEY HAVE.** I didn't realise it until I was thirty-five and until that point I put up with my men coming home drunk, wasting my money, getting fatter and more abusive and providing me with increasingly disappointing sex. I put up with it no longer. I now have a man who sees it as his principle aim in life to keep me happy, contented, wealthy and sexually satisfied. I have known my man for most of my life but he only became my boyfriend seven years ago. During that time I have been a professional Dominatrix and a writer of books dedicated to the dominant female. And my boyfriend is also my slave. In this book I explain how all this came about. The book is more about personal-transformation and female-empowerment than it is about kinky, usually fictional, sexual fantasies. The success of the book, *Fifty shades of grey*, shows the interest there is out there in an alternative, discipline based life-style and emphasises that many women share that interest. Unlike, *fifty shades of grey*, *Dominant Female Submissive Male* is primarily a manual for submissive men to find the Mistress of their dreams but it is also an eye-opener for frustrated women as it shows them the glorious, very exotic and exciting life they could have. While some submissive men are slightly pathetic, and even creepy, many are romantic, kind-hearted, reliable and good fun. They adore and respect women and see it as their role in life to support them. What's not to like about that? They will have a desire for discipline and this desire will be inextricably linked to their sexual nature. For some this will be extreme and involve heavy BDSM but for most it will involve safe, erotic role-play and spankings. The point is that Women control when, how and even if it happens. Women have the power in all aspects of the relationship and how they exercise that power is up to them. Believe me, once you have a man on his knees begging for an orgasm you will never look back. But Women do not want to live with a wimp and this is what a lot of very nice submissive men fail to understand and why many of them remain frustrated and single when, with a little change of emphasis, their dreams are so

easily achievable. This book is a guide on how to affect this change of emphasis and to get across what women are looking for and will accept in a loving, fulfilling and very kinky relationship. It also explains how submissive men can learn to accept and enjoy their kink and how to widen their circle of fetish friends. It relates the authors own experiences and offers guidance on how to get the best out of a session with a Dominatrix and how to become more than just a client to her. It also explains how to tell your wife about your desire for female-domination and, more importantly, how not to. It also offers cautionary tales and about how not to get ripped off by unscrupulous con-artists. The central aim of the book however, is to bring together good men who have a desire for female-domination with good women looking for a lover who will provide happiness, support, fun, excitement and success. \*One of Glamour's Best Books of 2020\* Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrixes can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this “lively, funny, thoughtful channeling of wisdom” (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it's from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. “Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate.” (Sarah Cooper, author of *How to Be Successful without Hurting Men's Feelings*).
